COLLEGE OBCHESTRA

GROWING RAPIDLY

The Orchestra at Louisburg The Orchestra at Louisburg College is taking on new life with the coming of the New Year. Already a considerable number of instruments have been purchased including a Double Base, a Viols. Drum outst, Cornets, Trombone and Violis. These instruments will be rented to the sudents thus allowing them to secure lessons free of the expense and the responsibility of buying an instrument. The Orchestra already has enough engagements in the surrounding towns to take all their time dur-At Franklinton

Manuals and passed a written examination, for which they will be awarded a B. Y. P. U. diploma preaching service. Let every one be present to receive his diploma.

Supper was served at the church to 561 people—no group of women ever did more effective work in this capacity than did our own women. All who attended the school, and all others interested in young peoples work are urged to be at the Baptist church Sunday evening promptly at 6:30. Remember that gives only 30 minutes for the organization of the three B. Y. P. U's., and to make all plans for launching the work.

DR. GEORGE HOWARD

At Franklinton Monday Night; Delightful Refreshments Served By Home Economics Class.

The regular monthly meeting of the The regular monthly meeting of the Board of Education and High School Trustees of Franklin County was held with the Franklinton Public School on Monday night. About fifteen were present and a most interesting meeting was held. Mr. A. H. Vann, Chairman of the Program Committee requested Supt. E. L. Best to take charge of the meeting, who explained in an of the meeting, who explained in answer to a question from Col McGhee the transportation problem. Mr. How-ard stated that North Caro. was transporting more children than any state in the Union. Mr. Best also told about the new educational bill for Franklin County telling that it only placed Franklin County exactly as it was two

mears ago.

Mrs. W. E. White and Mr. A. H. Vann were appointed a Committee to select a name for the organization and

report at the next regular meeting.
President A. F. Johnson then introduced Mr. George Howard, Director of County School Organization of the State Department of Education, who spoke enthusiastically and inter-estingly of the school conditions of Franklin County. In his talk he presented many figures and facts he gained in making the survey of Franklin County last Spring, and commended the County plan adopted by the County Board two years ago. He stated that out of 806 children in the first grade in Franklin County in 1912 only 14 completed High School last year. He was generous with congratulations to Franklinton for magnificent school building and the magnificent school building and the interest its people were taking in school matters. The most interesting question before the meeting was the possibility of establishing a County-wide School for eight months at no appreciable extra cost to the citizens. Mr. T. W. Ruffin was requested to meet a delegation from Franklinton and get all the information in concrete shape to present to tion in concrete shape to present to

the next meeting.

After the meeting adjourned to meet next with the Louisburg High School most delightful refreshments were served by the Home Economics Class of the Franklinton School un. der Direction of Miss Murchison, including chicken salad, salted crack-ers and coffee with cream. The entire evening was greatly en-

joyed by all present.

PROF. McMILLAN SPEAKS TO KI- Mrs. T. C. Alston, WANIS

Cooperation was the subject to be descussed at the luncheon of the Louisburg Kiwanis Club at the Franklin Hotel on last Friday with Director M. Stuart Davis in charge of the pro-gram. Prof. McMillan, of Wake For-est College, presented the subject in a most unique way, taking the posi-tion that it was in the small town that co-operation was in practice in its truest form.
