Severe Indigestion
"I had very severe attacks of indigestion," writes Mr. M. H. Wade, a farmer, of R. F. D. 1, Wade, Miss. "I would suffer for months at a time. All I dared eat was a little bread and butter... consequently I suffered from weakness. I would try to eat, then the terrible suffering in my stomach! I took medicines, but did not get any better. The druggist recommended
Theford's BLACK-DRAUGHT
and I decided to try it, for, as I say, I had tried others for two or more years without any improvement in my health. I soon found the Black-Draught was acting on my liver and causing the bowels to open.
"In two or three weeks, I found I could go back to eating, I only weighed 125. Now I weigh 145—but anything I want to eat, and by taking Black-Draught I do not suffer.
Have you tried Theford's Black-Draught? If not, do so today.
Over 5 million packages sold, a year. At dealers"

No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S FASTLESS CHILL TONIC given regularly for two or three weeks will cure the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off the worms, and the child will be in perfect health. Pleasant to take. 60c per bottle.

BE RID OF THAT ACHE
If you are a sufferer with lame back, backache, dizziness, nervousness and kidney disorders, why don't you try the remedy that your own neighbors recommend? Ask your neighbor?
Mrs. D. C. High, Nash St., Louisburg, says: "I was nearly down with my back and at times I could hardly get around my back pained so. I read about the good Doan's Kidney Pills were doing for others, so I procured a supply at Scoggin's Drug Store. About six boxes of Doan's cured me and my back has never felt lame since. I can recommend Doan's highly."
The above statement was given June 24, 1918, and on Dec. 17, 1921. Mrs. High added: "Whenever I have the least sign of kidney disorder I resort to Doan's Kidney Pills and always with the same benefit. I gladly confirm my former statement."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. High had. Foster-Milburn Co., Mrs., Buffalo, N. Y.

THE WRONG PICTURE
It seems ridiculous to hear politicians and labor agitators get up and tear the air expounding on the fight between labor and capital. To hear their speeches and public utterances, an unformed person would have a vision of the wealthy men in this nation hiding behind broadworks of money bags and fighting off starving millions who are trying to scale this wall of gold.
In the next breath, we read in our daily papers that a rich employer in New York has turned over his clothing business to a few employees. Automatically these employees must become the hated capitalists and take their places behind the barriers of gold, which in turn the workmen they hire will strive to tear down.
Is not this the wrong picture to flash constantly before the eyes of millions? Is not a capitalist and individual who has saved fifty or a hundred dollars and through wise investment, either in a peanut wagon, a lootblack stand or an industrial or government bond, caused that money to earn more dollars?
Is the man who saves one hundred dollars which he puts in a public utility or a sawmill property, where, with money contributed by hundreds of others like himself, it employs thousands of people at good wages, a bad citizen? Yet he is a capitalist just as truly as the man who invests a hundred thousand or a million dollars.
When there is removed the incentive for the man with one hundred dollars to increase that amount to one thousand and then to ten thousand dollars, and so on, there is also removed the chance of reward that is the stake for which the average able-bodied American strives.
The majority of capitalists today started as hard workers, and yet, according to the radical politicians and labor agitators, the salvation of the country lies in denying to others the chance which these men had to benefit themselves and, incidentally, humanity in general through the modern conveniences they have given to the humblest American citizen.
