Practical Instructions in HOME SEWING

by Ruth Wyrth Spears

ADJUSTING GATHERS

When the band is cut, turn and crease all its edges. Divide it first into halves, then quarters, eighths, and sixteenths and mark these divisions with pins as I have shown in sketch A.

The next step is to divide the material to be gathered onto the same number of divisions and also mark with pins. Then run in your gathering thread and draw the material up so that its markings exactly match those of the belt as shown at B.

When the gathers are pulled down straight and basted to the belt, remove the pins and fold the belt over, being sure to crease it exactly through the centre as at C. Then stitch as shown at D.

READERS--RUTH WYRTH SPEARS' illustrated pamphlet "CLOTHES ETIQUETTE" is free. She'll answer your dressing problems. Write her in care of this newspaper, enclosing stamp for pamphlet.

For All The Family

"We use Black-Draught in our family of six children and find it a good liver and bowel regulator," says Mrs. C. E. Nutt, of Mineral Springs, Ark. "I have taken it myself in the last two or three years for indigestion. I would feel dizzy, have gas and sour stomach, also feel a tightness in my chest. I'd take a good dose of

Liver Medicine

when I felt that way, and it would relieve me, and I would feel better for days.

"My husband takes it for biliousness. He says he has never found its equal. When he has the tired, heavy feeling, he takes Black-Draught night and morning for a few days and he doesn't complain any more.

"I sure do recommend Thorford's Black-Draught."

Your liver is the largest organ in your body. When out of order, it causes many complaints. Put your liver in shape by taking Black-Draught. Purely vegetable.
