MAKES WOMEN  
LOSE FAT

Miss Rea M. Haines of Dayton, Ohio writes: "I weighed 180 so started to take Kruschen. I never was so surprised as when I weighed myself the first week—I lost 7 pounds. I just bought my 3rd jar and am down to 145—am still taking them and never felt better in my life." (June 17, 1922.)

To take off fat—take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—one bottle that lasts 4 weeks costs but a few cents—get it at any drugstore in America. If this first bottle fails to convince you this is the SAFE and harmless way to lose fat—your money gladly returned.

Don't accept anything but Kruschen because you must reduce safely.—Adv.

## THE SEEDS OF RECOVERY

If some great scientist were to dig down into the ground of early arch, he would be obliged to report that he had found "no sign of a seed anywhere."

Notwithstanding that fact, Spring will arrive per schedule with green grass and bursting buds to testify to the unseen forces of Nature.

The same thing will be true of our economic situation. Beneath the barren surface of reports and figures that tell no certain story of business progress, slow silent forces are working for recovery.

This always has happened. It is sure to happen again.

We should all of us be wise enough to believe in that fact and prepare for it—without being so foolish as to try to name the exact date when it will take place.

## Beauty and Health Depend on Minerals

Science Discovers that Health, Beauty and Life Itself Depend on Proper Mineral Balance of the Body

Beautiful Skin  
Sparkling Eyes  
Health and Beauty  
All Depend on  
Mineral Balance

Lack of Sufficient Minerals and Vitamins Destroy Health and Bring on Untold Pain and Suffering.

No man, woman or child can look their best, feel well and strong and enjoy life, as God intended, unless the Mineral content of the body is kept in proper balance. This fact has been proven conclusively.

**FOODS REVITALIZED**  
Modern methods of refining foods rob them of much of the Mineral content so necessary to health. Poor cooking and unbalanced diets are another source of trouble. The body is starved for the essential Minerals and Vitamins. Soon we suffer with indigestion, constipation, headaches, nervousness, pimpls skin. We lose weight, feel tired and listless, fail to get enough sleep. Health deserts us and we wonder why.

**NATURAL WAY TO HEALTH**  
After years of research, a new and remarkable formula has been perfected that supplies the body with the essential Minerals. This preparation is not a "patent" medicine, but an active blend of Minerals and Vitamins that aids Nature in quickly balancing the mineral content of the body, clearing away intestinal poisons and building new strength and vitality.
