BUNN WINS AT BOTH PLACES

Both the negative and affirmative debaters for Bunn High School won out in the triangular debate last Friday evening. The affirmative was upheld by Clarice Dickerson and Wesley Montgomery, who spoke at home, the negative being represented at Cedar Rock High School by Evelyn Brew er and Hamilton Hobgood.

This is the first time Bunn has ever won both sides of the debate, and the faculty, students and patrons of the school are justly proud of the debaters, who won and because of their thorough and untiring work.
