HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of gripe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseous Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

Cramped and Suffered

"My back and head would ache, and I had to go to bed," says Mrs. W. L. Ennis, of Worthville, Ky. "I just could not stay up, for I would cramp and suffer so. I was very nervous.
