ARE YOU A RIDER OR WRESTLER?

Does Franklin county boast a good broncho rider, steer wrestler or calf toper? Or a fellow adept at trick and fancy riding? He may now be covering a policeman's beat, employed as delivery man for a moving concern, clerking in a store or holding down an office job, but if he still has the spirit of the plains and ranges in him and thinks he's no back number, he's wanted. The Chicago Association of Commerce is putting on a "Roundup" August 15 to 23 and has asked the help of this newspaper in finding persons formerly having a part of the life of the great West. Thirty thousand dollars in cash purses, in addition to world's championship titles, belts and trophies will go to the victors of the "Chicago Roundup" which is to be held in the Grant Park Stadium under the direction of Tex Austin, famous rodeo man and it is thought that there may be some one in Franklin county who is still good enough to try and run away with a part of this money. The "Roundup" marks Chicago's debut as the rodeo capital of America. Cheyenne and Pendleton have been the two great rodeo centers of the country; hereafter there will be three, with plans laid to make Chicago the greatest of all. Chicago, the greatest cowboy town and business center, is cut to outdo itself in the scale of its "Roundup," and the cream of rodeo talent will be there. All the traditional events of the Western epic will be staged, with entries from all over the country, Canada, Mexico, Argentine and Australia. There will be none of the "circus" atmosphere at this rodeo, it is announced. No paid performers. It is a free-for-all and open to the world and those who think that they still have some of the blood of the West in them will never have a better chance to prove it. Arrangements are going forth for the entertainment of "Roundup" visitors from this and other localities on a scale unheard of in the annals of American business. The town will be in festive humor and all comers from the least known to the most prominent are awaited by a tremendous welcome. Any person or persons here who think they might be interested in entering the "Roundup" lists may secure a complete prize list and rules by writing the Chicago Association of Commerce.

Some boys don't take after father because his gait is too slow for them. Lots of people get spring fever before the weather gives them a chance. **HAVE YOU EVER NOTICED THAT THE MERCHANT WHO SENDS IN THE COPY FOR HIS AD EARLY ALWAYS HAS THE NEATEST AD!**
