Ex-Service Men To Meet

Franklin County World War Veterans
Invited To Mass Meeting in Frank-
lin County Court House.

In accordance with a request from
State Commander Henry C. Bourne,
the Jambes Post of the American Leg-
ion, invites every World War Veter-
an in Franklin County to attend a
meeting to be held in the Court House
at Louisburg, N. C., Monday, April
15th at 8 P. M.

The primary purpose of this meet-
ing is to get together and to discuss
fully and openly the question of the
immediate payment in full of the
World War Adjusted Compensation
certificates. The Jambes Post has
already met and passed resolutions
requesting the immediate payment of
these certificates. The Post has wired
our National Commander a message
repudiating his recent stand against
the payment in full immediately, and
has wired all of our Congressmen
requesting their support of legisla-
tion for immediate payment. A mes-
sage of appreciation has been wired
to Honorable Wright G. Patman, for his
untiring efforts in behalf of the ex-
service man.

However, the Jambes Post wishes
to go further than this and to secure
the opinion of every World War Veter-
an in our community, whether he
be a member of the American Legion
or not. Other matters pertaining to
the welfare of the Legion will be
discussed. It is hoped that every
World War Veteran who can do so
will meet with the Jambes Post, next
Monday night at 8 P. M.

Mr. D. P. McDuffy, an outstanding
Legionaire of Henderson, N. C., has
been invited and is expected to ad-
dress this meeting.

Louisburg Tennis Association Formed

The devotees of the splendid game
of tennis will be pleased to learn
that an opportunity will be offered
them for the first time to play the
game on real tennis courts. The
Louisburg Tennis Association has
under construction two clay courts
which will be ready for play within
the next two weeks. The courts will
be perfect in every respect, complet-
ely enclosed with ample playing room
on all sides.

It is planned to limit the mem-
bership so that each member will
be able to play as often as is desired.
Junior membership will be offered
children under eighteen with their
hours of playing somewhat restricted
so as to leave the court open to the
senior members at those hours of the
day when it is possible for them to
play and yet leaving children most
of the day with equal privileges with
the senior members.

The courts are located near the old
Baker place and are laid out facing
north and south—a new and much
desired feature in Louisburg courts,
to avoid the glare of the sun.

Enquiries regarding membership
may be referred to Dr. H. H. Johnson
who is acting secretary and treasurer
of the new association.

JAMBES POST REPUDIATES ACTION OF NATIONAL COMMANDER STEVENS

At called meeting the Jambes
Post, the American Legion repudiated
the recent action of National
Commander Henry L. Stevens, in
which he asserted that only twenty
three Posts of the American Legion
favored the immediate cash payment
of the World War Adjusted Compens-
ation. The following telegram was
dispatched to National Commander
Stevens: "As National Commander
of the American Legion, we feel
that you should represent the mem-
bers of our organization. You have
gone out of your way to oppose
them. Why?"

After thorough discussion of
the matter the Post voted to wire
our respective Congressmen and solicit
their support of legislation for the
immediate cash payment of the
World War Veteran's Bonus. While
realizing that the United States Gov-
ernment is hard pushed to balance
the National Budget, the Post real-
izes that the World War Veteran
fought the War, and is now paying
their pro-rata share of the taxes
levied for the payment of war debts.
The German soldier, and the allied
soldiers, have been shown special
consideration in time extension on
war loans to their respective nations.
The Post believes that the time will
never come in his lifetime, when the
World War Veteran will need relief,
more than he does at the present
time. The United States Govern-
ment owes a just debt to Americans
who fought the World War, and the
soldier is merely asking that this
debt be paid. The Post wired Hon-
orable Wright G. Patman, its sincere
appreciation of the fight that he is
making in behalf of the ex-service
man.

Lindbergh Baby Not Yet Found

Hopewell, N. J., April 13.—Dr.
John C. Condon indicated today
that he had renewed negotiations
with the kidnapers of the Lindbergh
baby, to whom he has already paid
a \$50,000 ransom, and police dis-
closed they had received a "mys-
terious message" telling where def-
inite information of the baby's
whereabouts might be obtained.

Still In Contact
"I'm convinced I had contact with
the kidnapers and I still have con-
tact with them," Dr. Condon, who
negotiated with the criminals
through a series of advertisements
signed "Jafste," said early today
after a mysterious night journey.

A few hours later Col. H. Norman
Schwarzkopf, superintendent of
State Police who is in general charge
of the police investigation, issued
his usual morning bulletin and in it
announced the latest clue.

Mysterious Message
"A mysterious anonymous mes-
sage was received," he said advising
that definite information of the kid-
napers and the whereabouts of the
child would be available on a boat
on or near the property of the A.
A. C. and Company of Chrome, N.
J.

"Details of troopers, together with
a detail of the Cartaret police,
searched all boats in and near the
A. A. C. dock and found only six
barges. Two barges had just un-
loaded coal and four empty barges
were about to be filled with fertil-
izer. All other boats at neighbor-
ing docks were examined but nothing
of any importance was discov-
ered."

Seek Gangster
Col. Schwarzkopf also said in his
bulletin that Harry Fleischer, Det-
roit Purple gangster long sought
for questioning about the kidnaping,
was reported to be planning to sail
to England from Nova Scotia.

"Reports were received last
night," he said, "that Fleischer was
seen during the past week in St.
John's and is making his way to
Halifax. Authorities at St. John's
and Halifax have been requested to
watch for him and a careful survey
of passengers leaving Halifax has
also been requested."

Mesdames G. M. Beam and E. F.
Thomas will be hostesses to the

19th, at 4 o'clock at the home of

ceived promotion in the Scout ranks.
The Court of Honor exercise was fol-
lowed by a talk from Mr. Claude
Humphreys, Scout Executive. He
spoke concerning the new troop
camp plan to be practiced this sum-
mer. The meeting was concluded by
a program given by the Henderson
Troop, which illustrated the differ-
ent Merit badge work done by Scouts.

into flour for distribution by the Red Cross to feed the hungry.

a Central Relief Committee: Dr. R. F. Yarborough, Dr. H. G. Perry,

son.

Franklin County Council P. T. A.

The Franklin County Council of
Parent Teachers Associations held its
regular meeting Thursday afternoon,
April 8th, at Bunn. A large number
of members were present to rep-
resent the various local Parent Teacher
Associations.

The meeting was called to order by
the Chairman, Mrs. Mitchner, and
the association sang America. The
devotional was led by Rev. Thompson,
of Bunn, after which Mr. Crawford,
of Bunn, gave the Welcome. The
Chairman responded. The Bunn quartet
delighted the group with a musical
selection.

The minutes of the last meeting
were read by the Secretary, after
which the President reviewed briefly
the work of the council during the
past year. Next came the Treasurer's
report and the reports from the local
Parent Teacher Associations. The re-
ports were very good and showed that
the Parent Teacher Associations as a
whole have stressed relief work and
the welfare of children.

The school principals, together with
Dr. Yarborough, the County Physi-
cian, made short talks in which they
expressed appreciation of the work
done by the Associations.

The high spots of the program were
the two addresses, given by Mrs. Roy
Wilder of Spring Hope, President of
the Northeastern District, and by Mr.
E. L. Best, Supt. of the Franklin Co.
Schools.

Mrs. Wilder urged the Parent
Teacher Associations to take more
Child Welfare Magazines; to celebrate
Founders' Day, and to send in ques-
tionnaires sent out by President. She
stressed the cooperation of the Par-
ent Teacher Associations and gave
a number of facts in regard to district
work for the coming year. There
will be no State Convention this year
due to the change in fiscal year;
Spring Hope is to be the place for
District Meeting of the Parent Teacher
Associations in October.

Mr. Best, in a brief but forceful ad-
dress, spoke of the cooperation of
the Parent Teacher Associations in
every emergency and reviewed the
purpose of the Associations namely:
to improve the child; to improve the
home; to improve the school; to im-
prove the teachers; to improve the
community.

The council decided to have a li-
brary which is to be in Mr. Best's
office. It was also decided that the
Council would ask each Association
or individual to furnish a book or
books to the library. They are asked
to communicate with Mrs. R. F. Yar-
borough, Chairman of the library
committee.

It was suggested that each P. T. A.
subscribe for at least one copy of
Child Welfare Magazine.

It was also decided that the Coun-
cil should hold two meetings each
year instead of one. The next meet-
ing is to be in Louisburg sometime
in October.

After adjournment the group was
served a delicious salad course by
the members of the Bunn Home Eco-
nomics class, which was enjoyed very
much.

Fayetteville, will be in Louisburg
on next Wednesday to purchase
poultry. This firm is conducting a
general poultry business, visiting se-
lected locations and making a ready
cash market for poultry. Those
people in Franklin County who have
poultry for sale should read their
advertisement in this issue. Also
those who usually need cash
throughout the year should raise
poultry, which is fast becoming a
ready cash crop.

How They Voted

The TIMES is requested to pub-
lish the roll call vote of the Town
Commissioners on the question of re-
ducing the salaries of the employees
of Louisburg. The minutes as first
transcribed did not carry this infor-
mation, but it has since been sup-
plied and is as follows:

A petition signed by a great num-
ber of citizens and property owners
of Louisburg, N. C., addressed to the
Board, requesting it to re-consider
its former action in cutting the
salaries of Town employees 20
per cent, was read to the Board by
Mayor L. L. Joyner. This petition
was discussed at length, and a re-
vised schedule of salaries was sug-
gested to the Board by Mayor L. L.
Joyner.

A motion was made by R. W.
Smithwick that the revised schedule
be adopted. This motion was secon-
ded by Mr. W. E. White.

A roll call vote was taken on the
above motion with the following re-
sult:

For acceptance of the Revised
Schedule (increasing the schedule
over the decrease ordered in the
meeting before) R. W. Smithwick,
W. E. White, M. C. Murphy.

Against acceptance of the Revised
Schedule (allowing the 20 per cent
reduction of a former meeting to
stand) F. H. Allen, W. J. Cooper, A.
W. Person.

The vote resulted in a tie, and
Mayor L. L. Joyner voted "For Ac-
ceptance of Revised Schedule." The
motion was therefore carried, and
the following schedule of salaries
was authorized: O. C. Hill, \$175.00
per month; B. H. Meadows, \$115.00
per month; C. E. Pace, \$110.00 per
month; T. K. Stockard, \$150.00 per
month; D. E. Cane, \$85.00 per
month; Chief Engineer at Power
Plant \$27.50 per week; Assistant
Engineers at Plant \$20.00 per
week; Street laborers \$7.00 per
week.
