WALL GETS \$100  
FOR SHEEPSheriff's July Settlement  
Deferred

Tax Collections Reported To Date \$224,116.95 Out of Total of \$289,421.20—Many Reports Received—Budget Estimate for Fiscal Year Compiled

The Board of County Commissioners met in regular session on Monday with all members present. After reading and approving the minutes of the last regular and all intervening meetings business was disposed of as follows:

T. W. Watson reported that he had inspected the courthouse and jail and found same to be in good condition.

J. B. Sturdivant filed report of Miss Caldwell, Home Demonstration Agent and Dr. R. F. Yarborough, Health Officer made his report. He reports the tuberculosis situation in the county as being serious and that forty new cases of pellagra were reported during the last month. He recommended that a diet list be published and sent to each case as reported, a diet is the best cure for pellagra. He also reported that the bedding in the jail should be kept in better shape.

C. B. Barham reports nine prisoners in jail—three awaiting Superior Court and six Recorders court.

J. B. Terrell reported the Welfare Department working satisfactorily, and filed report of E. C. Perry Welfare Officer.

The Chairman reports that the problem of the care for the aged and infirm in the county is being carried on in the most efficient manner, few counties in North Carolina taking better care of the indigent than the County of Franklin. It seems to be expensive but with the present equipment for the purpose it is doubtful that it could be done at a lower cost. The present cost of food per inmate is about \$7.00 per month—the care of each individual for current overhead is about \$30.00 per month—to build and equip the county home is about \$50.00 per month. The County home under its present management is clean, efficient and unusually attractive to the inmates and the amiable disposition of the home for the aged and infirm of the county. The Superintendent reports a total of twenty three inmates.

The regular monthly financial report of the county accountant was received and referred to each commissioner for study. This report shows the complete record of the fiscal year—no department showing a deficit and a majority showing some unencumbered balance. The report shows collection of taxes for the month of June to be \$3,564.46. The total collections for the year being \$224,116.95 out of a levy of \$289,421.20.

A. W. Sandling reports no new work at the present time on bridges.

Upon motion of T. W. Watson seconded by C. B. Barham the sum of \$25,000 was appropriated for the purpose of paying fixed salaries, the principal and interest indebtedness, state compensation of officers and employees, and for the usual ordinary expenses of the county and its subdivisions, which appropriations, so made, shall be chargeable to the several appropriations respectively, thereafter made in the annual appropriation resolution.

Upon the report of W. H. Wall being filed, a motion of J. Z. Terrell, ordered \$100.00 be paid him from the dog tax for sheep killed by dogs. The report being filed and made a part of these minutes.

The budget estimate for the fiscal year beginning July 1st, 1930 was submitted to the County Commissioners—same to stand open for twenty days.

A motion of J. Z. Terrell, prevailed that the Sheriff's settlement as required on the first Monday in July be and the same is hereby deferred until the next meeting of the Board of County Commissioners for the reason that it has not yet been completed.

On motion of J. Z. Terrell, seconded by T. W. Watson, all commissioners voting "Aye" the following resolution was adopted:

Resolution to borrow a sum of money in anticipation of the collection of taxes and other revenue of the fiscal year beginning July 1st, 1930.

The jurors were drawn for the August Term Civil court.

After allowing a number of accounts the Board adjourned to its next meeting.

Government Airport For  
Louisburg Possible

A representative of the United States Government was in Louisburg the past week making observations and surveys looking to the advisability of establishing an airport for the possible emergency landing of air mail planes and the erection of a strong beacon light. Louisburg seems to be on the direct line of travel of the New York to Miami air mail planes and it is thought advisable to equip an airport at this point at first for emergency use with the possibility of future regular use.

Young Tar Heel Farmer Delegates From Franklin County  
Attend State Meeting

Two delegates from each of the schools in Franklin County having agricultural departments attended the state meeting of Young Tar Heel Farmers which was held recently at State College. There were assembled over two hundred farm boys representing the various chapters throughout the state. This was the third annual meeting of its kind and it proved a success in every respect. The following are some of the principal features of the three-day meeting: general business meetings in which the boys carried on the various business matters of the organization; a joint meeting of the boys and agricultural teachers in which accomplishments of a number of chapters were given; the Young Tar Heel Farmers' State Oratorical Contest; talks by a number of agricultural leaders who are specialists in work with farm boys; music and singing by members of the organization; talk by Wade Turner, a North Carolina boy, who is president of the national organization of Future Farmers of America; a trip over the college campus and the city of Raleigh where various points of interest were explained by Col. Olds; various forms of recreation and contests in the college gymnasium and swimming pool; a frolic night consisting of various forms of entertainment furnished by some of the boys, and also refreshments; the planning of a program of work for the coming year; election of Carolina Farmers, and presentation of Carolina Farmer Keys by Mr. T. E. Browne, State Director of Vocational Education, and the election of officers for the coming year.

Two of the Franklin County boys were honored by being elected to hold state offices. Jesse Wester, President of the Edward Best Chapter, was made a member of the Executive Committee; and Thurman Griffin, President of the Gold Sand Chapter, was made Secretary.

The delegates attending the state meeting are the recognized leaders from the rural communities throughout the State, and it is their duty to take back to their local chapters the benefits derived from the meeting. The following boys were delegates from Franklin County: Herman Vaughan and Bruce Shearon, Franklin; Jesse Wester and William Fisher, Edward Best; Thurman Griffin and Perry Conn, Gold Sand.

TAX RELIEF ASKED  
BY ALL TOWNSHIPS

A petition requesting the Governor to call a special session of the Legislature in November, before 1930 appraisals of property are begun, for the sole purpose of relieving real estate of its unfair proportion (over 76 per cent) of the tax burden; and a second petition requesting its representatives in the Legislature to take such action as will bring about this relief as well as help conditions arising from over burdensome taxation of the past,—both petitions have been placed in the hands of the executive committee of each of the ten townships of Franklin County.

These petitions were drawn by the executive committee of the North Carolina Tax Payers' Association at its meeting in Greensboro July 1st, at which time every section was thoroughly discussed in the open meeting of its members. After a few changes by the vote of the organization, the petitions were unanimously adopted. Judge J. Frazier Glenn of Asheville then announced his plan to have copies of these resolutions submitted to every township of each county.

W. W. Neal, Chairman of Franklin County, says he is highly encouraged with the way that the people here have shown their interest in every move to secure better tax conditions throughout the county, and that he hopes the people will continue the good work. The petitions will remain in the hands of the executive committees for a few weeks yet; and Mr. Neal urges all his fellow tax payers to sign right away.

LARGE NUMBERS  
ATTENDING ASSEMBLY

North Carolina  
Epworth League  
Opened Monday

Louisburg College Accommodating Assembly With Sessions at Methodist Church—Many Noted Religious Workers Present.

Again the Epworth League Summer Assembly North Carolina Conference, opened its session at Louisburg College, on Monday, July 7, with around three hundred and thirty young people of eastern North Carolina enrolled, representing the Durham, Elizabeth City, New Bern, Raleigh, Rockingham, Washington, Weldon and Wilmington Districts. These young people are the leaders of their younger set, being at the Conference to pursue much inspiration and knowledge from the study courses offered under the supervision of efficient and capable teachers.

The Central Office Representative present at this Conference is Rev. E. O. Harbin, of Nashville, Tenn.

Monday was spent in registration of the attending Leaguers, which lasted until seven o'clock. Under the supervision of Revs. E. O. Harbin and J. G. Phillips a fellowship meeting in the form of a delightful party was given at 8:15 in the evening in Mills High School gymnasium.

The theme of this Conference's study is "World Winning" with much emphasis being placed on the "Department of Missions".

The officers leading the Epworth League Conference are: President, Rev. T. McM. Grant; vice-president, Rev. L. C. Larkin; secretary, Miss Blanche Barringer; field secretary, Rev. Philip Schartz; treasurer, C. Gehrmann Cobb; era agent, Mrs. W. A. Beasley; Editor of Advocate page, Rev. E. C. Crawford; Hi-League superintendent, Mrs. B. F. Boone; Epworth Junior superintendent, Mrs. L. M. Hall; Life Service superintendent, Rev. R. L. Jerome; recreational director, Rev. J. C. Phillips; Dean, Rev. E. L. Hillman; editor Assembly Daily News, Rev. R. E. Brown.

The Conference faculty who are of the best to be chosen, are: Revs. B. D. Slaughter, L. C. Larkin, E. L. Hillman, T. McM. Grant, E. B. Fisher, J. H. Miller, H. B. Baum, E. O. Harbin, B. O. Merritt, R. M. Price, R. F. Munns, B. F. Boone, P. H. Fields, John C. Barden, N. G. Long, Leon Russell, Daniel Lane, J. G. Phillips, A. J. Hobbs, Jr., Miss Iola Parker, Mrs. E. L. Hillman, Mrs. H. B. Branch, Mrs. B. F. Boone, Mrs. J. C. Larkin.

The classes and regular daily schedule were begun Tuesday; the classes being based under three heads Bible, Mission and Method Study, the schedule including recreational and religious periods as well as class and study periods.

Important among the events Wednesday at the Conference was the lecture given by Dr. Gilbert T. Rowe of Duke University who spoke impressively and emphatically on "Always Aim To Do Right".

Dr. Rowe sincerely urged the large gathering of Epworth Leaguers whom he was addressing to never lose faith or trust in God, to always do what is right, to not wish to wrong anybody.

In explanation, he gave the vivid illustration and figurative comparison of the journey up the Stream of Life in a boat equipped with two oars, the oars of Religion and Morality or Right. It is only the constant and equalized work with both oars that carries the boat up stream.

Likewise, the Leaguers were shown how they should live squarely—and rightly; for, as Dr. Rowe said, when one does wrong or bad he is cutting across the grain of the way of the world for the world is square. Also, the point of delivering to the public just as much as is taken or received from it was expounded and certified. Dr. Rowe spoke these words, "It is better to give more and receive less than to receive more and give less."

Finally in completing his reasons for always doing right, Dr. Rowe added and discussed a great necessity, Character. He said, "No one can get along without character." It was his opinion that in order to get along everyone must sooner or later determine "to do exactly right."

Also, during the Forum or Lecture Hour, Rev. E. O. Harbin, the Central Office representative, of Nashville, Tenn., talked and discussed with the leaguers the essentials for a successful devotional meeting of the Epworth League.

The regular schedule of classes was followed during the morning. In the afternoon recreation under the direction of Rev. J. G. Phillips furnished fun and entertainment for the Leaguers and faculty as well. Immediately following supper at 7:15 p. m. Rev. R. G. L. Edwards conducted very impressive Vespers, which were succeeded by a song service and lecture.
