## NEW OFFER IS MADE CAMPAIGN WORKERS

First Period Of Contest  
Closed Saturday Night;  
Every One Has Equal  
Chance To Share In  
The Grand Awards

### RACE IS CLOSE

Hundreds of Dollars in Au-  
tomobiles, Cash and Cash  
Commissions to be Dis-  
tributed in This Commu-  
nity. New Members Urged  
To Enter and Compete

Last Saturday night, marked  
the end of the first period in the  
big "Cash Offer" Campaign just  
launched by The Franklin Times.  
It is only a starter. The cam-  
paign has just begun. Now watch  
the candidates plunge forward to-  
ward the Ford goal—the \$500  
Cash goal—the \$200 Cash goal  
and for the other big awards.

Here is another offer given the  
willing workers in the campaign  
to further enhance their possi-  
bilities of winning one of the bigger  
awards. It will, no doubt be a  
pleasant surprise to each and  
every one who is in the race to  
succeed, to know they will have  
another opportunity to further in-  
crease their vote totals this week.  
This new offer is a very liberal  
one indeed, and can be made the  
means of securing enough votes  
to carry one to victory.

It follows: 282,000 Extra Votes  
will be credited on each and every  
\$30 "club" in subscription  
payments turned in this week.  
New subscriptions and old sub-  
scriptions will count. It is the  
very best EXTRA VOTE offer  
that will be made from now on,  
and is almost as good an offer as  
the one which closed last Satur-  
day night.

#### Lasts Just One Week

This extra vote offer will last  
just one week and will end Sat-  
urday night, March 18th. It is  
"short and sweet" and too much  
importance cannot be placed upon  
it. The workers now will be the  
winners after April 15th, and  
there is no time for hesitation  
on the part of anyone who desires  
to win one of the biggest awards.

#### New Members

The offer this week is a golden  
opportunity for new members to  
enter the race and win. You can  
put your spare time on a revenue  
basis if you will but grasp the  
opportunity offered. Get them in  
this week's offer. Get them in  
this week and don't wait until  
Saturday to do the entire week's  
work. The wise ones will start  
out early with determination to  
make this week's report the very  
best possible.

#### Great Awards at Stake

Hundreds and hundreds of dol-  
lars in awards and cash commis-  
sions will be distributed among  
the earnest workers in the "cash  
offer" campaign. This will be  
given them in return for their  
spare time efforts in securing sub-  
scriptions to The Franklin Times.

Sufficient time is given new  
members to enter the race now  
and compete successfully, and  
those who are already listed  
would welcome competition. Addi-  
tional competition would add  
zest and life to the whole at-  
mosphere of the race. Send in  
your nomination today and de-  
termine to be among the winners  
of the big awards when the race  
ends. You have plenty of time  
if you act quickly.

It would be hard to find a per-  
son who does not desire a new  
automobile or one who could not  
at this time use the CASH rep-  
resented in any of the awards of-  
fered. The motive actuating  
members who seek one of the  
handsome awards at stake are  
many and varied, but underlying  
them all is the fact that in this  
campaign it is possible to acquire  
something of tangible worth in  
return for spare time. It isn't of-  
ten that spare time can be made  
so productive.

Based on the number of work-  
ing days from today until the end  
of the race, some one in this com-  
munity will be paid at the rate  
of \$24.68 per day for the next  
twenty-five working days. WILL  
IT BE YOU?

## TOLL OF TENNESSEE TORNADO INCREASES

34 Dead, 200 Injured and Untold  
Damage Latest Reports From  
Tuesday's Wind—Halted by  
Mountains

Nashville, Tenn., March 15.—  
The trial of a tornado's devastat-  
ing fury from one end of Tennes-  
see to the other was marked to-  
night by 34 dead, about 200 in-  
jured and piles of wreckage that  
used to be homes.

The storm arose last night  
along the western banks of the  
Mississippi river in Arkansas and  
Missouri and swept eastward  
without obstacle until the high  
barriers of the Cumberland moun-  
tains were reached.

The terrific wind played no  
favorites but treated cities, ham-  
lets and countryside alike.

At least 19 people were killed  
in Nashville, the state capital;  
seven in Pruden, a mining town  
near the Tennessee-Kentucky bor-  
der; four in Lebanon; six in  
Kingsport near the base of the  
Cumberlands; one in Bellwood;  
two in Harrogate; two in Rogers-  
ville and one each in Oswego and  
Millpoint.

There may have been others  
killed elsewhere. That remained  
to be determined with the restor-  
ation of communication with re-  
mote rural communities.

## Orphans To Visit Louisburg

The Singing Class of the Ox-  
ford Orphanage from Oxford,  
North Carolina, is paying our  
community a visit as a part of  
its tour for 1933. The Class this  
year is composed of fourteen  
boys and girls under the direc-  
tion of Mrs. Sadie Hutchinson. A  
most delightful program of songs,  
recitations and drills with color-  
ful costumes and splendid music  
will feature the program. The  
Singing Class of the Oxford Or-  
phanage has for more than fifty  
years made annual tours all over  
the state, each year bringing a  
new class with a new program and  
the influence of the appearance  
of these children in our commu-  
nity on the cultivation of interest  
for the cause of the orphan can-  
not be measured. There is scarce-  
ly a community that in the sixty  
years of the life of the Oxford  
Orphanage has not sent some boy  
or girl to that splendid home for  
care and training.

The Oxford Orphan's Singing  
Class will give a concert in the  
Mills Graded School Auditorium  
on Friday night, March 24th,  
1933, at 8 o'clock p. m. There  
will be no admission fee, only an  
offering taken at the door. Lou-  
isburg and Franklin County  
people have always shown delight  
at these concerts and a large num-  
ber will be expected this year.

## Fire At Beauty Salon

A trunk full of valuable linens,  
etc., was the source of the fire at  
the Tuckerette Beauty Salon  
Tuesday evening at about 6:30  
o'clock. It is supposed that the  
trunk caught fire from a spark  
coming from a chimney near  
which it sat. All that was burn-  
ed was the trunk and a space on  
the floor around it. The major-  
ity of the damage was made by  
the smoke, water and chemicals  
excepting the loss of the trunk  
and its contents. Mrs. N. B.  
Tucker, proprietor of the Salon,  
which is located at her home,  
stated that the damage was cov-  
ered with insurance. The fire  
department rendered immediate  
and valuable service.

## CROP PRODUCTION LOANS

We want at least 100  
Applicants to come to  
see us every day. Un-  
der the law all applica-  
tions must be made in  
Louisburg.

Harry P. Stevens,  
Inspector.

## Mr. Ben T. Holden Senate Passes Economy Bill

One of Franklin's Most Pop-  
ular Attorneys Passes At  
Home Saturday Morning;  
Funeral Sunday After-  
noon, Interment At Oak  
Level Church

Funeral services for Mr. Ben  
T. Holden, one of Louisburg's  
most prominent and popular law-  
yers, who died on Saturday  
morning, March 11th, at about  
10:30 o'clock, were conducted  
from the home on North Main  
Street, Sunday afternoon, March  
12th, at 3:00 o'clock. Rev. O. P.  
Fitzgerald, pastor of the Lou-  
isburg Methodist Church, officiated  
at the services, being assisted by  
Rev. J. D. Miller and Rev. A. D.  
Wilcox, president of Louisburg  
College.

Mr. Holden led a very active  
life in the activities of the law  
profession and in the political  
life of his County up until he  
was confined to his home on ac-  
count of illness. He represented  
Franklin County a number of  
times in the House of Representa-  
tives and in the Senate. He  
was a distinguished member of  
the Louisburg Bar Association,  
and for some time acted as at-  
torney for the Town of Lou-  
isburg and Franklin County. His  
public life included the service  
to his town as mayor for several  
years. He was one of Franklin  
County's most popular, active and  
substantial citizens.

Mr. Holden was fifty years of  
age and is survived by his wife,  
Mrs. Willie S. Holden, who is the  
daughter of the late Dr. W. W.  
Staley, and four children, Miss  
Patricia Holden, who is a student  
at Elon College, Ben T. Holden,  
Jr., Rebecca Ann Holden and  
John Holden. He also leaves be-  
sides his mother, Mrs. J. M.  
Holden, of Youngville, one  
sister, Miss Betty Holden of  
Amityville, N. Y., and two broth-  
ers, Mr. S. O. Holden, of Lou-  
isburg, and Mr. Stephen F. Holden  
of Youngville. The deceased  
was a member of the Oak Level  
Christian Church near Young-  
ville, of which he was one of the  
officials.

Following the services at the  
home the body of the deceased  
was taken to the Oak Level Chris-  
tian Church cemetery where the  
interment was made. The ser-  
vices at the grave were conducted  
by Rev. E. M. Carter, pastor of  
the Oak Level Christian Church.

The pall bearers were: active—  
L. L. Joyner, A. H. Fleming, S.  
P. Boddie, R. C. Beck, O. Y. Yar-  
boro, R. A. Pearce, A. W. Pershn,  
J. P. Timberlake, and Ben San-  
ders of Rocky Mount; Honorary—  
Q. S. Leonard, William Webb,  
Hugh W. Perry, all town officials  
of Louisburg, and all Franklin  
County officials.

The services at the home were  
attended by quite a large number  
of friends and relatives, who ac-  
companied the body to the cem-  
tery where still another large  
number awaited the services there.

## Elected May Queen

Miss Ruth Parker, of Lasker,  
was elected May Queen for the  
May Day exercises to be present-  
ed at Louisburg College this year.  
Miss Parker is a student of the  
college, being very active in the  
social activities here. She is a  
member of the Kappa Delta Phi  
Sorority, which is a very active  
and influential organization in  
the College.

Besides being a pretty and at-  
tractive young lady, Miss Parker  
has a very pleasing personality  
and is very talented. Her musical  
talent is exceedingly apparent.  
She is unusually entertaining at  
singing and at playing the piano.  
She is pianist for the College or-  
chestra.

Miss Parker will undoubtedly  
be one of the most beautiful and  
popular May Queens to be crown-  
ed at the May Day Festivities at  
Louisburg College in a number  
of seasons. She is very popular  
among the entire student body of  
the College as well as throughout  
the State.

## ST. PAUL'S EPISCOPAL CHURCH

Holy Communion Service will  
be held at St. Paul's Episcopal  
Church Sunday morning at eleven  
o'clock. The radio service will  
be omitted. Sunday School will  
be conducted at ten a. m., and  
Y. P. S. L. will meet at seven

## Senate Passes Economy Bill

Gives President Power to Cut  
Half Billion Off Government  
Expense—Only Minor Amend-  
ments Attached

Washington, March 15.—After  
shunting aside all major amend-  
ments, the senate tonight passed  
the administration's \$500,000,000  
economy bill. It now goes back  
to the house for approval of minor  
senate alterations.

The vote was 62-13.  
Congressional leaders were  
hopeful tonight that the measure,  
providing the President with pow-  
er to slash payments to veterans  
and federal salaries, could be  
sent to the White House by to-  
morrow night.

No Delay Is Expected  
If the senate amendments are  
agreeable to the chief executive,  
the house probably will concur in  
short order. Even if the bill goes  
to conference, leaders hope for  
speedy action.

## Bedroom Display

The Home Economics Class of  
Gold Sand High School, under  
the direction of their teacher,  
Miss Eunice Butts, has prepared  
a special window display of a  
bedroom in the large display  
window of W. E. White Furni-  
ture Store, at the courtesy of Mr.  
White who allowed the use of  
his furniture and window. This  
formulates the project in interior  
decoration for this class for the  
year.

The window takes the form of  
a typical bedroom. It is beauti-  
fully furnished and arranged.  
Dainty curtains, the magazines,  
flowers and such lend greatly to  
the air of a comfortable and  
pleasant room. The bed is cov-  
ered with a hand-crocheted bed  
spread made by Mrs. Will Fuller  
of Wood. The handiwork of the  
display reveals the detail train-  
ing given to girls in this type of  
study course.

## TO MEXICO

HON. JOSEPHUS DANIELS

Appointed Ambassador to Mex-  
ico Monday by President Roose-  
velt. Through his wide experi-  
ence in public and governmental  
matters Mr. Daniels is especially  
well qualified for this important  
post and will no doubt, build con-  
fidence and respect for his coun-  
try in our sister republic.

Another appointment going to  
a son of North Carolina was Am-  
bassador to Great Britain, given  
to Hon. Robert W. Bligham.

## Chamber of Com- merce To Meet

of the Louisburg Chamber of  
Commerce will be held in the  
Court house on next Tuesday  
night at 7:30 o'clock. All mem-  
bers and especially chairmen of  
Committees are urged to be pres-  
ent.

Pointing out the comparative-  
ly small number of errors in  
printed matter, a printer says  
that it is possible to make 2,759,  
022 errors by transpositions  
alone in the sentence "To be or  
not to be".

## CHARGE FOR HELPING FARMERS APPLY FOR LOANS IS PROHIBITED

Farmers who apply for loans  
this year from the \$90,000,000  
fund authorized by Congress for  
crop production loans, should re-  
fuse to pay any fees for help in  
the preparation of their loan ap-  
plications, it was declared by  
Harry P. Stevens, Field Inspector  
of the Crop Production Loan Of-  
fice, stationed at Louisburg, N.  
C. The law requires however  
that all probate fees be paid.

The law as enacted by Con-  
gress this year specifically pro-  
hibits the charging of any fee  
for the preparation of the applica-  
tion, Mr. Stevens explained, and  
provides for fine or imprison-  
ment, or both, for any person  
found guilty of assessing such a  
charge. Notarial fees, however,  
are still necessary, as are fees  
charged by the county recording  
official for recording the lien  
given as security for the loan, and  
for searching the records for prior  
liens.

Prospective borrowers need not  
write to Washington for applica-  
tion blanks and detailed infor-  
mation about the loans, Mr.  
Stevens said, but may get that  
material direct from him.

The application blank this year  
requires a statement of the  
amount of the loan desired, the  
number of acres for which seed  
and fertilizer are to be purchas-  
ed, the amount desired for feed,  
and the amount desired for fuel  
and oil for tractors. The applica-  
tion also requires a statement of  
the amount of the loan which is  
to be used for making repairs or  
for the purchase of other sup-  
plies. The sum total of these  
several items must not exceed the  
maximum rates per acre specified  
in the regulations.

A legal description of the land  
on which the crops are to be  
planted is also required, together  
with a statement of the acreage  
of crops grown by the applicant  
in 1932, and the yields obtained.  
The applicant is required to file  
a statement of seed and feed on  
hand at the time of applying for  
a loan.

To obtain the loan, the applica-  
tion blank stipulates, the applica-  
nt must agree to use the  
money loaned only for the pur-  
chase of supplies necessary for  
crop production in 1933 on the  
land described. Prospective bor-  
rowers must also state that they  
have neither the means nor the  
credit with which to secure these  
production supplies, and that un-  
less the loan is granted, they will  
be unable to farm in 1933.

Significant differences between  
the 1933 and 1932 regulations  
governing crop production loans  
are that this year the maximum  
permitted to any one borrower is  
\$300, and that, to qualify for a  
loan, borrowers must agree to re-  
duce their acreage of cash crops  
30 per cent below their 1932  
acreage, provided their farming  
operations are above a specified  
minimum. As in 1932, a first  
lien on the 1933 crop is required.  
Loans are to be repaid on or be-  
fore October 31, 1933. The regu-  
lations make it unlawful for any  
person to dispose of or assist in  
disposing of any crops given as  
security for any crop loan, except  
for the account of the Secretary  
of Agriculture and provide for  
fine and imprisonment for viola-  
tion of such requirement. The  
regulations require each borrow-  
er to agree to plant a garden for  
home use and to plant sufficient  
acreage to provide necessary live-  
stock feed.

## Later Legislative Happenings

The House passed a bill plac-  
ing foreign stocks back on the  
taxable property lists.

The Burlington Act repeal bill  
was killed by the House Monday  
night in a very decisive vote.

The State Senate has approved  
a new draft of the State Consti-  
tution and has passed a bill amend-  
ing the election laws.

mon topics Sunday at the Lou-  
isburg Baptist Church. At the 11  
a. m. service his sermon will be  
delivered from the topic "Main-  
taining the Spiritual Glow", and  
his sermon at the evening service

gling with the Master Spirits of  
this Dark World". Sunday school  
will be at 9:45 a. m. and B. Y.  
P. U. meeting at 6:30 p. m.

nesday evening, when studies in  
Mark's Gospel will be had.

## Business Rapidly Adopts Normal

### RE-OPENING OF BANKS BRINGS CONFIDENCE

Stocks And Bonds Market  
Gives Brilliant Demon-  
stration of Returning Fi-  
nancial Confidence As  
Prices Rise On Wave Of  
Buying

Franklin County  
"We are glad to be open  
and to serve the community  
in the usual way," said  
Cashier A. E. Henderson, of  
the First-Citizens Bank and  
Trust Co., on Wednesday  
morning. This popular and  
amply substantial institution  
was among the first banks in  
the State to open under the  
new order, which evidences  
the reason of the strong faith  
the people have in its man-  
agement and methods. With  
this opening came a renewed  
confidence expressed in "de-  
posits equalling ten to one  
the withdrawals" and a re-  
newed business activity  
throughout all lines. Busi-  
ness is settling down in  
Franklin County to a founda-  
tion upon which an undist-  
urbed march upon the road  
to complete recovery is tak-  
ing proportions for a deter-  
mined start.

The nation's banking business  
sped along the return path to nor-  
mality yesterday under the au-  
thorization of Federal and state  
officials.

Throughout the day governors  
of the 12 Federal Reserve dis-  
tricts announced additions to the  
list of member banks sanctioned  
to reopen under President Roose-  
velt's progressive plan and state  
authorities worked feverishly is-  
suing licenses for non-member in-  
stitutions to transact normal busi-  
ness or operate under restrictions.

Major stock exchanges fairly  
boiled with activity as they re-  
sumed operations. A wave of  
buying carried stocks two to ten  
points above pre-moratorium quo-  
tations and they remained there  
when trading closed for the day.

On the New York exchange  
transactions of about 3,000,000  
shares represented the largest  
turnover since September 22,  
1932.

Trading in the sugar futures  
market was resumed with active  
covering and speculative buying.  
The New York cotton market and  
Chicago Board of Trade were to  
resume transactions today.

New York, March 15.—One of  
the most brilliant recoveries in  
security prices in the history of  
the New York Stock Exchange to-  
day attested the sweeping restora-  
tion of financial confidence which  
has swept the country with the  
re-opening of thousands of sound  
banks.

Shares surged up \$2 to \$16 in  
scores of favorite issues and as  
measured by price averages, the  
percentage gain over the final  
level of March 3, when the mar-  
ket closed for its first important  
shutdown in 19 years, was more  
than 16 per cent. A single day's  
upsurge for which records of  
many years show no parallel.

## LOUISBURG METHODIST CHURCH

The pastor will preach at both  
morning and evening services.  
The subject for 11 o'clock service  
is "Humanity's Faith in God."  
For the evening service the sub-  
ject will be "The Man who was  
Afraid." Sunday school at 9:45.  
Epworth League at seven o'clock  
Sunday evening. Prayer service  
Wednesday 7:30 p. m. Good music  
and interesting services await  
you at this church.

Prospects are good for a heavy  
peach crop in Rutherford County  
this year, say those growers who  
have recently completed their dor-  
mant spraying.

Thirty-five Chatham County  
farmers are planting new pastures  
this spring.
