OUR RALEIGH LETTER

(Continued on Page Four)

by Judge W. A. Devin who presided at the trial of the case, former Solicitor Walter D. Siler, who prosecuted the defendants, and a large number of Wayne County citizens, all of whom expressed the opinion that there was grave doubt as to the guilt of Foster whose sentence had been commuted to life imprisonment by Governor Cameron Morrison in 1921. A meeting of the new Board of the Department of Conservation and Development has been called by the Governor for Thursday, May 2nd, in this city. This will be the first meeting for Jos. J. Stone, Greensboro, and W. C. Ewing, Fayetteville, who were named to succeed George L. Hampton, of Canton, and Frank H. Stedman, of Fayetteville. The Department reports that the State leads in per cent gain in new industries and presents carefully worked out statistics to substantiate the claim. The figures show a production record of \$1,154,000,000 in goods, leading every other southern state and second in increase among the important manufacturing states. According to Director J. W. Harri-son, one of the major items of business to be brought before the meeting on Thursday will be the inland fisheries regulations over which the Board has large discretionary powers.

Little wonder the woods are beautiful. We read in the papers that passes are always scouring them.

"J. T." Says:

Capt. Joyner, who won the race, is the man they all liked best! They didn't forget that smiling face, And that's what feathered his nest. It's "your honor," and don't forget, And a hard "old bird" to fight; He won with ease—not even a bet— They knew things be all right. "Your Honor," the time, please.
J. T. Howard.

Don't blame the Hen

If she doesn't produce eggs for you as you think she should. More than likely she's starving—not for want of enough feed, but for the RIGHT feed. Give your hens

Quaker FUL-O-PEP EGG MASH

and you can't go wrong. For this feed has an oatmeal base—contains everything your birds need to enable them to lay regularly. Come in and see this great egg mash.
