

W. C. STALLINGS NEW SANITARY OFFICER GUILFORD COUNTY

The people of Franklin County will be interested to know that W. C. Stallings who has recently been connected with the State Child Welfare Commission, has accepted the place of Guilford county sanitary officer, and took up his duties as such March 1st. Mr. Stallings has never held the position as sanitary officer, but he has had considerable experience in work of like nature, and the Guilford board of health considers itself fortunate in being able to get him. Mr. Stallings will work in conjunction with Dr. M. M. Bule, county health officer in an attempt to eradicate as far as possible the causes of diseases in Guilford. This will be the first whole time health officer Guilford has ever had.

To Stop a Cough Quick
take **HAYES' HEALING HONEY**, a cough medicine which stops the cough by healing the inflamed and irritated tissues. A box of **GROVE'S O-PEN-TRATE SALVE** for Chest Colds, Head Colds and Croup is enclosed with every bottle of **HAYES' HEALING HONEY**. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 30c.

Just ask your druggist for **HAYES' HEALING HONEY**.

About the only shrinkage in the money situation in this country is in the number of people who are able to hold on to it.
