### DR. YARBOROUGH AD- DRESSES CLUB WOMEN

Franklin County Federation of Women's Clubs Enjoys Fine Meeting At Mills High School

On Thursday, August 21, The Club Women of Franklin County had their vacation meeting in the home economics rooms at Mills High School.

At ten-thirty the meeting was called to order by the President of the Federation, Mrs. C. C. Pippin and the roll call of the clubs by the secretary, Mrs. W. S. Person, the Bordeaux club having the most members present, 33 and the Bunn club following closely with 36. The gavel which is given quarterly to the club having the largest attendance at each Federation meeting was won by the Bordeaux Club. As this was the second time this club has won the gavel, they presented it to the Federation, this time.

Announcements concerning the meeting were then made by Miss Caldwell, Home Demonstration Agent and the business of the Federation dispensed with in a short time.

Miss Edna Oliver, County health nurse and Dr. R. F. Yarbrough, county doctor spoke to the women about their plans for the work in the county during the coming year. Realizing that what they can and may do will be in vain without the help of the parents of the county, they presented to the Federation, this time.

Special awards by Senator Arthur Capper, of silver and bronze medals to the two 4-H club girls who enter Franklin County's best jars of home canned fruits, vegetables and meats in the National Canning Contest at Shenandoah, Iowa, is announced in a message to the TIMES from Shenandoah, Iowa, where the contest is being held under the auspices of the Household Science Institute.

Senator Capper, long a friend of the 4-H clubs and a member of the National Committee on Boys' and Girls' Club Work, in making the awards said that he hoped these awards would serve to encourage home canning work among farm girls and that they would prove of value to 4-H club leaders and extension workers in furthering this work.

The Capper medals are in addition to the list of 470 prizes totaling \$4,250 in cash, loving cups and ribbons which will be distributed to the winners in the contest. The grand sweepstakes award of the contest carries with it a cash prize of six hundred dollars.

The contest is open to every woman and girl. There are no restrictions as to the nature of the food sent. Contestants may enter the fruit, vegetable or meat division, any two of these divisions, or all three. Entries should be sent immediately upon canning. These will be kept on exhibition at Shenandoah till the closing of the contest on October 1st.

The list of contest judges includes five of America's outstanding home economics experts and nutrition authorities, headed by Dr. Louise Stanley, Chief of the Bureau of Home Economics, U. S. Department of Agriculture. That the judging may be thoroughly impartial and the display of jars absolutely uniform, contestants are required to send their entries in standard glass jars of the quart size. A sample Ball mason jar and carton, together with prize entry labels and full information for entering may be had without cost by writing the National Canning Contest, Shenandoah, Iowa.

Any preferred method of canning may be used although it has been found that the hot pack method together with the use of a pressure cooker for the sterilizing is best, especially for non-acid vegetables, states Grace Viall Gray, nationally known canning expert who is secretary of the contest. This method of canning is recommended by the U. S. Department of Agriculture because it saves time and fuel and assures sterility, while preserving the natural flavor, color, and texture of the canned article.

Miss Elizabeth Timberlake entertained her club at a luncheon at her home on Friday, August 22, in honor of Miss Lucretia Dean, bride-elect of October. Guests at four tables enjoyed five progressions of bridge, after which Miss Lucy Perry Burt presented for the hostess a vase to Miss Dean. The hostess was assisted in serving by Miss Temple Stewart. The guests present at the luncheon were Misses Lucretia Dean, Annie Perry Boddie, Lucy Perry Burt, Louise Joyner, Helen Smithwick, Mary Wyatt Yarbrough, Jewell Clark, Genevieve Mason of Rocky Mount, Lucille Innes of Castalia, Julia and Temple Stewart of Castalia, and Temple Stewart of Greenville, Mrs. W. O. Lee of Lumberton, Mrs. Robert Alston and Mrs. Frank Egerton.

A dinner consisting of every thing one could want to eat was served by the Bunn Club. After everyone had eaten sufficiently, she returned to her work left before dinner, completed it and began another.

This meeting was a very successful one; it proved to be very instructive to each attendant and cast a feeling of usefulness of the small articles she could make in leisure time.

Two Houses Burn

Wednesday afternoon about three o'clock fire destroyed the residences of Ramon Thomas and Mary Day, both colored, on Halifax road, just in the corporate limits of the town. The alarm was answered promptly by the fire department but the distance from the nearest hydrant was so great additional hose had to be secured before water could be put on the burning buildings, after which, however, the firemen succeeded in extinguishing the blaze before the entire building was burned. The fire originated in the attic of Ramon Thomas house from unknown causes. Both houses were total losses and much of the contents of each house was also destroyed. The losses were estimated as follows: Ramon Thomas \$1600, insurance \$750.00; Mary Day, total, insurance \$1800.

An unusual instance occurred at these fires. Mr. T. W. Watson, who wrote the insurance on these houses, was out with an adjuster for his companies and returned in time to see the buildings burning. Adjustment of the losses was made and settlement consummated before the fire had died away.

U. D. C. TO MEET

The TIMES is requested to state that the Joseph J. Davis Chapter of the U. D. C. will meet at the home of Mrs. G. M. Beam Tuesday afternoon, September 2nd, at four o'clock. A splendid attendance is desired.

LOUISBURG BAPTIST CHURCH

The Rev. J. B. Uary of Oxford, N. C. will preach again Sunday morning at eleven o'clock in the absence of the Pastor who is away on vacation. There will be no evening service. The community service on the College Campus will not be held Sunday evening.

### Entertains In Honor Of Bride

Miss Lucille and Mrs. Phil Insooc entertained at a bridge shower, Thursday afternoon, August 21st, in honor of Miss Lucretia Dean, whose wedding has been announced for the fall.

Dahlia and miniature sunflowers served as decorations for the living room and hall, a color scheme of yellow and green being carried out.

After several progressions of bridge, the guests were asked to write menus and recipes which were presented the bride-elect in a file cabinet. As a surprise she received a lovely linen shower.

Miss Mary Wilson was presented with a deck of cards as high score prize.

A salad course, carrying out the color scheme of the occasion was served by the hostesses assisted by Mrs. C. T. Dean.

The following guests were present: Miss Lucretia Dean, honoree, Miss Fula Dean, Mrs. W. R. Dean Mrs. J. W. Dean, Miss Elizabeth Timberlake, Miss Mary Wilson, Miss Jewel Clark, and Mrs. C. T. Dean of Louisburg.

Miss Donnie Boone Haskett of Greenville; Mrs. — Dyce, of Charlotte; Miss Ruby Wheelers of Spring Hope, Mrs. Gordon Tayloe of Washington, D. C., Mrs. W. O. Lee of Lumberton and Mesdames Richmond and William Boone of Castalia.

### CAPPER MEDALS TO TWO BEST GIRL-CANNERS IN COUNTRY

### FRANKLIN SUPERIOR COURT

The regular August term of Franklin Superior Court for the trial of Civil cases convened in Louisburg on Monday morning with Hon. Garland E. Midyette, of Jackson, presiding. This being a civil term and no cases on docket of special public interest, only those directly interested in the cases with very few spectators, have been in attendance.

Judge Midyette's ease and fairness with which he is administering his court is the subject of much favorable comment, and winning the admiration of Franklin County people.

This is a two weeks term and will hold probably well into next week.

### MISS HAYES GIVEN SHOWER

Honoring Miss Emma Hayes, bride-elect whose wedding to Mr. J. H. Cooper, of Nashville, will take place on Wednesday afternoon, September 3rd., the Woman's Club of Justice, entertained a host of friends at the home of Mrs. B. F. Wheelers at four o'clock, August 27.

The guests were greeted at the door by Mrs. L. A. Miller, thence ushered to the dining room where they were served delicious punch by Miss Ruby Wheelers. During the much enjoyed social hour which followed, the guests participated in puzzle games and wrote many wishes for happiness to leave with the bride.

As winner of the puzzle which consisted of unraveling words of tangled letters which pertained to the bride before marriage, Miss Emma Hayes, honoree, was presented an attractive snapshot book in which each guest present signed her name.

As the games neared a close in came little Miss Annie Duke Wheelers, attired as a little bride, drawing a tiny wagon laden with gifts for the bride-elect. A veritable shower of linens and other beautiful presents followed as the guest of honor up-wrapped each package and displayed its lovely contents to the group.

The two spacious front rooms of Mrs. Wheelers' lovely home, thrown together for the occasion, were attractively decorated in golden red and evergreens.

Selections of music especially fitting for a bride were enjoyed throughout the afternoon.

Those present were as follows: Misses Emma Hayes, Florine Hayman, Placid Hayes, Ethel Hayes, Christine Bowden, Magdalene, Belle Hayes, Ruby Wheelers, Adelaide Johnson, and Mesdames B. F. Wheelers, F. E. Aycock, J. C. Wheelers, S. R. Murray, Z. T. Perry, C. A. Long, M. W. Bowen, J. R. Perry, R. L. Hayes, G. S. Earp, W. C. Stallings, E. J. Wheelers, M. J. Hayes, L. A. Miller.

The wedding will be solemnized at the home of the bride's parents and an invitation is extended all.

### KIWANIS DIRECTORS TO MEET

A regular meeting of the Board of Directors of the Louisburg Kiwanis Club was held in office of Dr. H. H. Johnson Tuesday night, August 26th, 1930 and was presided over by President Mills. After the regular business program President Mills stated he had arranged to have Supt. E. L. Best talk to them on the "Over privileged child" on Sept. 12. The club for the past year has been working in conjunction with other community needs, such as the problem of the under privileged child. This talk promises to be of much interest since so many of our boys seem to have too much privilege.

The programs for September were arranged as follows: Friday, September 6th—Inter Club night. Friday, September 12—The over privileged child, by Supt. E. L. Best. Friday, September 19—Teachers' night. Friday, September 26—All musical night, in charge of Dr. A. H. Fleming. After the business of the evening was dispensed with F. J. Beasley had refreshments served to the Directors attending who were G. M. Beam, R. G. Bailey, E. L. Best, F. J. Beasley, A. H. Fleming, H. H. Johnson, J. A. Wheelers, W. R. Mills.

### BIRTHDAY PARTY

Little Dorothy Herman gave a delightful birthday party to a number of friends on her 10th birthday August 21st, 3:30 to 4:30 those present were Rebecca Beasley, Josephine Cabiness, Louise Johnson, Ann Strickland, Elizabeth Hudson, James and Billy White, Dayton Hardwick.

After many enjoyable games were played the children were invited to the dining room where ice-cream and cake was served. They all left wishing her many more happy birthdays.

### DR. HIGHSMITH VISITS LOUISBURG

Dr. J. Henry Highsmith, in charge of the Department of high schools of the State Department of Education, was in Louisburg Tuesday to hold a meeting with the high school principals in Franklin County. The meeting was largely attended and interesting and will no doubt be of great service to the school system.

A New York college will train women for politics in a course soon to be opened, but they could probably learn more by observing the ward boss.

### BATTERY "B" MAKES ENVIABLE RECORD

Battery "B", Louisburg's crack artillery organization, returned home on Sunday from its annual encampment at Fort Bragg. Sixty members of this organization enjoyed the encampment, with its varied program of drill, firing of six inch howitzers, and athletic events.

Capt. E. F. Griffin, commanding officer of the battery, informed the TIMES that Col. W. T. Joyner, who is the regimental commanding officer, made a personal visit to the gun positions, while they were in action, and informed the members of the battery that they had done the finest shooting that he had ever witnessed at Fort Bragg.

The battery baseball team under the guidance of its Captain Pvt. Numa Pace made a creditable showing, going into the semi-finals for the annual trophy.

The kitchen and mess-hall, the thing nearest to the heart of all members of the battery, under the supervision of Sgt. R. W. Alston, was at all times spick and span and received a daily commendation from the inspecting officer.

All should feel proud of our battery for its excellent showing made during the encampment. It is next to the oldest field artillery unit in the state and has at all times been considered by those in command of the regiment, of which it is a part, as one of its very best batteries.

First Lieut. R. I. Holmes, on account of his record as an artilleryman, has been ordered to the Field Artillery School, at Fort Sill, Oklahoma, for a three months course in firing and will leave on or about the fifth of September for this course. We are sure that he will make an excellent showing at the school and will pass the course with flying colors.

### YOUNGVILLE SCHOOL WILL OPEN SEPTEMBER 8

The work of the regular term 1930-31 of the Youngville School will begin on Monday morning, September 8, at eight forty-five o'clock. Preliminaries to this opening will be as follows: on Thursday evening September 4, at eight o'clock the first local teachers meeting will be held; Friday morning September 5, will be given to registering high school students; Friday afternoon at two-thirty o'clock all students of both elementary and high school are asked to meet the teachers at the school building to get lists of books and assignments of lessons for Monday; at three-thirty o'clock Friday every parent in the district is urged to be at the building for an informal talk of the Principal to the patrons; at eight o'clock the same day in the evening, the formal opening of the school will take place, at which time a visiting speaker will address the public on a current educational topic of interest, after which we hope to have an informal, happy get-together of parents and teachers in a social way. The Principal urges that all high school students come in the morning of Friday, September 5, that all students of the school come that same afternoon at two-thirty, that all parents make it a point especially to come at three-thirty Friday, and that every body who is interested in any way in the school come Friday evening at eight. Progress is our watchword this year as we enter our new building with an increased teaching force, and with an aim to do the best job possible at a minimum cost for the type of work done. May we get away to a good beginning? May we count on every single person in the District to pull his own weight as we strive toward a better and bigger school service? May we have each child in the district in school every day this year unless he is too sick to come? We who teach are pledging to you our best. Will the patrons pledge the same to the school? "It all depends on you."

Teachers for this year are as follows: E. T. Farham, Supervising Principal; High School, A. H. Braxwell of Castalia, N. C., Science, Miss Kate Bullard, English and French, Miss Betty Jenkins of Murfreesboro, History and English; Elementary School, Miss Jessamine Aldham, grade 7, Miss Madaline Bobbitt, grade six, Miss Effie Tharrington, grade five, Miss Mildred Stewart, grade 4, Miss Zena Tharrington of Louisburg R. 2, grades 3-4, Mrs. Mamie Winston, grade 3, Miss Florence Spain, grades 2-3, Miss Frances Ragan, grade 2, Mrs. May Belle Wheelers of Bunn R. 1, grades 1-2, Miss Bertha Reach grade 1.

### MRS. H. W. PERRY ELECTED 1ST VICE-PRES. DEPARTMENT OF N. C. AMERICAN LEGION AUXILIARY

Mrs. H. W. Perry who is Pres. of the local unit of the American Legion Auxiliary was elected 1st V. Pres. of the State Dept. of the American Legion Auxiliary by acclamation at the State Convention held in Winston-Salem this week.

The other officers elected were Mrs. Reverdy, J. Miller of Charlotte, Pres., Mrs. Frank Johnson of Statesville, 2nd V. Pres., Mrs. W. R. Absher, Historian and Miss Nannie Dodson of Winston-Salem, Chaplain.

### SCHOOL OPENS MONDAY

School opens Monday; Everybody is busy now getting out book lists, buying books, swapping books, taking examinations, making complaints; we are all so busy we have forgotten the dry weather. School is such a blessing; it keeps us from worrying about other things.

This year, as in the years past, beginning children must be six years of age before Christmas or we cannot take them at the beginning of the term. This is a specific order of the Board of Graded School Trustees and neither the teachers or the Superintendent can do otherwise than obey this order; we think it is a good rule. Unless a child is well developed mentally and physically, seven years is young enough to begin school; five year-olds are too near the baby stage to undergo the restraints of school.

We want to make this year the best year in the history of the school; to accomplish this we need the active cooperation of every pupil and patron. The patron can help by seeing to it that the child is in school regularly; that the child has the books and other things needed to carry on the work successfully. The parent can help by seeing to it that the child has a quiet, comfortable room at home in which to do some home-study. No child in the upper grammar grades and, in high school can make a success of the work unless there is some home-study. When your child tells you that he or she has time enough in school to get up all his lessons, it will be the part of wisdom for you to get in touch with that child's teacher and find out just what the teacher thinks about it. You will most likely find that the child is mistaken, and is just skimming along with the lessons. To learn Arithmetic, Grammar, Geography, History, Science and the other subjects, it is necessary for patient, persistent, effort from day to day; just a hasty glance at the lesson and little cramming just before examination will not master any of these subjects.

### GOLD SAND DISTRICT SCHOOL TO OPEN

All the schools of the Gold Sand District will open Monday morning, September 1, at 8 o'clock according to announcement of Principal W. O. Reed. Every parent is requested to have his child in school on time the first day in the year, because regular class work will begin the morning of the opening.

Every parent in the district is cordially invited to attend a special meeting at the Gold Sand High School building Friday afternoon before the opening, which is August 29, at 2 o'clock. Some very important school topics will be discussed at that time, and it is hoped that every patron will be present.

The teachers of the Gold Sand District this year are as follows: W. Owen Reed of Gupton, Principal and teacher of Mathematics. Little Harper of Louisburg R. 6, French and English. Lillian Robertson of Knightdale, Science and Mathematics. V. E. Jennings of Park Knob, History and English. Lucy Wells of Kenansville, Home Economics and Library. F. U. Wolfe of North, S. C., Agriculture. Mrs. M. E. Williams of Louisburg R. 6, 7th grade. Ruth Parrish, of Centerville, 6th grade. Mrs. W. O. Reed of Gupton, 5th grade. Mrs. F. C. Perdue of Louisburg R. 6, 4th grade. Mrs. J. W. Neal of Centerville, Principal and teacher of Centerville. Adelaide Duke of Jackson, teacher of Centerville. Mary Dickerson of Bunn, Principal and teacher of Wood. Mrs. F. A. Reed of Wood, teacher of Wood. Lois May of Centerville, teacher of Mt. Grove. Sandy Creek's teacher Miss Fannie Gupton, Jessie Mae Luper of Spring Hope, Music.

### MR. W. F. LEONARD DEAD

Mr. W. F. Leonard, of near Laurel, died at his home on Tuesday afternoon in the 75th year of his age. Bill, as he was known by his many friends was active in his community and until his advanced years had interested in a successful planter.

The funeral was held at his home on Wednesday afternoon at 3 o'clock and was largely attended and the interment was made in a nearby cemetery.

### FREAK TOBACCO LEAF

Mr. W. R. Young, of Harris township, presented the TIMES yesterday with a freak tobacco leaf. This is a complete, well developed double leaf. Its measurements are straight through from the butt of the stem 15 inches, length of one leaf 21 inches, the other 23 inches, width of the double 21 inches. The leaf was viewed by many farmers who expressed surprise, saying they had never seen the like before.

### REVIVAL AT LEAH'S CHAPEL

Rev. A. L. Thompson, pastor, announces that a revival meeting will begin at Leah's Chapel on the Louisburg Circuit on Monday night September 1. Rev. L. A. Liller of Home, N. C. will assist the pastor. There will be services each night at 8 o'clock and on Sunday morning Sept. 7 at 11 o'clock. The public is invited to attend these services.

### SELLS FIOTO CIRCUS

Is Coming to Raleigh On Tuesday September 29th.

Sells Fioto Circus, considered by many the greatest show in America, will present the world's greatest western cowboy, TOM MIX, and his equally famous horse Tony. Both these famous movie stars will appear at every performance of Sells Fioto Circus this season and will be supported by the greatest collection of circus acts ever assembled under a "BIG-TOP". Over one hundred feature acts will be in the big program. TOM MIX and Tony will bring before the public all the famous cowboys and cowgirls that were with them on the screen, featuring the most thrilling of cowboy stunts, with the great Mix heading the list.

In the three rings and two stages will be found a complete new program of circus stars, headed by Cervantes, Spanish acrobats; John and Gertrude Shubert, aerial gymnasts; Mabel Peiky, the silver girl of the silver whirl; the Schwarz Sisters, European equestrians; Kohan, the Jap who walks up stairs on his head; Terrells thirty-six Liberty horses; the Three Thrillers, a flying act with no competition in their daring and sensational stunts; the brilliant Ward family of aerial stars; five herds of elephants, and a big fifty den menagerie of rare beasts of the jungle.

Over eleven hundred people are with Sells Fioto this season. The new tent will seat over ten thousand people and two shows will be given daily at 2 and 8. The doors will be open one hour earlier to allow patrons to enjoy the wonders of the menagerie.

You, who have enjoyed TOM MIX and Tony on the screen, can now see this fine American cowboy in real life and watch him and his group of cowboys in the flesh. Tom is said to receive the largest salary ever paid a circus star and the tremendous crowds which see him daily, bear proof of this remarkable popularity amongst old and young alike.

### AGRICULTURAL DEPARTMENT AT GOLD SAND INCREASES OPPORTUNITIES FOR BOYS

Due to a number of additions to the space and physical equipment of this department, the opportunities for the students of Vocational Agriculture have been materially increased, said F. U. Wolfe, teacher in charge. Much of this improvement has been accomplished during the summer in order for the boys to reap the benefits during the entire school year.

In addition to the regular program in the Agricultural class room and the shop, arrangements have been made for carrying out other features of the work, which will prove to be of practical benefit.

A special meeting room has been provided for the Agricultural students to hold regular meetings at intervals of two weeks. This room has already been used to advantage and is undergoing a number of improvements. The young Tar Heel Farmer Chapter, which consists of all Agricultural students in the school, makes out a definite program of work at the beginning of the year. The members carry out programs, for the most part of an agricultural nature, and receive training in the proper way of conducting various types of meetings.

One phase of the Agricultural work to be stressed is Thrift. Many of the ills of the present day could be avoided if people were more concerned about thrift in regard to both material goods and time. Training is given to a practical way to encourage and help boys to put aside a part of their earnings from project work, or to invest a part in a profitable way. The Thrift Bank and its activities will make this phase of the work more practical and interesting.

Another room is undergoing work to be used as an agricultural laboratory. The students will use a part of their time at the beginning of school to arrange the laboratory. Practical work such as the studying of soils, cleaning and treating tobacco seed, judging crops, studying diseases, studying fertilizers, and other such studies will be carried on. Such a room apart from the regular classroom is necessary for practical work. The students will be called upon to collect from their farms various specimens for laboratory work.

The physical equipment, care, and arrangement of class room, shop, and other rooms, received a grade of 95 after being inspected by the State Supervisor of Agriculture. This fact should encourage Agricultural students to make use of every opportunity for improving themselves and their community. The improvement of physical equipment carries with it the responsibility for boys to accomplish more and better work.
