Directly in line with all other straw-ballot polls conducted during the closing weeks of the presidential campaign, The Weekly Newspaper Nation-wide poll, in which THE FRANKLIN TIMES participated, in its final returns give Franklin D. Roosevelt a substantial lead in popular vote sentiment to win the election next Tuesday, November 8th.

Approximately 2,000 weekly newspapers, located in all parts of the country, cooperated in taking this poll of small town and rural American political preference. The Publishers Autocaster Service, a newspaper editorial service, acted as national headquarters in tabulating the national vote.

The studious minded voter will find some very interesting figures in this nation-wide poll. For instance: It will be noted that the margin of majority for Roosevelt in this small vote in some states is far from being decisive. Eight of the 35 states which show Roosevelt leading might easily be won over to the Hoover column at the polls next Tuesday. Those eight states represent 128 electoral votes already considered safe for Hoover, would give him a total of 210 electoral votes—only 58 votes away from reelection. These states are Colorado, 6; Michigan, 9;

FRANKLIN ROOSEVELT

HERBERT HOOVER

The Literary Digest's poll showed Wednesday Roosevelt would have a landslide. That he would probably have 474 electoral votes to Hoover 57, and gives Roosevelt 41 States out of the 48, with a possibility of five more leaving Hoover certain of only 2.

Armistice Day Frolic to be Staged In Louisburg

The American Legion Auxiliary is planning another Armistice Day Frolic to be staged in Louisburg, N. C., on November 11, 1932. All ex-service men and the public at large, in this vicinity will celebrate the ending of the World War, and the political campaign, both of which were waged to make the world safe for Democracy.

This celebration will be in the form of a big square and round dance, which will start at 9 P. M. at the Southside Warehouse, Louisburg, N. C. The Carolina Rebels, the finest square dance orchestra this side of Memphis, will toot the tunes for the merrymakers, and Perry Wheeler will call figures for the Square Dance. A reasonable admission price will be charged and the proceeds will be used by the American Legion Auxiliary to aid those World War veterans who are in the hospital at Oteen. All ex-service men will be admitted free to the dance.

Those who attended the Auxiliary Frolic last year will remember what a whale of a good time they had, and no doubt will be on deck for the 1932 Frolic. Hundreds of others who are sorry that they missed the celebration last year will attend this year. Everybody is cordially invited to come out Armistice Night and try to dance the "R" out of Frolic, but that is some job. You know, R is the most important letter in the alphabet. It is in reading, riting, and rithmetic, father, mother, sister, and brother. It's the end of Hoover and the beginning of Roosevelt, and it is in frolic. Watch the FRANKLIN TIMES next week for further announcement; of interesting details.

Red Cross Reorganizes At Louisburg

In response to a far-reaching appeal made by Dr. H. G. Perry, Chairman of the Red Cross Chapter of Franklin County, a large assembly representing all civic organizations of Louisburg and Franklin County gathered here to-night to enlarge the working forces in relief and charity activities. Tribute was paid to those engaged at present, but it was explained by the Chairman that additional private citizens were challenged to meet the growing needs throughout the county. He stated that 1250 barrels of flour and 15,000 yards of cloth had already been distributed by the chapter this year to more than 1500 families throughout the county. "But the winter threatens us as never before in my recollection of Franklin County and its people."

The following officers were elected for the county organization: Dr. H. G. Perry, Chairman; Mrs. M. S. Clifton, Secretary and Treasurer; Dr. H. H. Johnson, Central Committee Chairman; Mrs. H. H. Johnson, Membership Committee Chairman; Miss Annie Perry Neal, Publicity Committee Chairman. Hon. G. M. Beam was elected Chairman of the Relief Committee for Louisburg Township. It is expected that renewed enthusiasm and enlarged membership to the Red Cross will be found throughout the County, and flour and cloth will be available throughout the winter to the needy who will receive this relief through the Relief Committee in each township. These committees will work under the supervision of the Central Committee at Louisburg. An independent chapter of the Red Cross has been formed separate and distinct from the above organization for the townships of Franklinton and Youngsville. Mr. Joe Cheatham is chairman for this double township organization.
