Yes, I Want Your Vote

But it is not my desire to take up your time or to annoy you about it. I am glad the time has come when the people of the County do not have to be told how to vote.

There is no honor to any office that can be bought, or even by promises, that are impossible to keep.

I most want to see the man elected, who is the choice of the majority of the people.

It will be impossible for me to make a house to house canvass as circumstances and the duties of my office will not permit. But I assure every lady and gentleman voter in the county that your support will be appreciated.

If you have not registered I urge that you get your names on the registration books before they close at sundown on May 19.

Yours for an honest clean gentlemen campaign.

F. W. JUSTICE

LOST

Time from Work

Mr. Albert Garland, of Somerset, Ky., recently said:

"I used to work in the mines, but lost quite a bit of time on account of sick spells I had. I would get to having a bad taste in my mouth, and a very dull, tired feeling and ache.

"My mother told me to try Black-Draught, which I did, and after a few doses I felt much better. Now I take it as soon as I feel the least bad, and I don't get down. I certainly can say that it has done more for me than any other medicine I have ever taken.

"I never get without Black-Draught. If I go on a visit, I take a package along in my suitcase. My health is better now than it has been in years."

Black-Draught is prepared from medicinal roots and herbs, of highest quality. Price 25c. Try it.
