9th Grade—A Field Trip

Miss Sherwin, our Science teacher, delighted the ninth grade with a field trip Tuesday morning.
When we met in our class room before leaving, Miss Sherwin told us that we were to collect, on our trip, twenty-five or thirty leaves, give the name, venation, arrangement, color, form, margin, and a few miscellaneous notes on each. Among the other collections were pond scum, insects, fungi, and other things worth class discussion.

Thirty boys and girls left happy and prepared for what might come. We left the building at 9:15 o'clock and walked rapidly until we reached the woods and began listing the trees. Each person obtained one leaf from every tree to carry back to class room for discussion.

We soon returned to the building with several mishaps, namely: being chased by a cow, obtained minor cuts, and damp feet by sliding into the creek.

We wish to show our greatest appreciation for the deep interest shown to us by our teacher and I daresay everyone not only enjoyed the trip but profited thereby.

MARGARET GRIFFIN.

One of Payne's plays will be given by some of the faculty and townspeople within the next week or two. A definite date has not been set. Look for further announcements.

The name of the play is "Izzy Bloom's School of Acting". If you want to see a real comedy, plan to come to see this production. Izzy is a typical Jew. You will hurt your sides laughing at him; likewise, Sardine, the black-faced comedian will make you forget your troubles. Come one and all!

Y. T. H. F.

The Bunn chapter of the Y. T. H. F. met in the gymnasium on Thursday evening October 22, for the purpose of initiating the boys who were enrolled in Agriculture and were not members of the club.

A short program was rendered by the officers and advisor, then the actual initiation began. There were twenty-one candidates to become greenhands. Only fourteen were admitted to the club Thursday evening. The other seven will be admitted soon.

Basket Ball

The interest of B. H. S. has turned from base ball to basket ball. A large per cent of the boys are going out for basket ball, all doing their very best to make the team, and under the splendid coaching of Mr. O'Quinn, the Bunn High school boys are apt to have a splendid team.

Physics Project

Our physics class is working out a project consisting of the different phases in Thomas A. Edison's life. Some of the students are working on his early life, others have his scientific inventions. Each individual has a phase of Edison's life to write up. When these have been written they will be typed and made into a booklet and when we have finished we hope to have a complete and interesting life of Thomas Edison.

Junco Club Meeting

The Junco Club held its regular meeting in the English room last Wednesday afternoon. The minutes were read and the roll called by the secretary, Jarvis Carlyle, who the club was glad to have present. There was some interesting business concerning the arrival of the class rings. The program leader was Louise Williams. It was a splendid program consisting of Poe's life and works; being very educational as well as interesting. It was as follows: Sketch of Poe's life—Louise Purkerson.

"The Raven"—read by Juanita Perry; dramatized by Glynn Dickerson. Poem—"To Helen"—Ruby Gray Horton. Poem—"A Dream"—Linwood Mullen. Story—"The Gold Bug"—Maggie Edwards. Poem—"Ulamune"—Hattie Murphy. "The Spirit of Poe"—Louise Williams.

The critics report was given by Miss Byron. The club then adjourned.

Entertains Student Body

The Y. W. C. A. organization of Louisburg College entertained the student body of the College at a delightful Halloween Banquet at the College dining halls on Saturday night at 5:30 o'clock.

The halls were festively decorated in the jack-o-lanterns, pumpkins, black cats, a soft glowing from the candles and jack-o-lanterns. Favors of horns and Halloween caps were at the places on the feast table. A full three course banquet was served by young ladies in festive costumes, lending much of the spirit of the holiday occasion.

An interesting and entertaining program was enjoyed during the banquet. Unison songs and tunes were joined in lively by the feasters. Special on the program were little talks by Miss Frances Whittle and Mrs. Harvey Boney, and a vocal solo by Miss Ruth Cathey who was accompanied at the piano by Miss Dorothy Hurley. The fete was presided over by Miss Dorothy Hurley.
