If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Louisville testimony.

COMMUNITY CLUB MEETS The Community Club met last Friday night, February 15, at Gold Sand school building. The following program was rendered: Song—The Old North State. Story, The Three Bears—Lucy Stuart Parrish.

Rev. J. R. Everette the pastor of Cedar Rock Baptist church will begin a series of services on "The Ten Commandments" next Sunday, Feb. 24th. Come and learn about the beginning of the Bible.

In spite of the bad weather our Sunday school keeps going. We are striving for an A-1 Sunday school, and hope to receive the pennant in the near future. Visit us and enjoy the extra programs that are put on each Sunday morning and do your part for the advancement of God's Kingdom.

The W. M. S. Union will meet with the Society of Cedar Rock Baptist church on March the eighth at ten o'clock. We hope that the visiting societies will be well represented both in numbers and lunches.

C. R. H. S. is very fortunate in having Mr. Buck from Castalia to bring his moving picture machine in our midst every two weeks. On last Wednesday night, Feb. 13th, he entertained us with "The Sagebrush Trail" a picture of the wild and woolly west.

The Ninth grade pupils will present the play, "A Little Savage" in the school auditorium on next Friday night. This play is very funny and amusing. A good time is in store for all who attend. Admission 15c for children under twelve years of age, and 25c for all others.

Mrs. R. A. Jowalski has not us to attend to business affairs in Spring Hope. We miss her, but are glad to say that we are returning enough to have her with us on Sunday. On account of his business, Mr. Jowalski has been compelled to discontinue his studies at C. R. H. S. We hope that he can soon arrange to be back with his classmates and friends again.

Miss Beulah Stallings spent the week-end at home with her mother, who has been ill for several weeks, but who is much better now. Miss Stallings had her school on returning Sunday afternoon. Mr. Stephen Tharrington of Youngsville.

We are glad to report that Mrs. Wilson Dean has returned from Park View Hospital, Rocky Mount, and is now improving nicely. We hope she will soon be with us again in our church work.

Mr. Jerome Glasgow, one of the "Faithful Few" of our community is still in the Rocky Mount sanatorium. We hope that the skilled physicians will soon have him in a condition that will enable him to return to us.

Mr. Wayland Sledge of W. F. C. came home on Saturday afternoon as a great surprise to his parents, Prof. and Mrs. T. H. Sledge. That night he motored to Rocky Mount to meet his sister Miss Gladys Sledge now in school at E. C. T. C. and together they went to Red Oak where they attended a business meeting of the Alumni Association of R. O. H. S. of which Miss Sledge is President.

Mr. Phil Insoce playing the part of the "good Samaritan" as usual, took Misses Elma Lewter and Miss Oma Bliss Lewis on a flying trip to Nashville where they made a "pop" call on Mr. and Mrs. Boone of that city. In spite of the chauffeur being so inexperienced and the ghosts being so plentiful the trio arrived safely at the dormitory just as the clocks were striking twelve.

Rev. J. R. Everette has been in the habit of making pastoral calls at the dormitory since Christmas but we wonder what the nature of the call last Monday afternoon could have been, as there was no illness there.
