Stop that Headache with SAM'S HEADSEAS.

Keep Your Sink Drains Clear

Here is the best insurance against clogged drains and stopped-up pipes.

If the sink drain becomes clogged or runs too slowly, stir a little Red Seal Lye down the pipe. The lye will immediately combine with the grease in the pipes. Then when water is added you will hear the cheerful "gurgle" in the trap and know that the drain is free and the pipes clean and sanitary.

Pure lye is the strongest and most effective disinfectant in the world. Red Seal Lye far exceeds cheap brands. Red Seal Lye is pure, unadulterated and high tested.

Red Seal Lye is also a wonderful water softener. Hard water means a great waste of soap and labor. Add one-half a teaspoonful of Red Seal Lye to every bucket of washing water and notice the snowy whiteness of your garments and how much less soap is used.

Save your meat fat and make your own soap with Red Seal Lye. One can of Red Seal Lye will make 20 cakes of pure soap. Easy directions are in the can.

Be sure and ask your dealer for the old reliable granulated Red Seal Lye and take no substitute. Send us a postal for the Red Seal Booklet which describes all the uses of this famous product. Write today.
