## FULLER TAKES AUDITORS OATH

(Continued from Page One)

and that he would have to hear him.

The County Attorney, Hill Yarborough, read a letter from the Local Government Commission and the State Tax Commission regarding the Franklin County Budget and tax rate. This letter was published in last week's FRANKLIN TIMES.)

Dr. Fleming read certain subjects for discussion from the Tax Relief Association and the Commissioners were asked to accept them for consideration. They were as follows: To the Hon. Board of County Com., Franklin County, N. C. Gentlemen:

We, a committee selected from the various townships of Franklin County and instructed by the citizens of our respective townships, do hereby offer for your serious consideration and immediate action, in behalf of the interest of Franklin County and its people, the following:

1. The issuing of any bonds whatever from Franklin County.
2. The proper assessment and listing of all property for taxation.
3. The correct and most economically drawn budget.
4. The proper and correct calculations pertaining to all tax rates.
5. The application of moneys on hand and lawfully available from loans made by the county upon the debts of the county.
6. The fairness of tax collections, especially regarding taxes more than six year in arrears, attachment of personal property and the insolvent list.
7. The expenditure of money and creation of current debt in anticipation of taxes to be collected.
8. The consideration of grand jury reports rendered in January and in October; together with recommendations submitted by a committee of State officials and citizens, which recommendations were, in part, that a complete and verified audit be made of the County Accountant's office from the day that Mr. Geo. L. Cooke took office as County Accountant up to the date of installation of your newly elected County Accountant, Mr. W. N. Fuller.
9. The terms of the contract as drawn with the county attorney for the collection of back taxes, especially relating to the effective collection of taxes, the fairness to tax payers in arrears, and the distribution of fees and penalties involved; the practicability of combining this work with that of the tax collector.
10. Your thorough consideration and study of the law in connection with all matters above mentioned.

Respectfully submitted,  
Franklin County Tax Relief Association, Special Committee.

The above were submitted for consideration and the Board agreed to consider them and meet the committee again on Wednesday night at 7 o'clock. In the discussion of these subjects Dr. Fleming explained what he considered the difference between bonds and notes and recommended that notes be renewed instead of

Bonds issued. He stated that issuing bonds would be putting a blanket mortgage on property that taxes have been paid on as well as on property that taxes have not been paid on. The chairman stated that if the explanation be true he would be willing to renew notes instead of issuing bonds, but that he had been advised differently. He said that he is of the opinion that the County, as a whole, is responsible for outstanding notes as well as bonds.

The Board ordered the segregation of land of C. B. Barham, Mrs. B. T. Green and C. H. Stallings for taxing purposes.

After allowing a number of accounts the Board adjourned to meet again Wednesday night.

## Louisburg Defeats Atlantic University

The "Infants" of Louisburg College won a great victory over Atlantic University last Saturday, October 30, at Virginia Beach, by a score of 7 to 6. The first half was a hard struggle for both teams although the Seadogs did not cross Louisburg's forty yard line in spite of their outweighing the Louisburg team by an average of at least ten pounds per man. In the third quarter came the opportunity for the "infants" to score when A. U. tried a pass on the twenty yard line and Burgess a fast and shifty back, intercepted the pass, eluded two would-be tacklers and raced across the line for a touchdown. Waddell threw a pass to Clark for the winning extra point.

The Seadog's touchdown came early in the fourth quarter when on a series of end runs they brought the ball down to within six inches of the goal line. The next play was a line plunge and the full back with a running dive took the ball over by a scant foot. Their try by a line plunge for the extra point failed due to the good work of the Louisburg line.

The generalship of Captain Waddell, the ground gaining ability of the backfield, the great work of the entire line, and the fighting spirit of the whole squad was responsible for the defeat to Atlantic University.

Score by quarters: 1-2-3-4-T.  
Louisburg C. 0 0 7 0 -7  
Atlantic U. 0 0 0 6 -6

Line-up: Thomas, L. E.; Wilson, L. T.; Finch, L. G.; Black, center; Harris, R. G.; Edwards, R. T.; Richards, R. E.; Clark, L. H.; Rogers, R. H.; Burgess, F. B.; Waddell, Q. B. Substitutes—Edwards for Clark; Ziegler for Finch, Clark for Edwards; Fussell for Richards, Edwards for Clark.

First Downs: L. C. S. A. U. 9.  
Passes tried: L. C. 13, completed 5 for 45 yds. A. U. 8, completed none.  
Scrimmage gains: L. C. 134 yds. A. U. 165 yds.  
Touchdown: L. C. Burgess 1, extra point, Clark 1.

## BARACA-PHILATHEA CONVENTION

The first Sunday in November, 1931, the Franklin County Baraca-Philathea Convention met at White Level Baptist church. The meeting was called to order by the president. The choir sang two familiar hymns, "We'll Work Till Jesus Comes", and "Love Lifted Me". We were then led in prayer by A. A. Shearin, of Centerville.

The Welcome to classes and visitors was graciously extended by Mr. T. H. Dickens, of White Level. Response by Willard White, of Bunn. Devotional exercises were conducted by Miss Lessie Gupton, of White Level, using 1st John 4: 7-21 as scripture lesson. The White Level and Sandy Creek quartettes furnished many beautiful selections throughout the day, which was enjoyed by all present. The largest number of classes reported at this convention, than before in several years. Let's hope that we will continue to go forward. A few remarks were given by Ed. Aycocke, last but not least, Hon. W. L. Lumpkin, delivered the morning address using, "Sunday School's and Its Opportunity in Service", as a subject. This was an inspiring speech. Appointment of committees were heard. Dismissal by G. B. West and then the crowd gathered where a bountiful dinner was served.

The afternoon session opened with a quartette by the Sandy Creek boys. Prayer was offered by Rev. F. G. Walker. The White Level quartette rendered a beautiful selection and then Rev. G. W. May led in prayer. "Why I Go to Sunday School" was discussed by two Juniors: 1st part, "For Rest", by Wilbur Gay, of Pearce, 2nd part, "To Worship" by Margaret Collins, of White Level. Rev. G. W. May was asked to comment on the talks given by the Juniors. Wilbur Gay and Noma Amos of Pearce, sang a duet, "The Best Friend to Have is Jesus".

The judges announced the following classes as banner winners: Sandy Creek Baraca, Pearce Philathea, White Level Jr. Philathea and Sandy Creek Jr. Baraca. The banners were awarded by the president. We were just so glad to have the Baraca class of Red Bud to join our convention. Their report was good and we're hoping they will win the banner at our next convention. The committee on place reported that the Maple Springs Baptist church would be the home for the next convention which is to be held the first Sunday in May, 1932.

J. Forrest Joyner, Pres.  
Nell Joyner, Sec'y.

## KIWANIS ENTERTAINS

A. L. A. OFFICERS

Mrs. H. W. Perry, Dept. President of the American Legion Auxiliary, and Mrs. Beatrice Carroll, State Secretary were honored guests at the Louisville Kiwanis Club, Friday night Oct. 30.

Mr. Best, looking into the future a bit, told of the work yet to be done. "The field is greater than ever and to stop would mean an unfinished job."
