The following letter is sent to the club women of the county by Mrs. Estelle Smith who will have charge of the Farm Womens Short Course this year:

Goldsboro, N. C., March 12th, 1926.

My Dear Co-Workers: I am writing to ask your cooperation in making the Short Course for Farm Women a great success this year.

This Short Course will be held June 14th-19th inclusive.

There will be a course for women leaders and a course for other farm women. Every club should have at least one representative at the Short Course.

No woman will be allowed to take more than two subjects. The subjects to be offered are:

1. Food and Nutrition, which will include the selection and serving of meals. Instructors: Miss Mary E. Thomas, Mrs. Morris, Miss Ferguson, and Miss Bridge.

2. House Furnishings, which includes painting and refinishing furniture, and trips to local farms to see furnished rooms. Instructors: Miss Estabrook, Miss Creighton, Miss Pauline Smith, and Miss Holmes.

3. Arts and Crafts. Every woman will enjoy this class in the afternoon before a trip over to Raleigh to some store, institution, or place of interest. Mrs. Gordon and Miss Horne will have this class.

Mrs. Cusick will have charge of the recreational work with a "good time" planned for each evening, when every woman will forget her cares.

Very sincerely yours, ESTELLE T. SMITH, District Agent.

State College has gotten out a new poultry bulletin, "Natural and Artificial Incubation" by Dr. B. F. Kaupp. Copies of this bulletin can be obtained at the demonstration office.

Wood Girls' Club

In the absence of the president, Wilma Gupton, presided at the girls club meeting at Wood Wednesday morning. Honor members remembering to bring material for the sewing lesson were Cleo Griffin, Leona Raynor, and Eula and Doris Wester. After the sewing lesson the home agent spent a few minutes in discussing the different classes of food.

Pilot Womens' Club

Twenty-one members were present at the womens club meeting at Pilot Wednesday afternoon. After the business session the home agent talked on the twelve months home garden. Several members will try some new vegetables this season and report the results to the club.

White Level Girls' Club

The different classes of food was the subject of the lesson at the girls club meeting at White Level Thursday afternoon. The work with foods followed an interesting program given by the club. The treasurer reported the receipt of \$7 prize money won at the county fair last fall. It was decided to have a club picnic early in April. After a discussion of the State Girls Short Course a motion to send a representative from Seven Paths Club carried. Bertha House had the honor of being elected representative. After work in sewing had been inspected the club served refreshments.

Sandy Creek Girls' Club

Eleven members were enrolled at the first meeting of the Sandy Creek Girls Club. At the meeting on Tuesday eleven well made cup towels were handed in. Has any club a better first lesson record than this? The work in sewing was followed by a lesson in weights and measures.

COLE PLANTERS and DISTRIBUTORS have grown in popularity and favor with the trade until it is next to impossible to supply the demand. There is a shortage every year. THE SPOT CASH COMPANY has just unloaded a car of these implements in the various models and any one needing a COLE PLANTER or DISTRIBUTOR should purchase at once.

It is also well to look over your implements at this season of the year and place your order for any necessary repairs or you may be delayed in your planting.

THE SPOT CASH COMPANY, Louisburg, will be glad to handle your order of repairs. 3-12-26
