

**FELT BAD AFTER EATING**

Four years ago, I suffered with heartburn and bilious indigestion. Whatever I ate disagreed with me. Gas on my stomach made me very uncomfortable. My tongue was coated and my color was bad. I needed a good laxative, and so my mother-in-law gave me some Black-Draught and told me to take it. I found it helped me very much, so I bought it for myself. Seems it was the very thing I needed. It is a fine family remedy, and I use it when I need something for constipation.

"I also give Black-Draught to my children whenever they need something for colds or upset stomachs. Our whole family takes Black-Draught."—Mrs. G. C. Leary, 103 North Alston Ave., Durham, N. C.
