Soon Felt Improvement

"The first time I took Cardui I was in an awful bad way," says Mrs. Ora Carlile, R. P. D. 8, Troup, Texas. "I went fishing one day. A heavy storm came up and I got soaking wet in the rain. I was afflicted with awful smothering spells. I could not get my breath. My mother had some

in the house that she was taking, so she immediately began giving it to me. In a few days I got all right. "Last fall I got run-down in health. I was weak and puny and I began to suffer. I would get so I could hardly walk. Having taken Cardui before, I sent to the store for a bottle of it. Almost from the first dose I could feel an improvement. "Cardui has helped me a lot and I am glad to recommend it. I don't feel like the same woman I was last fall. My appetite is good now, and I'm sure it's Cardui that's made it pick up." Practical Instructions In HOME SEWING

By Ruth Wyeth Spears

MAKING NEGLIGES

They are so simple you will not need a pattern. The dainty model at the upper left should be made of crepe de Chine or other soft material trimmed in lace about an inch and a half wide. It is held in place at the waist with double faced satin ribbon of harmonizing tones. As shown at the right, two lengths of material are all that is needed to make it. The coat-style of negligee shown at the lower right is also very easy to make. It is entirely constructed of straight pieces of materials as shown in the chart at the left. Brocaded silk, silk corduroy, velvet and flannel are often used. In the model shown here the collar is made of contrasting material to match the facing of the sleeves. No Worms in a Healthy Child
All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less general debility. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and set on a General Strengthening Tonic to the whole system. Nature will then throw off or digest the worms, and the child will be in perfect health. Pleasant to take. See bottle.

The homeless children of Russia are said to be a problem. Must be, for many with homes are in the problem class.

Advertising has proved its way with business men and now farmers are learning something of its value. A carefully planned, business like advertising campaign will pay good returns on the money invested.

At the present prices of material, cream producers cannot afford to buy high priced legume hay for roughage, say dairy extension workers at State College.

Another Louisburg Case!

Time-tested by a Louisburg Resident.

Just another report of sickness and suffering relieved by Doan's Pills. Another Louisburg case that tells of lasting benefit. What can be more convincing? Thousands recommend Doan's for backache, rheumatic pains, headaches, dizziness and distressing urinary disorders. Doan's are a stimulant diuretic to the kidneys. They have helped thousands and should help you. A Louisburg case:
Mrs. F. L. Herman, Church St., says: "My kidneys bothered me a lot. I heard a great deal about Doan's Pills, so I got some at the Apocoe Drug Co., and they cured me of all the trouble."
OVER THREE YEARS LATER, Mrs. Herman said: "Since Doan's cured me I haven't been bothered with my kidneys."
Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Herman had. Post-Opium Co., Mfgs., Buffalo, N. Y.

Judging others by your own standards is often fair.
