

### What My Neighbor Says

Is of Interest to Louisburg Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Louisburg resident. Who could ask for a better example?

Mrs. N. L. Moseley, says: "My back hurt badly and when I got down it was an effort to straighten again. Sharp pains often stabbed through my back, and my kidneys acted too freely. It was an effort to do my housework and at times my head swam with dizziness. Doan's Pills, from the Aycock Drug Co., rid me of the misery and I have had no trouble since."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Moseley had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Look what other southern states think of our Live-at-Home campaign. Let us "line up" with North Carolina that means sign up. Franklin County should be one hundred per cent live-at-home.

"The live at home program begun by North Carolina is meeting with hearty response in the State and is now being adopted by a number of other Southern States, according to Dr. B. W. Kilgore, Director of the Extension Service of the North Carolina State College of Agriculture and the Department of Agriculture. Mr. Kilgore is in receipt of letters from 5 other Southern states commending the plan and requesting all available information about it, so that similar movements could be inaugurated in those states.

Virginia is the latest state to adopt such a plan, Mr. Kilgore said. He has just received a letter from Professor John R. Hutcheson, Director of Extension Service at Blacksburg, saying: "Following your lead we are putting on an 'Agricultural Independence Campaign' in this state to begin the first week in April. I have asked the Governor to issue a proclamation in regard to the matter. I am therefore writing to ask that you send me a copy of the proclamation that the Governor of North Carolina used in regards to your campaign."

### PLAY AT CEDAR ROCK

T. H. Sledge, Principal.

A Duplin County farmer taught to cull hens by an extension worker from State College, culled out 25 hens for a neighbor. These were put in a fattening pen and laid seven eggs during ten days. The remainder of the flock is now producing more eggs than the original number because of more feed and better attention.

Tom Tarheel says that he wants to know if the man is a help to his community, rather than how rich he is.
