

# FORD SAFETY

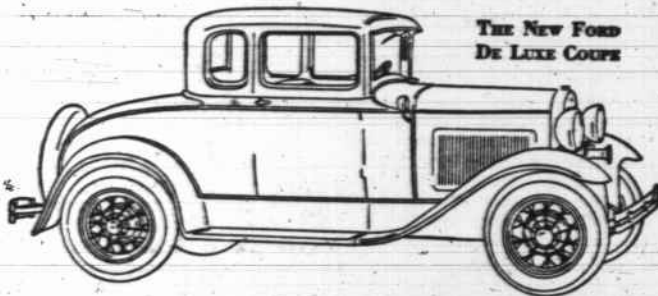

**Triplex shatter-proof glass windshield has saved many lives in collisions**

EVERY new Ford is equipped with a Triplex shatter-proof windshield. This is made so that the glass will not fly or splinter under the hardest impact. It has saved many lives and prevented injuries in many automobile collisions.

This shatter-proof glass windshield is just one of many features that make the new Ford a value far above the price. Others are the silent, fully enclosed four-wheel brakes, sturdy steel body construction, four Houdaille double-acting hydraulic shock absorbers, more than twenty ball and roller bearings, extensive use of fine steel forgings, aluminum pistons, chrome silicon alloy valves, torque-tube drive, three-quarter floating rear axle, Rustless Steel, and unusual accuracy in manufacturing.

In addition, you save many dollars because of low first cost of the new Ford, low cost of operation and up-keep, and low yearly depreciation.

THE NEW FORD DE LUXE COUPE

LOW PRICES OF FORD CARS

**\$430 TO \$630**

F. O. E. Detroit, plus freight and delivery. Bumpers and spare tire extra at small cost. You can purchase a Ford on economical terms through the Authorized Ford Finance Plans of the United Credit Company.

### BUNN SCHOOL NEWS

**Oxford Orphanage Singing Class**  
Thursday night, March 19, the Oxford Orphanage singing class gave a very enjoyable concert, consisting of an operetta and songs, in Bunn High School Auditorium.

### Athletics

Much interest is being shown in track, under the leadership of Mr. Smith. Each day the boys and girls rush out at the recess period to take some part in either racing, jumping, or tennis. If this spirit continues, we are sure that Bunn will rank among the first in the final county track meet.

### Third Grade News

(A Hygiene Sand Table.)  
The Third Grade planned a town on the sand table and decided to name it "Health Town," and put small signs on it. They made small signs for the following streets: Milk Streets, Water Street, Sunshine Avenue, Happiness Avenue, Fruit Street. Each child in the room is expected to make a little house of folded paper, and mark it with his name. Then cut from a magazine a picture of a boy or girl to represent himself. He then places his house and himself on the street that he wishes to live on. To stay in Health Town however, he must have certain habits. If he does not have clean hands, face, and fingernails, or obey other health rules, his house is removed from the sand table. Several houses have already been made. All seem anxious to make a house and have habits that will permit him to live in "Health Town."

### How we are Beautifying our School Grounds

Friday was Arbor Day, and the schools throughout the U. S. set out trees, shrubs, and flowers to beautify the school grounds. We have been planting flowers and shrubbery at Bunn School for the past week or more. Mr. O'Quinn and the Agriculture boys have been cleaning up the grounds and planting shrubbery. Then, on Friday, the different grades were asked to bring any flowers or shrubs that would beautify the grounds. Many brought these, and Miss Jackson in charge of the Geography class, Miss Byron in charge of the eleventh grade, and Mr. Smith with the ninth grade Biology class, all went out to plant these contributions. We have improved our school very much during the last two years. We can say that trees, etc., all beautify, no matter where they are growing. Any old house can be beautified by the natural gifts of nature.

There is yet room for improvement. Trees, of smaller type, could be planted around the school boundary line, more grass would improve it wonderfully, and more trees, shrubbery, and flowers are needed.  
**LOUISE WILLIAMS.**

### Essay Contest

I am sure the students in rural communities are deeply interested in the state wide essay contest, which is sponsored by the Cotton Growers of North Carolina. The subject of the contest is "Cotton Cooperative Marketing in North Carolina—Its Progress and Its Future". To many of us, the production and sale of cotton is of vital importance; and this essay is an excellent outlet for our interest. The score card used in grading these essays shows that it will be a challenge to our abilities in more ways than one. Poise and enthusiasm are greatly desired by all of us; while treatment of the subject and originality provide for an expression of our knowledge of the subject matter and for those ideas for its progress which

## 32 Physicians Report Findings On New Sargon

So remarkable have been the results accomplished by Sargon in helping restore health to countless thousands of people that during the past thirty days alone thirty-two leading physicians have broken the rule of a life-time and have come out openly and publicly to give their unqualified endorsement.

So startling have been the reports in many thousands of cases that selected physicians in principal cities were expressly retained to study the Sargon formula and report their findings so that the public might know the whole truth.

Outstanding among the number are: Dr. P. K. Drummond, plant physician for the Ford Motor Company, Detroit, for 12 years.

Dr. C. J. Roberts, Philadelphia—Examining Physician for the Pennsylvania Railroad for 26 years.

Dr. W. L. Blair—Graduate McGill University Faculty of Medicine, Montreal—Medical Examiner for Sears-Roebuck, Detroit.

Dr. G. Warburton—Graduate famous Bellevue Hospital Medical College, New York.

Dr. Eugene Perkins—Physician for Western Electric Company, Philadelphia.

Dr. W. W. Kern—Examining Physician for New York Life Insurance Company—and many others.

In order that the public may receive the full benefit of the advice of these well-known physicians, their reports will be published in later issues of this paper. The statements of physicians of such standing are perhaps without precedent. Study their reports and profit by their advice.

Sold by Scoggin's Drug Store, Louisburg; L. W. Henderson's Pharmacy, Franklinton, Agents.—Adv.

all have been wanting to express.

The prizes, too, are well worth working for. There are state, district and county prizes. From the trip to Washington, offered by the state, to the fountain pen, offered by the county, these prizes serve as an extra incentive to students to do their best work.

Several of our students are planning to enter this contest, and we certainly hope we may be able to win.

### Flag Day Program

Recently the Junior order presented the school with a flag pole. Some time ago we were presented with a flag from the Junior order. The Bunn Graded school is very proud of these donations. We all like to be loyal to our school, but sometimes in the hurry and scurry of life we forget to appreciate our opportunities but when we see "our flag" it causes us to pause and think not only for our Country but our duty to our classmates and school.

In order that we may express our gratitude and appreciation of these gifts, we are going to give a flag program next Sunday afternoon. Appropriate songs will be sung. The address will be given by the Councilor and other flag program features will follow in regular order.

## Louisburg College News

March 18.—The faculty of Louisburg College were at home to a large number of guests Tuesday afternoon, at a lovely tea given in the college parlors from four to five o'clock. Miss John M. Terry was hostess in charge, assisted by Misses Williams and Johnston. The color scheme was a green and white motif, honoring St. Patrick's day. It was carried out in the refreshments, which consisted of sandwiches cut in Shamrock style, tea, green and white mints, and Shamrock cake. Those assisting in serving were Misses Katherine Blacklock, Annie Lee Cutchin, Bruce Dodd, and Mary Howard. Guests calling during the afternoon were Mesdames R. A. Bobbitt, W. B. Barrow, M. S. Clifton, F. N. Egerton, Ben Holden, M. C. Pleasants, Smithwick, Thyra Swint, R. A. Williams, O. Y. Yarboro, and Hortense Wood; Misses Annie Greene, and Lucy Smithwick.

March 19.—Amid festive St. Patrick's day decorations, the Y. W. C. A. of Louisburg College entertained at a St. Patrick's party in the social halls of the College, Tuesday night from eight o'clock 'til ten. Miss Susie Thrift, Y. W. C. A. President, was in charge of the attractive games and contests, all of which carried the thought of Ireland, either in color scheme or in idea. A Shamrock hunt taking place in the parlors, was the occasion for much excitement, followed by an Irish "snake contest".

Miss Bobbie Williams rendered a lovely solo "How Ireland Got Its Name". While the refreshments, which also carried out the St. Patrick's day colors, were being served, Miss Dorothy Casey entertained the guests with a number of Irish jokes.

### NOTICE

Having qualified as administratrix of the estate of Phil Pearce, deceased, late of Franklin County, N. C. notice is hereby given all parties holding claims against the said estate to present them to the undersigned on or before the 6th day of March, 1931 or this notice will be plead in bar of their recovery. All persons indebted to said estate will please come forward and make immediate settlement. This February 25th, 1931.

# Monarch Tires and Tubes

DIRECT TO THE CONSUMER—AT FACTORY PRICES! UNLIMITED GUARANTEE. MONARCH ADMIRAL TIRES are the equal in quality to any standard first line tire. MONARCH SUPER CONSTRUCTION is the equal to any tire made. Both carry UNLIMITED GUARANTEES as to TIME and MILEAGE, far superior to the yearly guarantee which we will also issue if desired. Call for explanation of difference. All Factories are making some good tires but usually make three or four grades, and the retailer often quotes in his advertisement the prices on the lower grades. Some don't have the Manufacturer's name on them. There is a Reason.

The Monarch Rubber Co. is beating competition in price by selling to the car owner direct through the Wholesale Grocers, with no extra rent, clerk hire, traveling salesman, Branch Warehouse expense nor National High Cost advertisement to pay and passing this saving in price to the consumer.

We have taken this Agency for Franklin County as a side line to our Wholesale Grocery business.

Some of our prices March 19, 1931, other sizes in proportion:

MONARCH ADMIRALS	MONARCH HEAVY DUTY SUPER CONSTRUCTION TRUCK TIRES	STANDARD RED TUBES
28 x 440 . . . . . \$4.48	30 x 5—6 ply . . . . . \$15.00	30 x 3 . . . . . . . . . . \$ .60
30 x 450 . . . . . 5.24	30 x 5—8 ply . . . . . 18.50	30 x 3 1/2 . . . . . . . . . . .70
32 x 475 . . . . . 6.59	32 x 6—10 ply . . . . . 20.95	28 x 440 . . . . . . . . . . .90
28 x 500 . . . . . 6.47		30 x 450 . . . . . . . . . . .90
HIGH PRESSURE NORTH-ERN CORDS		HEAVY DUTY RED TUBES
30 x 3 1/2 . . . . . \$8.24		30 x 3 1/2 . . . . . . . . . . .97
30 x 3 3/4 O. S. . . . . 8.70		28 x 440 . . . . . . . . . . 1.25
		30 x 450 . . . . . . . . . . 1.30
		30 x 5 Truck . . . . . 2.35
		32 x 6 Truck . . . . . 3.45

We especially recommend our 32x6 10 ply Truck tire. The regular list retail price on this tire is \$48.50. Other make tires of this grade 10 ply sell for about the same price retail. You save on the other tires and tubes in the same proportion. Note prices on the tubes. Call and examine them.
