Poem by Uncle John

The things that "grow on a feller" ain't always an object of dread... unless it's tobacco or whiskey—or somethin' that flies to his head. It could be—e passel of whiskers—a covey of wrinkles or warts, for, the things that grow on a feller must be reckoned as different sorts. But—when it's the habit of savin' or the eatin' of regular meals, or—of takin' one's breakfast at sun-up, no matter how lazy he feels! It could be a hunger for readin' or solvin' the problems of life, like raisin' the boys as they should be, or of gettin' along with the wife. It might as well be somethin' noble as somethin' disruptive and bad, for the things that can grow on a feller should render him tranquil and glad! In the capable way of selectin' his risks to hedge with a whiz—the idea that grows on a feller will make him the man that he is.

THANKS
I wish to extend my deepest appreciations to every voter in Franklin County who gave me their support in the two recent primaries, and produced such a flattering vote. I would prefer seeing each person individually and telling them how much I appreciated their efforts, but that is impossible. I extend congratulations to my opponent and his many friends and I shall give my usual efforts in the fall to rolling up one of the biggest Democratic majorities we have ever cast in Franklin County. In the meantime I will say to my friends that I am encouraged by the nice vote I received and am now beginning my campaign for the nomination for Sheriff of Franklin County in 1926, and hope you other

voters may see fit to join me in that contest.
Again assuring you of my deepest appreciations for your efforts, I am,
Yours truly,
7-11-24 JAMES L. LANCASTER.
