FIRE AT FORD PLACE

A burning automobile cushion at the Ford Sales and Service Station created much excitement in Louisburg Saturday afternoon about 3 o'clock. The fire was caused by a spark from a welding operation on a battery box close to the gas tank of a chevrolet automobile which had been run over with gas and the seat saturated. For a few minutes, it presented a serious situation for the entire business section of the town. The Fire Department was quick on the job and soon had the situation under control with the Chemical tanks.

The damage was small, confined mostly to the loss of a seat cushion.

MR. B. F. COOKE DEAD.

Mr. B. F. Cooke, one of Franklin's most popular and prominent citizens died at his home there on Monday afternoon in his 68th year, after an illness of about two months.

As the head of the B. F. Cooke Furniture Co., he was active in the business life of the town, and gave much of his time to the civic and religious activities of his community having been a member of the Board of Stewards of the Methodist church, of which he was a member for thirty-five years, and was a member of the Franklin Masque Lodge No. 123, and Junior Order American Mechanics Council No. 120. He had served his community as funeral director for thirty-five years.

Those who knew him best paid high tribute to him for his honesty of purpose, his reliability and kindness. His home life was an inspiration. He will be greatly missed.

He leaves besides his wife, who was Miss Frances Moore, of Wake County, three sons, Messrs. George, Walter and Clarence Cooke, and one daughter, Mrs. J. A. Cox, of Franklin; three sisters, Mrs. A. L. Halland, of Wake Forest, Mrs. B. A. White, of Franklin, and two brothers, Messrs. Albert and Howell Cooke, of Franklin.

The funeral services were held from the Methodist church at 5 o'clock Tuesday afternoon and were conducted by Rev. W. C. Ball, his pastor, assisted by Rev. R. L. Randolph, pastor of the Baptist church, and Rev. J. F. Mitchner.

The interment was made at Fairview Cemetery with full Masonic honors by his Lodge, in the presence of an especially large crowd who had gathered to pay a last sad tribute to the deceased. The honorary pallbearers were the Stewards of the Methodist church and the Deacons of the Baptist church. The active pallbearers were D. C. Hicks, L. W. Henderson, R. J. Rose, J. O. Green, W. P. White, B. L. Bragg, C. C. Winston, Dr. S. C. Ford and C. R. Sales, of Burlington.

The floral tribute was extremely large and especially beautiful speaking in a most tender love and esteem, more than covering the newly made grave.

In the passing of Mr. Cooke the town of Franklin and Franklin County loses one of its best and most useful citizens.

The entire community extends the warmest sympathy to the bereaved family and relatives.

GRADED SCHOOL TO OPEN SEPTEMBER 2nd.

Supt. W. R. Mills informs the Times that the Public Schools in Louisburg will open on Monday, Sept. 2, with the following faculty in the white school, Mrs. A. B. Perry, Mrs. A. B. Inasco, Miss Louise Joyner, Mrs. W. E. Uzell, Miss Edith Bradley, Mrs. W. D. Jackson, Miss Mary Wilson, Miss Louisa Jarman, Mrs. E. G. Bailey, Miss Mae Fisher, Mrs. O. Y. Yarborough, Miss Marion White, Mr. J. B. Trogdon, Mr. D. H. Holliday. From a reading of this list, it will be seen that we are making a few changes in our faculty; Misses Wilson and Joyner are "home-folks" and need no introduction to our people. Miss Marion White, of Mebane, N. C. is a graduate of Salem Academy, Converse College with a year of graduate work at the University of North Carolina. Mr. J. B. Trogdon of Wake Forest College and comes to us with a fine record as a student and a all-around good man. The remainder of our faculty are our old friends and we are glad to know that they will be with us again, and we ask the cordial support for them and the new people who join our staff.

It is urged that patrons see to it that children return from vacation in time for work; have the necessary physical adjustments such as teeth, tonsils, adenoids, and vaccinations done in time for entire recovery before the opening day. Actual school work will begin on the opening day and a day lost will be difficult to recover.

Y. P. S. L. SOCIAL

A jolly group of young folks, members of the Young People's Service League of St. Paul's Episcopal Church, gathered in their new League Room at the Rectory on Church Street, on Friday night, July 26, and enjoyed a full hour of two of stunts and games, together with guessing contests which afforded much fun and merriment. Everyone raised their voices loud and clear in singing various League and camp songs, fearing lest they have to pay the penalty of rendering a solo to entertain the crowd. Several of the older members of the church were present to enjoy the fun also. At the conclusion of the games, refreshments consisting of sandwiches, lemonade, and chocolate fudge were served. Football coaches are opposing the huddle system and have the support of the average flapper's parents.

THE ST. LOUIS ROBIN LANDS AFTER 420 HOURS IN AIR

St. Louis, Mo., July 30.—The longest flight in the history of aviation ended under virtual compulsion here tonight when the St. Louis Robin made a perfect "three-point" landing at 7:37 p. m., C. S. T.

Pilots Dale "Red" Jackson and Forest "Obit" O'Brine, who took off at 7:17 a. m., July 13, had been continuously aloft for 420 hours and 20 minutes, or approximately 174 hours longer than any other men in history. The nearest approach to the Robin's record was that of Loren Mendell and Robert Reinhart, who early this month piloted their "Angeleno" 246 hours, 43 minutes, 32 seconds, a mark extended by the Robin a full week at 2:01 p. m., today.

Deafening Greeting. A dripping wet crowd of more than 20,000 spectators raised a deafening greeting as the Robin finally descended.

Both the crowd and the plane had been trapped for almost an hour before the landing by a sudden rain squall.

As the plane came to a stop, frenzied admirers of the pilots pulled them out and bore them off the field on their shoulders.

Flares were fired and cast an unusual, almost ghastly glow on the plane.

A tractor worked its way through the hilarious crowd and dragged the plane to its hangar.

Flash-light pictures of Jackson and O'Brine—both smiling broadly—the confident smiles they wore aloft nearly 18 days ago—were taken.

Police finally were able to surround them and keep them from the crowd.

Physically Excellent. Both flyers stepped out almost as

fresh looking as they were 18 days ago. They were clean shaven, wore fresh white linen shirts, and both carried straw hats in their hands. Their physical condition appeared excellent.

"Outside of being a little tired, we feel fine," Jackson remarked as policemen guided the two flyers into a waiting automobile and took them to a nearby hangar.

There they were met by their wives, and posed for still and motion pictures. Later they were bundled into the automobile again and driven downtown to an exclusive hotel, which turned over its double bridal suite for them to rest in.

Landed By Request. Jackson and O'Brine grounded their plane at the request of Curtis-Robertson Airplane Company official sponsors of the flight, who pointed out in a letter to them today they already had far exceeded the "test" of 150-hours they set out to make.

A sobering aspect was cast on the flight by the fatal termination of the endurance plane, Minnesota, which crashed Monday morning, killing both of its pilots. That factor was believed to have swayed Robertson officials in warning against unnecessary risk by prolonging the flight.

Extra flying pay and special awards totalling approximately \$25,000 were earned jointly by Jackson and O'Brine from the time they broke the Angeleno's record a week ago until they landed tonight. In an effort to induce them to come down today sponsors of the flight made them a flat promise of added pay "on the basis of 500 hours," which they had admitted was the "mark" they were shooting at.

PRESTON RADFORD BOUND OVER TO COURT

After a hearing before Judge J. L. Palmer in Franklin Recorder's Court Monday afternoon, Preston Radford, white, about twenty three years old, of Centerville, was bound over to Franklin Superior Court under a \$500 bond to answer to a charge of manslaughter.

From the evidence it seems that Preston Radford, Curtis Crowder, Will Gupton, Lonnie Radford, Duncan Mason, Eugene Williams and Clinton House had started from Centerville about 2 o'clock early Sunday morning for Hopewell, Va., in a new Ford Touring Car, to spend Sunday. About the same time, Henry Perry, Johnnie Jordan, and Sam Williams, colored, who had been in Centerville since early in the evening had started home, walking on the road towards Warrenton. Perry was a good distance ahead of Jordan and Williams. The car passed Jordan and Williams who were on the right side of the road, proceeding at a speed estimated at from thirty-five to forty-five miles an hour. Perry was thirty or more yards ahead of the other two and was on the left side of the road. The occupants of the car stated that when they approached Perry, he was staggering about the road, and fell in front of the car as they were in the act of passing. Radford stopped the car a short distance down the road, turned around, returned, and asked Jordan to get a doctor for Perry. Jordan got others there. Dr. A. H. Perry, of Wood, was called, who sent Perry to a hospital in Rocky Mount, where he died Sunday from internal injuries. It was in evidence that Perry was drinking earlier in the evening at Centerville. Radford was arrested Sunday night, after his returning and brought to Louisburg by Constable A. S. Wiggs. The defense was represented by Messrs. E. H. Malone and W. H. Yarborough, and prosecuting attorney E. F. Griffin was assisted with the prosecution by Mr. G. D. Taylor, Jr.

DORSETT-EGERTON

Mrs. Ivey McKindra Dorsett has the honour of announcing the marriage of her daughter Kathryn to Mr. Graham Burwell Egerton Thursday, the twenty-fifth of July one thousand nine hundred and twenty-nine Asheville, North Carolina

Enclosed were cards reading, "at Home after the first of September 9, Beverly Apartments, Durham, N. C." The bride is one of Asheville's most charming and attractive young ladies who was especially popular among a host of friends and admirers.

The groom is one of Louisburg's most popular and efficient young men, who is now holding a most important position in the State Highway department at headquarters of District No. 4 in Durham.

CAMP LAUREL

From the twenty-second through the twenty-sixth of July the R. A. and G. A. camp of Tar River association was held at Laurel under the splendid leadership of Miss Bettie Tunstall our Associational young people's leader.

There was an enrollment of seventy-five boys and girls and ten workers. Three study course books were very ably taught by Miss Tunstall and Miss Alva Laurence our State young people's leader.

Classes, hiking, stunts, and swimming were enjoyed by the campers, but the thing that brought a smile of satisfaction to everyone's face was the musical sound of the dinner horn.

We feel that the camp was a help to the boys and girls who attended and we hope that next year every R. A. and G. A. in the entire Association will be enrolled. Once a little boy who was very fond of peanut butter and molasses said to me, "If you run up with any boys and girls who have never tried to eat peanut butter and molasses together will you tell them how good it is? I hate for them to be missing it." Now, if you know any boys and girls who did not attend camp this year, won't you please tell them about the good times we had there? We don't want them to miss it next year.

We heartily thank all those who contributed in any way toward the success of the camp.

NEVA HARPER.

DICKERSON HEARING POSTPONED

The preliminary hearing before A. W. Alston of P. C. Dickerson for assault on J. J. Shearin has been set for Friday morning.
