

TO LEAVE JULY 12TH

For Farmers Tour Through Shenandoah Valley to Washington, D. C., and Return

A very enthusiastic meeting was held in the Farm Agents office last Monday afternoon, at which time final arrangements for taking the farmers tour from this county to Washington, D. C., via the Shenandoah Valley of Virginia, were made. We decided to make the tour by busses, leaving Louisburg early Monday morning, July 12th, returning Saturday night, July 17th. It is the plan now to cook supper and breakfast at camp headquarters and buy our dinners ready prepared.

July 1st is the last date applications for the tour will be received and each

applicant will be required to deposit \$15 on or before that date to retain his reservation on the bus. Decide now to take the tour and make application for same at your earliest convenience.

Following is the list of applicants to date who plan to go on the tour: Henry Mitchell, J. T. Inscoc, T. H. Dickens, M. D. Wilder, Nick Perry, Walter Strange, N. H. Ayscue, Geo. Cook, C. T. Hudson, Sam Nash, Alton Wilder, Ernest Harris, J. F. Parrish, J. D. Newman, W. A. Mullen, C. R. Bohanon, F. E. Boyd, J. O. Purnell, Blount Egerton, A. H. Fleming, A. H. Harris, A. F. Johnson, Arthur Strickland, J. S. Wilson and M. G. Smith.

What's the difference between mowing the grass and clipping it with a golf club?

Another "Bull" Durham advertisement by Will Rogers, Zigfield Folles and screen star, and leading American humorist. More coming. Watch for them.

The Farmer Can't Stand Much More Help Like He Has Been Getting

Congress say they are helping the Farmer. They are in Washington ON salary. He is home trying to pay it. Farmers have had more advice and less relief than a wayward son. If advice sold for 10c a column, Farmers would be richer than Bootleggers. And when they get all through advising, there is just one thing will help the Farmers. That is eliminate some of the middlemen and let the two ends meet. The Consumer and the Producer are two men in America that have never even seen each other. Cut out the middle and tie the two ends together.

When a steer starts from the feed pen to the table, there is about 10 to take a bite out of him, before he reaches the family that pay for him.

Who wears the best clothes or drives the best car, the fellow who raises a bushel of wheat, or the working fellow who goes up to buy a sack of flour? Why neither one of them. The ones in between these two have their private Tailor and "Straight Eights."

The Government just told Agriculture, "You are in a hole." They didn't offer to pull them out, but they did say, "We will get down in there with you."

I want to tell you right here, I don't know what would have happened to the poor farmer if it had not been for his old friend, "Bull" Durham. It's the only thing he has been absolutely able to rely on. And I want him to know that myself and "Bull" Durham are with him right to the poor house door.

P.S. There will be another piece here a few weeks from now. Look for it.
