

WOMEN BE WISE!

Keep a Bank Account

MANY WOMEN keep too much money in their homes subject to theft.

BESIDES, nearly every day you read of lost or stolen purses containing large amounts of money.

ALL of this can be prevented by having a checking account with this bank.

EACH CHECK SHOWS:

- The Date
- The Amount
- Whom Paid To

YOU will have a receipt and a record showing all of your transactions.

YOU will appreciate more than once having such an easy system for the things that your money goes for.

Faces fire without flinching

It takes a mighty good oil to stand the withering blasts of burning gases that whirl past the cylinder walls hundreds of times a minute. Long experience in refining has taught us how to give oil that quality.

"STANDARD" Polarina MOTOR OILS

Based on over 50 years' experience.

Give the Chinese enough time, and they will have a civilized up-to-date war yet.

Crimson Clover Seed at L. P. HICKS. 7-17-2t

There's a silver lining to every cloud. Suppose you had to lather the grass before you cut it.

It costs more to raise pigs on a dry lot than it does on pasture. The Kansas Experiment Station finds that it requires 11 per cent more corn and 67 per cent more protein to make 100 pounds gain in a dry lot than on alfalfa pasture.

It doesn't pay to quarrel with the telephone girl because you'll be outnumbered.

To Cure a Cold in One Day
Take LAXATIVE BROMO-QUININE (Tablets.) It stops the Cough and Headache and works off the Cold. E. W. GROVE'S signature on each box. 30c.

CENTRAL ASSOCIATION B. Y. P. U. MET AT BRASSFIELD

On Sunday, June 25, the Central Association held its regular annual meeting at Brassfield. The meeting was called to order at 10 o'clock by President John Morris. Following the song service which was led so nicely by Mr. Claude Allan, a splendid devotional was conducted by Miss Thelma Goodwin, of Raleigh.

Mr. Perry, of Wake Forest was appointed by the Program Committee to preach the associational sermon at 11 o'clock, but on account of some misfortune Mr. Perry did not come. So the president asked Rev. Lucius R. Evans, of Franklinton to preach. Mr. Evans preached a fine sermon from Gal. 6:14 in which he urged the young people to glory in the cross of Jesus Christ.

At 12 o'clock the meeting adjourned for lunch. An abundant dinner was displayed which was greatly enjoyed by all present. The hospitality of the Brassfield people will long be remembered by the young people of Central Association.

At 2 o'clock the meeting assembled for the afternoon program. The song service was led by Mr. Claude Allan. The devotional was conducted by Mr. W. C. Stephenson, of Woodland. At 2:30 the roll of Central Association Churches was called by W. F. Jones, of Wake Forest which delegates from various Churches responded.

At 2:45 the reports of Committees were made. The committee appointed to nominate officers were Miss Thelma Goodwin, of Raleigh; Miss Elizabeth Harris, of Youngsville, and Mr. Lucius Evans, of Franklinton. The officers nominated and elected for 1925-26 for president, Mr. L. L. Freddy, of Franklinton.

For vice president, Mr. L. R. Evans, of Franklinton.

For Secy-Treas, Miss Grace Young, of Wake Forest.

For Junior and Intermediate leader, Miss Effie Tharrington, of Youngsville.

For Chorister, Mr. Hurmus Pearce, of Rolesville.

For District presidents the following were elected.

District No. 1 Mr. Prescott Jones, Windell.

District No. 2 Mr. Eric Jones, Raleigh.

District No. 3 Mr. Zollie Woodlief, Wake Forest.

District No. 4 Mr. Hubert Mitchell, Youngsville.

District No. 5 Mr. William Cyrus, Louisburg.

District No. 6 Mr. Winston Pearce, Youngsville.

The committee on place for next meeting suggested Woodland the fourth Sunday in June 1926, and Dr. Bagley, of Wake Forest to preach the sermon.

The committee on Resolutions were Mrs. H. E. Davis, Mrs. A. T. Lancaster, and Mr. W. C. Stephenson. They were as follows:

1. For the more effectual training of our young people in the Master's service, be it resolved that each B. Y. P. U. in the Central Association make prayerful efforts to attain the Standard of Excellence and that we have as our goal at least fifty per cent of B. Y. P. U.'s-A-I.

2. That every B. Y. P. U. member do his or her part in the Unified program for Southern Baptist for 1925-26 and what ever our convention adopts.

3. That we each attend and use our influence to make the Annual Convention the largest event of Central Association.

4. That we try to organize a B. Y. P. U. in each church in the association.

5. That we have the Proceedings of our convention published in the Minutes of the Association.

6. That all associational committees be appointed at the last quarterly meeting of the year to report at the annual convention.

7. That we extend our appreciation to all out going officers for the valuable service rendered the association for the past year.

8. That we thank the Brassfield Baptist Church for their courteous hospitality in connection with our meeting today.

At 3:15 the new officers were installed and prayer of dedication was offered by Rev. Lucius R. Evans. At 3:30 address by W. F. Jones, of Wake Forest.

At 3:50 the convention adjourned to meet again the fourth Sunday in June 1926 at Woodland Baptist Church.

Committee.

LOUIS E. WINSTON AT C. M. T. C.

Fort Bragg, N. C. July 20.—The Candidates of the CITIZENS' MILITARY TRAINING CAMP were undaunted by the rain and swept by with honor before the Governor of North Carolina at a formal review on Wednesday, 15th July. The Governor expressed himself as never witnessing a finer display of representative manhood in any camp. The lines were unbroken, heads were up and 1,000 young men swung past the Executive as a demonstration of preparedness. The regular officers did not participate in the review and the CMTC was commanded entirely by candidates. Among the North Carolinians who acted as officers were V. R. White, of Mebane; H. S. Berry, of Elizabeth City and J. H. Fink, of Cumberland County.

A consecutive instruction schedule has been followed and the results have been above the expectations of the instructors as there has been no rain to interfere with the training. The Basics have specialized in rifle instruction, guard duty, studies in citizenship, shelter tent pitching, first aid, rifle firing and inspection. The Red Course has had instructions regarding the mechanism of the French '75 and a maximum of mounted drill. The White Candidates, progressing from elementary work of last week, have concentrated their attention on communications, mounted instruction, map work, fire control instruments and sketching, while the Blue or Senior candidates were receiving courses to prepare them for actual firing of

the 75s on the Artillery range.

Athletes of every type was in the fore the past week.

Among the candidates who distinguished themselves was Louis E. Winston of Franklinton who is on the Board of Editors of the CMTC Annual.

During the coming week finals in tennis will be played, semi-finals in boxing and intensified work will be done by the American Red Cross in qualifying life savers and swimmers. On Saturday, 25th July, will be the annual CMTC field and track meet. Medals will be awarded the winners and formal presentation will take place on Visitors' Day, 29th July. Rivalry is keen between the different units and it is anticipated that existing records will be broken by this year's candidates.

Every night some type of entertainment is provided so time does not hang heavily on the hands of the young men. Impromptu concerts are also given by volunteer student entertainers. Due to the success of last week's dance another one was given on the 20-1 Saturday night under the supervision of Mrs. Willis, the CMTC Hostess.

According to Major Henry C. Coburn, Jr., CMTC Surgeon, the health of the men is better than at any previous

camp there being 20 cases of serious illness to date. As only cases coming to his attention are ailments of a very minor nature.

The army cry of "when do we eat" is being satisfied in a manner as to leave no doubt in the stomachs of the candidates. Included in the weekly requirements for the camp are 1200 lbs. coffee, 2 tons fresh beef, 2 tons bread, 9000 parker house rolls, 500 lbs. fresh vegetables, 6 tons potatoes, 500 lbs. fresh pork, 1-2 ton sugar, 50 cases canned vegetables, 600 lbs. chickens, 80 gallons ice cream and 25 cases breakfast foods. A total of \$5,000 per week is being expended for food for the candidates.

Preparations are being made for a banner crowd on Visitors' Day, 29th July, and the parents and friends of the CMTC candidates are urged to visit the young men on that date at Fort Bragg.
