KIWANIS CLUB FOR LOUISBURG

Organized Thursday Night,
April 10th, 1924

At Banquet at Hotel Franklin, Forty-five Strong—Henderson Kiwanians Present and Conduct Organization.

It was a merry party at the Franklin Hotel on Thursday night of last week when a Kiwanis Club was organized in Louisburg with about forty-five members present.

Forty-three Kiwanians from Henderson had braved the extreme ugly weather and joined in the banquet and put on the stunts, that produced an evening of real fun.

To see old men and young men join in sports and tricks and all be young was well worth the price and the extreme teaching of friendship and brotherly sociability was charming and wonderful.

For over two hours there was something new and interesting going on. Among the fun providing stunts were the cracker eating contests, the chair walking contests, the singing contest, speaking, spelling and many others. The general good feeling that prevailed was especially contagious.

A Constitution and By-laws were adopted and the following officers were elected:

President—Arthur W. Mohn.
Vice-President—Felix H. Allen.
Secretary—Thomas W. Watson.
Treasurer—Hep M. Stovall.
District Trustee—Edward L. Best.
Directors—Benjamin T. Holden, Arthur W. Person, George W. Ford, Louis Kline, Fisher J. Beasley, William R. Jones, Andrew S. Davis.

Mr. Tom Bowles, of the Henderson Club, presided and proved to be a most excellent fitted for the position. He was assisted by Mr. Sam Allen, and short speeches were made by many among them being Mr. Joe Kittrell, President of the Henderson Club.

One of the amusing incidents was the effort on the part of the members in trying not to violate that rule that requires that all members shall call each other by their first names, or that there shall be no "strange" or "squire" fixes such as "Mr.", "Capt." or "squire" used. To violate this subjects the member to a fine.

The object of the rule, of course, is to remove as far as possible all obstacles between the members and to promote the closest social relationship.

The objects of the Kiwanis is first of all to promote that close knowledge of and friendship with each member that will cause each one to know and more fully appreciate his neighbor, but next to help to build up and make better in every way the town and community in which you live. It has high objects, its ideals are "hitched to a star" and even though a portion of its aims are attained it will be time and money well spent.

The new Kiwanians of Louisburg were pleased to have with them as their sponsor in its organization the Kiwanians of our neighboring city—Henderson.

For the present the meeting date and hour has been set for Fridays from 6:30 to 7:30 p. m.

Sixty-seven had signed applications for membership up to time of organizing and we understand many have joined since. Louisburg will no doubt organize a club of fully one hundred members.

MRS. EGERTON ENTERTAINS.

A most enjoyable evening was spent by the members of Circle No. 1, Supt. E. L. Best, Leader, at the home of Mr. and Mrs. W. D. Egerton on Monday night, when Mrs. Egerton was hostess. Quite a good number were in attendance.

Miss Hattie Mae Parker in her most charming manner, added much to the well arranged program with two of her favorite readings.

Among the business attended to was a motion to make arrangements to have every member present at the next meeting.

The reading of the reports disclosed the information that this Circle had raised in cash and subscriptions to the Superannuate Cause \$290.00, and had contributed through the Tithe envelopes \$49.65 within a period of five weeks, making a splendid record.

The immediate business before the Circle was to arrange for an Easter offering for next Sunday.

The Circle also decided to give their efforts toward the sale of tickets for the play in the interest of the Superannuate Cause to be held at the College.

The business being completed the guests were invited to partake of delightful refreshments, which were enjoyed to the fullest.

All were unanimous that Mrs. Egerton is a most excellent hostess.

BANKS TO OBSERVE EASTER

The banks of Louisburg will be closed on Monday, April 21st, 1924 to observe the Easter holidays. All persons having business with these institutions will bear this in mind.

TOBACCO GROWERS REACH OVERSEAS

Biggest Move Undertaken by 250,000 Organized American Farmers.

(S. D. Frissell)

Tobacco farmers 250,000 strong will be the first large body of producers from this country to reach hands across the sea in the effort to shorten the bridge between the American producers on the farms and the millions of consumers in foreign countries next month. On May 3 they send their best available representatives from the Tobacco Growers Cooperative Association of the Carolinas and Virginia and the Burley and Dark Fired Tobacco Associations of Kentucky and adjoining states to establish trade relations with the consumers of American grown tobacco in England, France, Germany, Holland, Czechoslovakia and other foreign countries.

Oliver J. Sands of Virginia, Executive Manager of the Virginia-Carolina and Bright Williamson of South Carolina, its vice-president will represent the organized planters of these states which send 60 per cent of their tobacco abroad at present. Judge Robert W. Bingham, founder of the Burley Tobacco Growers Association and President Cooper of the Dark Tobacco Growers Association of Kentucky will be with the commission which sails for Europe the first week in May.

The success of the organized tobacco farmers in selling their product to American manufacturers and dealers during the past two years has maintained a price for tobacco which has been more favorable than that received by the unorganized producers of other farm crops in the past two years. This has been done by means of a cooperative marketing which has assured the American manufacturers uniform quality in any quantity desired.

Now for the first time, American farmers controlling a large proportion of a leading staple crop will approach the millions of European consumers with the assurance that they can supply their wants with wholesale quantities of high grade products of guaranteed quality for uniform prices. The big tobacco associations are sending their best representatives and experts on a mission in which they are confident of success.

The continued success of the Tobacco Growers Cooperative Association in selling their product to American manufacturers was marked by the purchase of 3,500,000 pounds of their 1923 tobacco last week by domestic companies following other large sales during recent weeks. The demand for the association tobacco has made possible the recent distribution of \$1,600,000 to its members in the South Carolina belt and the announcement of two payments next month to the Virginia members who produce the dark-fired and sun-cured tobaccos. No immediate announcement of other payments is looked for until considerably more than half of the 1923 receipts of the tobacco association are sold, according to its directors.

B. W. Ballard Presides Over Convention

Delegates Elected to State, Congressional and Judicial Conventions at Democratic Convention in Louisburg Saturday.

Mr. Ben W. Ballard, of Franklinton township was called to preside over the Democratic County Convention held in the Court House in Louisburg on Saturday, April 12th, by Chairman E. H. Malone who had called the meeting to order, and A. F. Johnson was called as Secretary. After the formality of making the temporary organization permanent a roll call was held and resulted in a fine attendance, all townships being largely represented.

The Chairman stated that the object of the Convention was to elect delegates to the State Congressional and Judicial Conventions and otherwise take action tending towards producing more thorough harmony within the ranks of the party. After the announcement the chair stated that the Convention was opened to receive nominations for delegates and suggested that the nominations be made by townships.

The secretary was requested to call the townships, giving the number of delegates each was entitled to for both the State, Congressional and Judicial.

A motion prevailed making the delegates and alternates to the State Convention the duly accredited delegates to the other two conventions.

A motion prevailed providing that all Democrats from Franklin County who were in Raleigh on Thursday, April 17th, 1924, be invited to join the Franklin delegation and participate in the votes to be cast.

The following delegates and alternates were nominated and subsequently elected:

Dunn—J. O. Williams, J. M. Stallings, B. M. C. Mullen. Alternates—G. A. Alford, M. C. Pearce, W. A. Mullen.

Upon request for information by Dr. S. C. Ford the Chair stated that the delegates and alternates attending would cast jointly by townships, the vote of the county in the convention.

Mr. W. M. Person was recognized and delivered a short but strong and forceful speech in the interest of Democracy, telling of the attitude and feeling of the National politics. He stated that the National republicans had stolen over a billion of dollars from the government in the past three years. The speaker declared that the issue in the coming campaign would be taxes, both National as well as local. He declared himself as in favor of doing away with all tax free securities and a fair and equitable tax on all property and on all citizens.

Capt. P. G. Alston in a pretty and well deserved eulogy presented the following resolution endorsing Hon. Josephus Daniels for President, which was unanimously carried by a rising vote amid much enthusiasm:

"BE IT RESOLVED, That we, the Democrats of Franklin County in convention assembled, recognizing the signal service rendered by our distinguished Carolinian, the Hon. Josephus Daniels, in the past and feeling that the time has come when he should be called to greater service, do hereby endorse the Hon. Josephus Daniels for the nomination of President of the United States on the Democratic ticket, and recommend to our State Convention that the said Hon. Josephus Daniels be endorsed by the said State Convention for said office of President of the United States."

Mr. Person made many nice remarks complimentary to Mr. Daniels.

Chairman Ballard delivered a pretty and earnest tribute to Hon. Josephus Daniels and expected to see him nominated as the Democratic choice for the Presidency.

The Chairman requested the Chairman of the several township Executive Committees or their representatives to remain for a meeting for re-

HON. JOSEPHUS DANIELS

organization immediately after the adjournment of the convention.

Mr. Hugh Perry, Jr., the three year old son of Mr. and Mrs. H. H. Perry, of near Louisburg, was the youngest delegate present at the convention. ARTILLERY FROM FORT BRAGG HERE AFTER RECRUITS

Arrival of Detachment Announced by Firing of Famous French 75.

A detachment of the Second Field Artillery, from Fort Bragg, N. C., arrived from Nashville Wednesday afternoon and pitched camp in the Graded School Grove. The artillery on reaching the grounds fired a salute of six rounds from the French 75mm gun which is part of the equipment.

Lieutenants R. L. Gervais, J. W. Beck with twenty-five men and forty horses and mules compose the party. The equipment they have with them consists of one gun section, one headquarters section, a field messing outfit, a high powered radio set, real cart with telephone wire and fire control equipment, four line mule escort wagons, tents, fire works, and blank ammunition. During the evening the radio equipment gave a radio concert which was broadcasted from Louisburg. The position lights and the sound were the regulations signal lights as used on the front during the late war.

The visit of the detachment here is part of a special recruiting drive over the state to take the entire month. The party will hike about four hundred miles. Recruits going down to Fort Bragg now will be whipped into shape to train the National Guard and Citizens Military Training Units that will be at the Fort during this summer training period. This Artillery unit from Fort Bragg represents the only active divisional artillery in this Corps Area. At present they are about fifty per cent under strength and as the brunt of the artillery training falls on the Second Field Artillery the officers of the party emphasized the necessity for recruits.

AT BAPTIST CHURCH, LOUISBURG

Easter Sunday, April 20, 1924. Sunday School hour changed from 9:45 back to 9:30. Last Sunday we had 225 in Sunday School. On Easter Sunday let's have that many and more. As you read this say: "I'll be there, and bring some one with me."

At the 11 o'clock service Zeb Collins is to be baptized. You all know his past life and his present attitude. Am making reference to this that some of his life long acquaintances and friends from Cedar Rock may know about it and be present. One of our biggest opportunities in life is to encourage a newly converted person who is trying hard to make his life altogether worth while. At present Mr. Collins and family are happily located on Mr. Dave Pearce's farm, making a crop with him.

At the 7:30 service there will be a beautiful Cantata "Jesus Lives" rendered by the choir.

John Archie McIver, Pastor.

Gaping windows and sagging doors of abandoned farm homes in North Carolina furnish a challenge for a larger enrollment of boys and girls in agricultural clubs, say extension workers of State College.

You can grow nice peaches this year if you know how to protect them from the plum curculion. A card to Editor, Extension Service, Raleigh, will bring you a copy of Extension Circular 124 that tells how to do it.
