### HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of gripple, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nausealess Calomet tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomet, heretofore recommended by physicians.  
One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

### William H. Green.

William H. Green; died Saturday, February 28, 1925. Once again a Brother Mason having completed his work, according to the designs written on the "Trestle Board" of life, by the All-wise Architect and Supreme Ruler, and putting aside the plum, level and square, he quietly stepped aboard the outward bound vessel and passed to the shores of that Country from whose bourne no traveler returns and,  
Whereas, in His mercy and goodness, the Master has withdrawn from our midst our esteemed Brother and granted him time for refreshment and sleep, and he having been a true and loyal member of our Lodge and Order.

Therefore, be it Resolved: That Youngsville Lodge No. 377 A. F. and A. M. of Youngsville, N. C. in testimony of her loss, do wear mourning for thirty days in memory of our departed Brother, that a copy of these resolutions be spread upon the minutes of the lodge, and a copy be sent to the family of our deceased Brother and a copy be sent to The Orphan's Friend, at Oxford, and also to The Franklin Times, for publication.

Fraternally submitted,
