## Chace - Yarborough

Mr. and Mrs. William Henry Yarborough, of Louisville, announce the marriage of their daughter, Mary Wyatt, to Richard Arsen Chace, at 10 o'clock on Wednesday, November 15, 1931, at the Church of the Ascension, in New York City.

The wedding was solemnized in the presence of a few friends and relatives, the ceremony having been performed by Reverend Donald B. Aldrich, D. D. The bride was given in marriage by her brother, Hill Yarborough, of Louisville, and was attended by Miss Emily MacRae, of Asheville, and New York City, as maid of honor. Sanford Chace, of Fall River, Massachusetts, was best man.

Preceding the ceremony, the church organist, Miss Adam, played the Andante Cantabile from Tchaikovsky's "Fifth Symphony," and as the bride entered she played the Bridal March from "Lohengrin," by Wagner. During the marriage service there was no music, but at the conclusion of the service the bride and bridegroom left the church to the strains of Mendelssohn's "Wedding March."

The church was simply decorated with flowers about the altar. Following the ceremony at the church, the bride and bridegroom, their friends and relatives were entertained by the brothers of the bride, Hill Yarborough, of Louisville, and William H. Yarborough, Jr., of Raleigh, at a delightful wedding breakfast. Miss Charlotte O'Mara, of New York City, gave an enjoyable party during the afternoon.

The bride is the charming and attractive daughter of Mr. and Mrs. W. H. Yarborough, of Louisville. She is a graduate of St. Mary's School, Raleigh, where she won the Niles medal and was valedictorian of her class, and of Smith College, Northampton, Massachusetts. She is a member of Phi Beta Kappa, national scholastic fraternity, of Phi Beta Phi Sorority, and of the Daughters of the American Revolution. She comes of a family long prominent in the State.

Mr. Chace is the son of Mr. and Mrs. Leonard S. Chace, of Fall River, Massachusetts, and New York City. He attended Brown University, and graduated from the University of North Carolina, where he was prominent in literary activities, having been associate editor of the "Carolina Magazine" and editor of the "Agora." He is a member of the Sigma Nu Fraternity. At present he is engaged in the publishing business in New York City.

Mr. and Mrs. Chace will be at home after December 1 at Forty Fifth Avenue, New York City.

CHARITY FOOT  
BALL GAMETo Be Held at Duke University,  
Durham, Between Teams Selected  
From Carolina and Duke on One  
Side and State, Wake Forest and  
Davidson on The Other.

The Big Five Charity Foot Ball Game, arranged by the Governor's Council on Unemployment and Relief, will be played at Duke University Stadium Saturday, December 5th, 1931.

The Carolina and Duke squads will be combined to make up one team; and the State, Davidson and Wake Forest eleven will supply the players for the opposition. Various combinations may be used during the game, such as the Carolina line backed by the Duke backfield; the reverse of this arrangement; or a mixture of players of the two institutions so as to get the best possible alignment. It is just possible that the Carolina team may play as a unit for a few minutes; and that the Duke team may follow suit. The possibilities as far as the other team is concerned are equally divergent.

Johnny Branch, Kid Brewer, Carolina and Duke stars, will be seen in action in this Big Five charity event. Other stars from all five colleges will battle during the afternoon.

Ticket sale is being handled by the American Legion, at the request of State Commander Henry C. Bourne, of Tarboro. Communities in which tickets are sold will receive a part of the money to be raised by means of this charity game, 40 per cent going to the local community which help the Legion to sell the pastebards. The expense of the game are to be deducted from the other 60 per cent and this fund used by the Governor's Council on unemployment and Relief, as Governor Gardner and his council see fit, so as to do the most good in the relief program of the state, at the time when such funds are most needed. Governor Gardner is heartily in favor of the game. He was the first citizen of the state to purchase tickets in the special "guest" section of the Duke stadium. Such tickets sell for \$5 or more, according to the wishes of the buyers. General admission tickets are going for \$1; and reserved seats at \$2 each.

The Big Five game and the others to be played by members of the Little Six and Freshman teams and the negro game, to be played in Greensboro, are all a part of the Council's program for a big charity football day on December 5th. Governor Gardner has taken a very active part in the calling of conferences in working toward this scheduling of charity events. Coach R. A. Fetzner, of Carolina, is chairman of the Athletic Division of the Council, which has all arrangements in charge.

Besides the Big Five game the Little Six is to play several games, which have not been made definite yet. The Carolina and Davidson Freshman squads are to stage a game at Hickory. The Agricultural and Technical College, colored, at Greensboro, will play for charity with the opposing eleven composed of star intercollegiate negro players from all over the country. In fact, Saturday, December 5th, will be a big day in football history in North Carolina.

Tickets for the game are being sold in Louisville by the James Post of the American Legion and can be bought at Boddie's Drug Store and Scoggins Drug Store.

## Tobacco Sales Good

Prices On Some Grades Better—  
Large Lot Common Hold Average  
To Around 10 Cents.

Reports from the Louisville Tobacco market show good sales all the past week with prices very good on good cutters and leaf. This class of tobacco is selling much better than last week. Medium and common tobacco remain about the same as last week. Very much common tips and lugs have shown up this week which keep the average around 10 cents. The market is about, in poundage equal to last year to date. It is expected the market will sell as much as last year which is considered good owing to the shortage in crop, as many markets will not equal last year's in quantity sold.

Louisburg market is still holding its position around the top as compared with other markets in getting the high price for tobacco.

ROOM FIGHTLouis Bullock Almost Cuts Peyton  
Terrell's Head Off Thanksgiving  
Afternoon—Held For Court Under  
\$10,000 Bond.

Louis Bullock, colored, was bound over to Franklin Criminal Court under a \$10,000 justifiable bond for the murder of Peyton Terrell, also colored, by Magistrate B. B. Perry at a hearing held on Friday of last week. The murder was committed on Thursday afternoon about 4 o'clock in the colored pool room on Bull Run alley under the Professional building. Bullock almost severing Terrell's head from his body with a knife.

From the evidence the trouble arose over a disputed payment for a game of pool, following which Bullock attempted to leave the pool room with some of the pool balls in his pockets and was pulled back by Terrell. The cutting took place when both fell as Bullock was pulled back in the pool room.

Terrell was taken to Dr. Perry's office where he died in a few minutes. It was ascertained that both the jugular vein and an important nerve coil were severed.

Bullock was remanded to jail in default of bond to await trial.

New Chevrolet  
On Market

Chevrolet's new car for 1932 goes on display today at Dealer showrooms throughout the nation.

Embodying silent synchro-mesh transmission in combination with selective free-wheeling, a twenty percent increase in power, top speed of 65 to 70 miles an hour, streamlined bodies and a wealth of other new features, the new car remains in the price range of the current series, the lowest at which a Chevrolet has ever sold.

Heralded as "The Great American Value for 1932", the car boasts more extensive changes than any annual Chevrolet model since the change-over to a six in 1928. Yet changes are mostly refinements over the basic design of the 1931 car which, from the standpoint of public acceptance, was the most successful in the history of the company, and brought Chevrolet first place in the industry during the highly competitive market of the past twelve months.

Practically every proven automotive feature of recent years is incorporated in the new 1932 Chevrolet, as well as a new "stabilized" front end construction embodied for the first time on any car. Outstanding improvements in the '32 line over last year's models are down-draft carburetion, counter balanced crankshaft, smaller wheels and larger tires, radically changed front end appearance, "finger touch" front seat adjustment, cowl ventilator on all models, hood doors instead of hatches, improved clutch and an additional cross member in the frame.

Colored Boy  
Killed Near Pilot

Robert Wiggins, eight years old, was accidentally killed on Saturday morning near Pilot, by Abraham Jones, 13 years old, by the discharge of a shot gun, both were colored.

At a hearing held before J. J. Young, Clerk of Court and Judge of the Juvenile Court it developed that the shooting occurred at Jones home. The father had told an older son to take the gun and go hunting. The boy took the gun and started out, but having to go back in the house put the gun on the porch. While he was gone and not knowing the gun was loaded, Abraham took up the gun pointed it at Robert and pulled the trigger. It snapped at first but on second trial the gun fired, the load taking effect in Robert's mouth, killing him instantly.

Robert was living with his grandmother, who was Abraham's step mother. The court held that the shooting was an accident and let the boy return home with his parents.

## "SEE YOU LATER"

TO BE PRESENTED IN LOUIS-  
BURG, DECEMBER 11THLouisburg College To Sponsor And  
Stage Elaborate Comedy at Mills  
High School Auditorium Friday  
Of Next Week.

"See You Later," a musical comedy in three acts will be given in the High School Auditorium on Friday, December 11, 1931, at 8:15 P. M. The play is sponsored by the Commercial Department of the Louisville College for the benefit of school activities.

"See You Later" is not a conglomeration of untrained amateurs but a college play directed by a professional stage and radio artist, namely Jimmie La Verre, well known in musical comedy and writer of several song hits as well as identified over radio stations over the entire country. Mr. La Verre comes from Hollywood California to stage plays for colleges and local organizations in east and south to aid colleges in this time of depression in order to keep our educational institutions on top. Not only will Mr. La Verre act as director but will play role of Jew comedian in "See You Later" here giving folks a chance to see a big time comedian at small time prices.

The cast is made up entirely of talented taken from the college as to characters. A group of forty attractive girls make up a dozen flashing choruses, dressed as chorus girls should be dressed and doing steps taken from big time musical shows. There can be no doubt about the choruses of "See You Later" being the best ever displayed in Louisville.

As added attractions there will be a kiddies cabaret. Something new in this section. We have often gone to the theatre and seen the kids of Hollywood playing heavy roles, now we will see our own kiddies from four to eight years playing parts of Al Jolson, Rudy Vallee, Helen Kane, Charles Farrell, the Duncan sisters, in fact all the stars of today played by the stars of tomorrow.

This scene above is worth the price of admission.

The entire performance will move steadily, without those unwanted waits between acts. During this time local artists and college players will give vaudeville and musical numbers in order to keep the entertainment going continually.

Tickets will be on sale by students and in local stores, a store in Franklin will act as a sales point for that town. Tickets will be sold 'till house is sold out and that is all. Don't fail to buy at earliest possible moment and get in on this high light of entertainment.

Annual Tubercu-  
losis Seal Sale

The annual Tuberculosis Seal Sale was launched Friday 27th in Louisville and Franklin County under the direction of Mrs. R. F. Yarborough, general chairman.

Proceeds from the sale of the little red Christmas stickers go toward the prevention and cure of tuberculosis.

Franklin County was fortunate to secure through the Health Department the Tuberculosis Clinic, which was held through the month of October, with a follow-up x-ray examination of all the school children, who showed a reaction to the tuberculin test.

The seal sale fund will be used for undernourished children in tuberculosis families. Where children have fully developed cases of tuberculosis, and have no access to fresh air and sunlight, the Association hopes to arrange for them to secure the air and light so necessary to the cure of the disease. Arrangements to provide milk for these patients will be made, if the sale of the seals is sufficient. Fresh air, sunlight, rest, and milk will do more toward preventing the development and spread of the disease than any thing else in the home treatment and can be had at a very small cost.

Parents, when warned of child's condition should make every effort to retard the disease, which is highly curable in children.

Chairmen of various groups in town and county are making preparations to put over the best campaign the County has ever conducted. The appeal is strong! Every citizen, man, woman and child, will feel the urge to buy the little seals to benefit these little ones in the early stage of this dread disease. Buy seals and help them!
