MASONS LAY CORNER STONE

(Continued From First Page.)

which to live as typifying the spirit of Mr. Vann in this magnificent gift, stating that he is trying to live with in the meaning of "make the world better, more beautiful because of his having lived in it." The address was a strong one and greatly enjoyed.

The children sang The Star Spangled Banner, led by Mr. John A. Park, after which Rev. J. H. Shore pronounced the benediction.

Before the exercises began the members of Franklin Masonic lodge entertained the visiting Masons and others present at a most bountiful and delicious barbecue dinner, including a most appetizing menu in addition. All had a plenty and there was much to spare. It was prepared and served by a committee composed of Mr. Robert Rose and the Woman's Club.

The building was given in trust to a board of self-perpetuating trustees named from the official boards of all the churches of the city. The only stipulation of the donor is that the building shall not be used for political purposes.

While the Masons were opening

the Grand Lodge the First Regiment Band gave a most enjoyable concert on the grounds.

The Grand Lodge was in charge of Grand Master H. M. Potent, of Wake Forest, Grand Secretary W. W. Wilson, Grand Tiler W. D. Terry, assisted by the following local Masons: B. W. Ballard, J. C. Fogleman, R. D. Collins, Z. V. Reid, N. B. House, J. W. Daniel, E. H. Sawyer, E. A. Harris, C. T. Nicholson and Roy V. Williams.

To Col. Claude L. McGhee, master of ceremonies, A. H. Vann, chairman of the committee on grounds, E. J. Cheatham in charge of the materials in the corner stone, George Carmichael, chairman of finances, A. S. Joyner chief marshal, assisted by George Gilliam, Ben F. Wilder, H. R. Farris, L. W. Henderson and H. M. Jenkins, together with their efficient associates is due the credit for the successful carrying out of such a well arranged program.

It represented a day the like of which has never been seen before in North Carolina and one whose memory will long linger in the hearts of the many who were there. Even Providence smiled upon it in withholding the rays of the hot sun and yet not dampening the occasion.

DR. BAGBY DELIVERS

STRONG ADDRESS

(Continued From First Page)

of Miss Williams concerts this was one of the most pleasing of the evening. The many little girls who took a part, both vocal and instrumental, did well their parts, and reflected the work of an artist in their training, also showing a high degree of talent that if fully developed will bring happiness into many homes.

The Senior Class day exercises were held on Friday afternoon at five o'clock in the graded school grove. After quite a crowd had gathered to enjoy the entertainment the Sophomore girls marched in from the rear in double file bearing daisy chains while Miss Sallie Williams played a march at the piano. The Seniors followed the girls bearing the daisy chains and as they stopped in their appointed places the Seniors marched through the daisy files and took their seats beside the piano. Then the daisy chains were carefully laid in front of the Seniors, and the girls bearing them took their seats.

Mr. William Webb arose and made an introduction of the class membership. Next followed the history of

the class of '23 by Arch Wilson, after which the class poem was read by Anna Fuller Parham. The next number on the program was a duet played by Misses Louise Griffin and Anna Fuller Parham. The audience was then entertained by the jokes of Elijah Fulghum.

This was followed by the giving of each of the members of the class a gift by Miss Louise Griffin, each representing their character.

The Last Will and Testament was read by Miss Margaret Oghurn.

The class song "Alma Mater" was then sung by the class and the Seniors marched back through the daisy chain into the rear part of the grove. The occasion was full of wit and humor with a full share of seriousness and presented a program of much interest, enjoyment and profit to all whose privilege it was to be present.

Thus ended another successful term of Louisburg Graded School, under the skillful and efficient management of Supt. W. R. Mills and his efficient corps of teachers.

A Michigan man hit himself in the head eight times with an axe without breaking either.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILD TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.
