

GIFTS FROM ALL OVER THE WORLD READY FOR YOU HERE

What a journey you would have if you traveled with Santa Claus while he was selecting the Gifts that are to go on the Christmas trees! For so great is the demand for new gifts, novel gifts, practical gifts and useful gifts, that Santa Claus long ago gave up the idea of making them all at his North Pole home.

So now he travels from country to country, selecting with the greatest care the Gifts that will prove most satisfactory to you and to me.

At the Christmas Store the best of all the Gifts, from nearly every country that supplies Santa Claus, has been assembled ready for you to examine and compare. The Christmas Store is ready!

It would be well worth our time to remember that when in the House of our Lord that reverence, manly conduct and worship should be our uppermost thought and aim. Thoughtless acts to produce laughter and distract attention should be condemned by all who strive to make our community worth living in. Parents, as far as possible, should attend the night services and see that their children act in a way that would cast only good reflection upon them.

Good tidings arrive often in regard to our own people who are away in other communities. This time it is in regard to Miss Irene P. Gupton who is teaching in Durham county. At a box party given a short while ago, her box brought the highest price and in the "beauty contest" she was easily winner.
