VALENTINE PARTY GIVEN IN HONOR OF THE JUNIOR CLASS OF THE JUSTICE HIGH SCHOOL

It was with much gaiety that the Freshman class of the Justice High School laid aside their school duties and entertained the Junior class, with a delightful reception at the home of Miss Denaze Meade, on the evening of the ninth.

The guests began to arrive about 7 o'clock, and were met at the door by Miss Lillian Sykes, President of the class, and were ushered into the parlor, where conversation and music were engaged in.

After all the guests had arrived, the real fun began when little white cards, cut in the shape of hearts, bearing the names of all girls present, were passed to the boys for them to draw. Every one began to wonder how the drawing would come out. However, each one seemed to enjoy it and was eager to find his partner for the contest. The contest was on "canning." Miss Emma Hayes and Will Morris were the successful contestants. Miss Lillian Sykes, charming in her gracious manner, presented the prize, which was a nice box of chocolate candy.

After the contest had been finished, Misses Edith Duke and Florine Hayman served delicious home-made candy. Then came the Valentine contest. A large red heart with pencils to match, was given to each couple with the word "Valentine" written on them. Each couple was to see how many words they could make out of it. Mrs. Wheelless was the successful contestant in this contest.

After this contest, Misses Sallie Mitchell and Oveda Bowden served a delicious fruit salad.

Those enjoying the delightful entertainment were: Mr. and Mrs. E. C. Sexton, Mr. and Mrs. B. F. Wheelless, Mr. and Mrs. M. T. Lamm, Mrs. Alex Wilson, Misses Sadie Stallings, Bettie Moore, Enola Carmean, Emma Hayes, Elizabeth Moore, Vera Burnette, Pearl Hopkins, Ruby Wheelless, Maybelle McGregor, Mable Edwards, Ailie Perry, Inez Perry, Sallie Mitchell, Oveda Bowden, Florine Hayman, Lillian Sykes, Denaze Meade, Isolene Moore, Edith Duke, Messrs. Arch Wilson, Elijah Wheelless, Zack Perry, Arthur Pearce, Johnnie Bowden, Monroe Carmean, Deward Strickland, Ewell Moore, Lee McGregor, Cleveland Stallings, Mark Hayes, Ralph Simmons, Rufus Bunn, Guy Moore, Will Morris and Wayne Creekmore.

The guests departed at a late hour declaring that the Freshes were ever the most delightful hosts and hostesses.

AVERAGE PRICE ON COTTON 26 CENTS FOR CO-OPERATIVES

Raleigh, Feb. 17.—An average price of 26.25 cents was received for 37,493 bales of short staple cotton sold by the North Carolina Cotton Growers' Cooperative Association, according to an announcement from the headquarters here.

This average represents prices on short staple cotton actually sold and delivered to date by the cotton cooperatives. It is stated, and does not include any estimated quotations on the hundred thousand bales yet to be sold. The cotton trade has been taking the lower grades for the most part. It is explained, and the cotton cooperatives still has its best grades on hand. The tendency to buy lower grades is declared to be due to the strong de-

mand, and as the supply of cotton in these classes become exhausted the demand will turn toward the better grades, which command higher prices. Reports from cotton trade centers this week indicate an increasing demand for cotton. Consumption figures show that more cotton is being used in America this season than last while the outlook for European consumption is considered much improved.

Altogether the Tar Heel cooperatives consider the situation as being favorable, and the officials of the association expect to return to the members a good profit over what they would have received had they sold during the rush season.

THE RIGHT WAY TO KILL GERMS

Here is a powerful and recognized disinfectant which kills the germs.

Is your cellar sanitary? Germs will multiply by the million overnight, in a damp, musty cellar. Make a solution of Red Seal Lye and sprinkle into all the dark corners, and all mustiness will immediately disappear, leaving your cellar fresh and sweet smelling.

If your kitchen sink does not drain quickly, here is an immediate remedy. Sift a little Red Seal Lye into the pipes. The lye will combine with the grease and dirt, forming a solution which will be carried off quickly by the water, leaving the pipes free and clean.

Housewives may save money by making their own soap. All that is needed is one can of Red Seal Lye and a quantity of waste grease or fat, such as would ordinarily be thrown away. The one can will make twenty cakes of pure soap at less than one cent per cake. See how quickly and easily Red Seal Lye will clean the wash-stand, tub or closet bowl.

Red Seal Lye is put up in handy round cans. It contains no filler or adulterations. It is absolutely pure. Send for the Red Seal Booklet which explains many recipes and uses of the famous Red Seal Lye. Write today. Ask your dealer for the old reliable Red Seal Lye. Take no other.
