NUMBER 49

LAST BIG VOTE OFFER ENDS SATURDAY NIGHT

Now is The Time For New Members to Enter and Pile Up Enough Votes to Win The Durant.

The Franklin Times is announcing another big vote offer lasting until Saturday night. The offer is as follows: For each and every \$30 worth of subscription payments turned in 165,000 extra votes will be credited. This is the last extra vote offer on \$30 clubs during the campaign.

Honor to Be in Campaign

It may be considered quite an honor to be identified with an organization such as the "Salesmanship Club" and given the privilege of competing with such representative people. The Times has always prided itself upon the fact that it caters to the very best people of this section.

So thousand dollars is the value of the prize list and there is a large number of valuable and attractive prizes. The fact that those who compete actively and fall to win one of the regular prizes will be paid a liberal commission upon every dollar turned in makes the campaign all the more attractive.

Prize Winning Easy

Prize winning becomes easier when there are many workers in the field as the work will be more evenly divided among them, and the person winning any of the big prizes can do so with smaller scores.

It is highly important however, that those who expect to compete and make a winning race, send in their nomination coupons at once. A good beginning means a good ending and as the campaign is to be so short, it is imperative that they begin immediately.

THE FOLLIES

The Follies, a musical and and minstrel number, was presented at the Graded School Auditorium on Thursday night of last week by local talent. Quite a large crowd was present and enjoyed the evening.

Wife of Lutheran Minister Whose Body Was Cremated in Furnace

Illustration shows late picture of Mrs. Addie Sheatsley and the furnace in the cellar of the home of the Rev. Clarence V. Sheatsley, pastor of the Christ Lutheran Church, at Columbus, Ohio, in which the body of the minister's wife was found cremated. The husband of the dead woman lays the death to suicide but the authorities hold that if death resulted from suicide the body was placed in the furnace after death.

Thanksgiving day is the time to put on sale the Christmas Seals with the double barred cross, the proceeds of which go to aid in the war against tuberculosis.

These seals are one cent each, and from now until Christmas no letter should leave our post office without one of them. No Christmas package is complete without several.

They are very attractive this year, and the gift you send means so much more if you use these seals. They are messengers all over the world, proclaiming the victory over the "white plague."

Buy the seals, use them now on your letters, use more as Christmas draws near, and have the added gladness to your yuletide cheer, because you have helped so much in the work to overcome tuberculosis.

You will find these seals on sale at all the drug stores, The Ladies Shop, Mr. Leonard's Jewelry store, Dr. Morton's office and all of the banks. Call for them as each of these places is anxious to further the sale, and will be glad to serve you.

THANKSGIVING OFFERINGS

Every member of the Baptist church who did not attend the prayer service Thursday morning is urged to bring your Thanksgiving offering for the Thomasville Orphanage to church with you Sunday morning November 30th.

Let this be your part in the fine plan the great Old North State has in encouraging every loyal son and daughter to give at the least the earnings of one day to some one of the orphanage of our State. This is a beautiful way to express our thankfulness to God for His countless blessings to us. JOHN ARCHIE McIVER, Pastor, Baptist church

LUCIUS EDWARDS PREACHES FINE SERMON

Baptist Church Filled To Hear Twenty-One Year Old Preacher On Sunday Night

Rev. Lucius Edwards, twenty one year old preacher, who was converted at a revival at Flat Rock Baptist church in 1923 in a class of eighty, and who was ordained into the ministry on Sunday, November 9th, preached an exceptionally fine sermon from the text "Go Forward" on last Sunday night at the Baptist church. This large and commodious structure was filled to overflowing to hear the young preacher and all felt that the evening was of great benefit to them. At the conclusion of the service an invitation was extended and one response was made.

Lucius is a student in the ninth grade at the Franklinton school and, we learn, expects to complete the high school, go to college and thence to the seminary.

KIWANIANS HAVE LADIES NIGHT

The Kiwanis Club held its "Ladies Night" banquet Friday night at the college with a great crowd and a delightful dinner. The hall was decorated in the club colors and behind a Thanksgiving setting. Eighty-eight plates were set. The program was well arranged and carried out with much festivity. Music was furnished by members of the club and their wives. Promptly at eight o'clock the fun began.

The first speaker of the program was Harry Johnson who delightfully entertained the gathering with a toast "to our wives." Harry was at his best in portraying the beginning of domestic relations tracing the same to our modern every-day living. There was much humor in his toast as time after time he was interrupted by laughter.

William Jackson followed him with a toast "to our sweethearts." As the toastmaster pointed out in his introduction that Jack was well fitted for his toast because of his wide experience in that line, he lifted himself to high heights by his wit and remarks. Time after time he was applauded in his eloquence as he told one experience after another to the delight of his listeners. Jack's talks and humor has always been a delight to his audience but he was far superior at this occasion than ever before.

Arthur Person gave a toast "to our college," he paid a high tribute to its president, and acclaimed it as one of the best of its class in the State. The college seniors and Juniors gave different selections between courses. Before desert was served there was two stunts. The men had to thread a needle and sew on a button in a given time while the ladies had to drive two nails in a board. Both contests were hotly contested. George Ford won the sewing contest and Mrs. Mohn was winner in the nailing. J. S. Massenbun delivered the prizes. A sewing ensemble to George and a small tool chest to Mrs. Mohn.

Favors were given out to each lady present. Finner Malone presented them to the guests. On each favor with a unique phrase which each recipient had to read to all. The banquet came to a close by singing the national anthem.

Miss Lawson is a most noted singer and her recitals are received with great appreciation wherever she appears. The following comment from Dean Chas. G. Maphis, of the Summer Quarter of the University of Virginia, will show how others appreciate her talent.

Mrs. Franceska Kaspa Lawson, soprano of Washington, D. C., has filled three engagements at the University of Virginia Summer Sessions. Each time she sang before large and appreciative audiences and was enthusiastically received. She has a beautiful voice of sympathetic quality and wide range, over which she has perfect command. To this she unites great interpretative and technical skill.

She has a pleasing and magnetic personality and charming stage presence, which, united with her excellent voice renders her exceedingly popular on the concert stage.

Her favor as artist is due not alone to her voice and personality, but to her ability to construct a highly artistic and instructive program. The many engagements she has filled in leading educational institutions are the best test of her ability and popularity. Louisiana people will have the opportunity of hearing Mrs. Lawson Thursday night, December 4th. The admission will be 35, 50 and 75 cents.

SCHOOL FOLKS ORGANIZE

MR. A. F. JOHNSON MADE PRESIDENT

Mrs. W. E. White, and Mr. J. H. Weathers, Vice Presidents; Mr. C. C. Winston, Secretary—Holds First Meeting At Louisburg Graded School—Meet Next At Franklinton

A most interesting meeting was held in the offices of Louisburg Graded School on Monday night by quite a number of the school trustees and members of the Board of Education. Invitations had been previously sent to all the Trustees of the special chartered schools, all the high schools in the county and members of the Board of education. The object of the meeting, which was to discuss the wisdom and practicability of forming an organization with the ultimate view of helping all to better understand the school work, and to create a more enthusiastic cooperation among the several school bodies of the county with the betterment of the work and larger advantages to the children as an aim, was explained and discussed, after which it was unanimously decided to perfect an organization.

Mr. A. F. Johnson, chairman of the County Board of Education, was elected president. Mrs. W. E. White, of the Louisburg Graded School, and Mr. J. H. Weathers, of the Bunn High School, were elected vice presidents; and Mr. C. C. Winston, of the Youngsville Graded School, was elected secretary.

A program committee was appointed as follows: Supt. E. L. Best, chairman; Mrs. C. C. Pippin, Bunn High School; Mrs. Fred Cheatham, of Youngsville Graded School; Mr. A. H. Vann, of Franklinton Public School; Mr. A. A. Medlin, of Epsom High School; Mr. G. B. Egerton of Gold Sand High School; Mr. J. O. Sledge, of Cedar Rock-Cypress Creek High School.

It was decided to have regular meetings on the second Monday nights in each month and that the meetings be held with the different schools as invitations may be extended. The meeting for the second Monday night in December will be held with Franklinton School Trustees at Franklinton at 7:30 o'clock.

The selection of a suitable name for the organization was deferred to the next meeting. All members of trustees and committees of the Special Chartered Schools and High Schools in the county are eligible and expected to be members.

After completing the organization the "relations between the County Board of Education and the Special Chartered Schools" was discussed as the topic for the evening and was freely entered into by all present resulting in much information to quite a number present, who had not had opportunity to freely acquaint themselves with the question.

It developed in the discussions that the possibilities of such an organization as this for good in the school work of the county is almost unlimited and the suggestion met with a hearty enthusiasm that will no doubt bring about much good to the school system and much information to the membership.

Although the night was shrouded in one of the densest fogs that is ever witnessed in this country, representatives from the following schools were present: Bunn High School, Franklinton Public School, Epsom High School, Louisburg High School, Board of Education.
