## \$54,000,000 CASH IS RAISED BY BAPTISTS

RETURNS ON 75 MILLION CAMPAIGN REPORTED TO CONVENTION—\$21,000,000 MORE NEEDED.

### NEW PROGRAM PROJECTED

Dr. C. E. Burts of South Carolina Named General Director—Dr. McDaniel Heads Delegation.

Dr. GEORGE W. McDANIEL, New President Southern Baptist Convention.

Up to May 1 Southern Baptists had contributed in cash on their 75 Million Campaign, the five-year program for the extension of their general missionary, educational and benevolent work, the sum of \$53,852,852.79, leaving a total of \$21,147,147.21 to be raised between now and the end of 1924 if the original goal of \$75,000,000 is attained. It is announced by the general headquarters.

When the status of the Campaign was reported to the Southern Baptist Convention at its recent session in Atlanta, the Conservation Commission was instructed to lay plans to complete the raising of the \$75,000,000 by the close of the present calendar year in order to clear the way for another forward program that will claim the support of the denomination during 1925.

Dr. L. R. Scarborough, general director of the Campaign, has been called back to Nashville to lead in the task of raising the \$21,000,000 additional needed to complete the Campaign goal. He will undertake with the assistance of the various state and associational boards, to effect an organization that will enlist every Baptist church in the South, representing a combined membership of 3,500,000, in a definite share in the completion of this forward program.

Approximately 6,000 messengers from every state in the South attended the Atlanta session of the Convention and the entire body voted unanimously to get behind the effort to raise the full amount of money needed to complete the Campaign.

Where Money Came From  
Here are the sources from which the \$54,000,000 collected so far on the Campaign has come: Alabama \$2,430,831.06; Arkansas \$2,922,747.90; District of Columbia \$256,257.91; Florida \$853,406.96; Georgia \$4,873,634.86; Illinois \$629,738.03; Kentucky \$4,926,800.29; Louisiana \$1,451,985.84; Maryland \$666,716.61; Mississippi \$2,789,708.78; Missouri \$3,240,746.14; New Mexico \$448,810.26; North Carolina \$4,511,014.81; Oklahoma \$1,348,096.48; South Carolina \$4,327,974.09; Tennessee \$3,749,281.53; Texas \$3,173,742.80; Virginia \$5,759,141.58; Special Home Board \$16,840.00; Foreign Board \$86,108.00; raised by foreign churches and expended by them on work there \$1,093,390.63.

Future Program Authorized  
At the same time Southern Baptist forces will be completing their 75 Million Campaign they will be launching the next program to follow the Campaign. At a session in Nashville the Commission on the future program designated it as "The 1925 Program of Southern Baptists" and elected Dr. C. E. Burts of Columbia, S. C., as general director, and Frank E. Burkhalter, Nashville, publicity director. The canvass for subscriptions for the 1925 budget, which will be for at least \$15,000,000, will be taken in the local Baptist churches the week beginning November 30.

Dr. George McDaniel of Richmond, Va., is the new president of the Southern Convention. Action by that body includes the taking over of the Southwestern Baptist Theological Seminary at Fort Worth, Texas, decision to defer for a year any action looking to a reorganization of the work of the general boards of the convention, instruction to the Education Board to continue negotiations looking to recovery of the Baptists of George Washington University at Washington, action to give larger consideration at next year's session to the interests of the country churchman, and the adoption of a vigorous program which will be forwarded to the president and secretary of state of the United States, against the persecution of Baptists in Russia and Romania.

**ONE FARM COMMUNITY BENEFIT-ED**  
The children in one rural district in the South have been fortunate during the past few years in having their six months term extended to a nine months term. The State Normal School at Troy, Alabama, according to a report received by the United States Bureau of Education, kept its elementary school open free of charge to the neighboring rural children during the three summer months. The district furnished the trucks and the normal school furnished the gasoline and driver for transporting the pupils. When this service was first extended to the rural districts they looked upon it with distrust. Attendance was optional. The misgivings rapidly cleared away as it is illustrated by the growth in number of the pupils along one of the bus lines. The load increased from six pupils the first day to 26 the second day, to 60 by the end of the fifth day.  
The pupils were classified on the basis of needs as revealed by standard tests. The regular rural course of study was pursued, each pupil beginning where he left off in the rural school. The normal school was glad to extend this service since its summer school students could thus see and get experience with the type of pupils they were to work among during the coming school year. The rural people were grateful for the service since it offered their children educational opportunities during a period equal to those received by the more fortunate urban children.

Meet your neighbor at the Farmers State Convention to be held at State College, July 23, 24 and 25. Plenty of good food both for brain and stomach will be served at this farm gathering.
