Cantata

The Edward Best Glee Club is preparing to give a Christmas cantata, and other Christmas songs at the Cedar Rock church, on Saturday evening, December 26, at 6 o'clock.

If other churches in the E. B. H. S. district desire to have the Glee Club sing at Christmas exercises, the Club will be glad to render such service. Those wishing to have the High School Cantata see or write to Mrs. T. H. Sledge, Louisburg, N. C.

The Dramatic Club Christmas Tree On Wednesday night, December 16th all the members of the Dramatic Club and the invited guests assembled in the home Economic room to enjoy an evening of real fun.

The room was carefully decorated with holly, mistletoe, and other Christmas decorations. In one corner stood the Christmas tree. A well prepared program was rendered. Refreshments were served and then the presents were presented by Mr. Litchfield. At the close every one declared that the reception was well worth attending.

Juniors

For the past week the Juniors have been studying very hard for examinations, which will be next Tuesday, and Wednesday. We all hope we can pass on the first semester.

Friday, December 18 our English Class had to write on a piece of paper one thing that each have learned this year. These were placed on a Christmas tree which was in the room.

We welcome Marie Frazier who came to us from Castalia school. We agree with the people at Castalia that she is smart.

English Club

The 8th grade English Club had a very interesting program Friday morning, December 18. The following program was given:

- Song No. 4
Devotional—Celia Griffin.
Why we have English—Katherine Dean.
Who's who at E. B. H. S.—Mildred Sykes.
The value of Good English—Grace Southall.
Jokes—Mildred Bunn.
Stunts—Wallace Neal, Ernestine Gupton, and Mozelle Griffin.
Poem—Ernest Wilder.
Why we take notes in English—Miss Gupton.
Songs for fun.
Social hour by group I.

The Edward Best Chapter of Young Tar Heel Farmers met Friday, December 18, during the regular club period.

The club opened with the regular business form. After the opening William Sledge conducted Devotional exercises, two boys read Christmas poems, and five boys sang a song.

There was no business, so the club adjourned to meet again the first club period after Christmas.

Girl's Basket Ball

The girl's basket ball team, under the supervision of Miss Taylor, is working very hard this year. We are working on new plays. Come on team we can do it. Let's win.

Boy's Basket Ball

The boy's basket ball club at Edward Best high school has just started its progress. We do not have any games scheduled; yet we hope to get the chance to play soon. We regret the loss of three of our best players: Foster Cone, Everette Parker and Howard Williams. In spite of this, we are wishing to make a good showing.

History Club

The ninth grade history club met December 11, at the regular time. The program was very interesting.

Among the most interesting things were: A talk about Christmas by Leon Perry; Life of Napoleon by Linwood Coppedge, Citizenship by Durward Stallings, and jokes by Margaret Strickland. Refreshments were served by Simpson. We adjourned to meet again December 18.

PRACTICAL GIFTS

Demand for the practical in Christmas gifts this year is indicated by the acceptance of the specially designed cartons of cigarettes that have been placed on the market by leading manufacturers. Cigarettes are always welcome to both men and women smokers and at the same time selecting them as gifts solves the old Christmas question: Where can I find a present that I am sure will suit my friends and will be useful and yet will not be too expensive? Smoking habits in this country have changed and cigarettes are now the popular smoke because, as authorities in the industry point out, modern methods of manufacture such as the toasting process including the use of ultra violet rays have been introduced to remove certain harsh irritants that cause throat irritation and coughing. Cigarette manufacturers are ever on the alert to provide the best possible product for the public and this accounts for the new notched-tab cellophane package which keeps the cigarettes fresh regardless of climatic changes. For the special Christmas package a cardboard cover appropriately decorated with Christmas designs has

TEN AND TWENTY YEARS AGO

Items of Interesting Happenings taken from the columns of THE FRANKLIN TIMES this week ten and twenty years ago:

December 22, 1911.

Capt. C. H. Banks of Co. D, Louisburg Rifles received an order yesterday from the Adjutant General ordering the entire State Militia into service.

Little Aubrey, the ten-year-old son of Mr. John Wester, of this county was accidentally shot on Thursday of last week. The accident was caused by a rifle which had been carried out of the house for the purpose of killing hogs and evidently been placed back in the house without unloading same. The little fellow who did the shooting was pranking with the rifle, and upon Aubrey's entering the room leveled the gun on him and fired, not having any idea the same was loaded. The ball took effect just below the right ribs and passed through to the back. Medical atten-

tion was administered and the little fellow was resting well, with chances for his recovery in his favor, on Tuesday morning.

December 1921.

Information was received in Louisburg Wednesday of a serious automobile accident near Crabtree Creek on Tuesday night, of this week, when the automobile in which Messrs. J. P. Timberlake, B. T. Holden and Dr. A. H. Fleming were riding turned over each of whom received painful injuries but nothing serious.

Cotton sold for 17 1/2 cents a pound in Louisburg yesterday.

The new fire truck purchased by the Town of Louisburg in the summer arrived this week and will be given a tryout as soon as the factory representative arrives.

been prepared to slip over the car. This cover not only gives a Yuletide touch but affords added protection for mailing purposes, a protection that is necessary at this time of the year because of the great burden of mail that floods the post offices of the country.

Diner—Walter, this fish is terrible. Why did you so highly recommend it?

Waiter—Because, sir, if you hadn't taken it, we servants would have had to eat it.

You needn't tell me — I know Camel is the fresh cigarette!

Here's why they're FRESH! CAMELS are never parched or toasted

THERE is of course a sound reason why the Camel Humidor Pack can deliver to Camel smokers a cigarette that is genuinely fresh.

Camels are made fresh to start with, fresh with natural moisture — blended of the choicest, delicately mild, full-mellow, sun-ripened tobaccos that money can buy.

The full natural goodness of these fine tobaccos is safeguarded at every step in their handling — they are never parched or toasted — the Reynolds method of scientifically applying heat guarantees against that.

That's why we can say with every assurance that

Camels are truly fresh. They're made fresh — not parched or toasted — and then they're kept fresh in the Camel Humidor Pack.

The delights of a genuinely fresh cigarette are so rare and desirable that Camel popularity continues to mount daily to new highs.

Test these delights for yourself — see what true freshness means in cool, slow-burning, delicate mildness — switch to Camels for just one day, then leave them — if you can.

CAMELS Made FRESH — Kept FRESH

Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against perfume and powder odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack can be depended upon to deliver fresh Camels every time.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. This pure vegetable preparation is just as good as it tastes, just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria have him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.
