For Louisburg

Contracts were completed the past eek for the erection of a new building, on the old Riverside Warehouse on Market Street to accomodate the new Ford Agency in Louisburg. The building will be approximately 80 x 80 feet and will consist of a asement and a floor level with Mar et Street. It will be only a one story building, but will be equipped especwill be of face brick with large and showy show windows. Modern and approved show rooms and offices will ccupy the front of the first floor, and storage and garage rooms will take up the remainder of the space. It is expected that work will begin t an early date and that the building

will be rushed to completion .
This will be one of the most desira. le locations in town when completed and will complete the replacement of the burned section on Market Street, except a small portion to the rear these buildings, which will probably be reconstructed for storage space at a later date.
