### Worried A Lot

"I took Cardui at intervals for three years, and have been in good health since last fall," says Mrs. Noble J. Hayes, of Waterloo, S. C. "My improvement after taking a course of this medicine was really remarkable.

"I am much stronger and can accomplish so much more work now. My weight increased twenty pounds, and my color is good. For a long time I had been feeling poorly. Some days I dragged around the house and had not enough energy to do my housework.

"I worried a lot about myself. I did not seem like myself, and my nerves were all on edge. I did not sleep well, and my appetite left me.

"I found Cardui to be an excellent tonic. After I had taken it a few weeks, I began to pick up and to gain in weight and strength." At all drug stores.

### Bought in CAR LOAD LOTS and sold direct to the TIRE USER.

### PRICES:

We have the Manufacturer's Agency for the sale of BELMORE TIRES and TUBS in our territory, selling them DIRECT to the TIRE USER. As a sideline to our regular Wholesale Grocery business, we can sell you cheaper for the following reasons:

1. We buy in car load lots.
2. Have no rent to pay, by using our same warehouse.
3. No extra help to pay.
4. Sell them to everybody for the cash.

By eliminating all overhead expense and by buying in large lots, we can sell you cheaper than the wholesale dealer pays for small lots, and cheaper than mail order houses, by saving you transportation charges.

95 percent of tire manufacturers guarantee only against Defects in Material or Workmanship, some only mileage guarantees. In either case they are the sole judges of what, if anything they will allow you on the purchase of another one of their tires which you have already found to be unserviceable.

With every BELMORE GRADT TIRE you get an INSURANCE CERTIFICATE without extra cost, signed by the manufacturer on tires used on passenger cars; against all Stone Bruises, Blow Outs, Rim Cuts, Tread Separation, or other Defects or Accidents, for 12 months from date of your certificate. Can supply any size for any car, bus or truck. Call and let us show you.
