**-TAR DROPS-**

Nice rains visited this community the past week.

Its twins at the home of Mr. J. S. Wiggins near town.

Cotton was worth 33 1-4 cents in Louisburg yesterday.

A good crowd has been in attendance upon Court this week.

Quite a good number of our citizens who are Masons attended the Grand Lodge meeting in Raleigh this week.

The tobacco market is doing well in Louisburg for the time of year, still holding its lead with good prices and demands.

Information is given the Franklin Times that the Republican Executive Committee met in Louisburg during the holidays and recommended Mrs. Mary S. Hight for postmaster at Youngsville.

Chairman J. A. Mitchner has announced that the next regular County meeting of the Cooperative Associations of Franklin County will be held in the Court House in Louisburg on Saturday morning, January 26th, 1924 at 11 o'clock. At this meeting it is expected that many important and interesting questions, including fertilizer, will be discussed. All members, especially delegates, are urged to be present on time.

We would suggest to the Woman's Club, which always has an enthusiastic civic pride, to create a public sentiment sufficiently strong that it will have its effect in keeping our streets clean in the business part of town. To have the drive way of the streets swept every day adds very little to the neat and clean appearance when the sidewalks are used for storage, display and sales stands. Unless the sidewalks can be kept more clean it would be better not to clean the drive ways—the contrast will not be so great.

**TRUSTEE'S SALE OF LOUISBURG WAREHOUSE LOTS**

By virtue of that deed of trust made by W. H. and J. M. Allen to Wm. H. Ruffin, Trustee, dated Nov. 1, 1920, and recorded in Book 241, page 115-16, default having been made in the payment of the debt thereby secured, and demand having been made on the said Trustee for foreclosure, by the holder of the debt thereby secured, the undersigned will on

MONDAY, FEBRUARY 18, 1924, at the noon recess of Court at the court house door in Louisburg, North Carolina, offer for sale at public auction to the highest bidder for cash that

warehouse lot and easements known as the Farmers Co-operative Company's Warehouse situate in the town of Louisburg, North Carolina, and more particularly defined as follows: First. That certain lot or parcel of land situate on the east side of Main street in the town of Louisburg, bounded and defined as follows: Beginning at the corner of the J. F. Jones lot (now Farmers Co-operative Company's lot) and the C. B. Cheatham lot, formerly the Boatwright Prize House lot (now Allen Machine Company's lot) on Main street an iron stake; thence along the C. B. Cheatham line (now Allen Machine Company's line) S 58 E 234 feet more or less to the corner of the Tar River Manufacturing Company's lot, formerly the Cooper lot (now John S. Howell's lot) in the line of the S. A. L. Railway Company; thence along the line of the S. A. L. Railway N 26 3-4 W 279 feet more or less, to the corner of said railway on Main street; thence along Main street S 33 1-4 W 144 feet more or less to the point of beginning, it being the lot upon which is now situate an old dwelling house and a part of a brick Warehouse building.

And also together with the aforesaid lot an descendible, transferable and assignable easement in and to and upon that strip of land on the Southwest side or margin of the Depot site of the S. A. L. Railway, more particularly described as follows: Beginning at the Northwest corner of the foundation wall on Main street of the Warehouse now situate on said land, and running thence along Main street 23 feet to the line of the S. A. L. Railway; thence along the line of the said S. A. L. Railway N 26 3-4 E the full length of a Warehouse formerly on said lot 171 feet more or less; thence a line parallel to Main street and the first named line 23 feet to the northeast corner of the foundation wall of the said warehouse; thence a line parallel to the S. A. L. Railway line along the foundation wall of said warehouse 171 feet more or less, to the point of beginning, upon which was formerly located somewhat more than one-half in width of the Jones Tobacco Warehouse building and upon which is now a portion of said brick warehouse building, said easement being, however, limited to warehouse purposes only, by the decision of the Supreme Court in the case of Ruffin vs. Railroad 151 North Carolina Report, 330, which settled the title to the above described lot and right of occupancy under said easement. The said lot and easement being the same conveyed by Farmers Co-operative Company to W. H. Allen and J. M. Allen.

**The Other Man Will Save Your Money If You Don't**

It is easy to spend money; in many instances it is wise. Penurious saving is not thrift. A man who will deny his family or himself the necessities and comforts of life is not a thrifty individual.

However, there is a thought quite worthy of your consideration:

A DOLLAR NEVER RESTS UNTIL IT IS SAVED. Money will travel until it reaches the hands of a saver. Many of your dollars are now drawing interest in another man's savings account.

**Looking Ahead**

LAST Spring a total of 350,000 people were disappointed in not being able to obtain deliveries of Ford Cars and Trucks, as orders were placed faster than cars could be produced.

The demand for Ford Cars and Trucks this Spring will, according to all indications, be far greater than last Spring.

Winter buying has been increasing at a greater rate than ever before.

Actual retail deliveries the past 60 days totaled 308,170 Ford Cars and Trucks, an increase of 1,961 a day over a year ago.

Over 200,000 people have already ordered Ford products on our purchase plan, the majority of whom will take delivery in the Spring.

The above facts are given with the suggestion that you list your order promptly with a Ford dealer if you contemplate the purchase of a Ford Car or Truck for use this Spring or Summer and wish to avoid delay in delivery.
