LAST OF EXTRA VOTES ON CLUBS ENDS SATURDAY

Time For Real Action Has Arrived—Intense Rivalry Is Noticed In Comparison As Interest Grows And Leaders Are Being Overtaken By Late Starters

BIGGEST DROP IN VOTES COMES AFTER SATURDAY

It Can Easily Be "Win or Lose" During This Last Extra Vote Offer on \$30 Subscription Clubs—Week Promise Of Being Best Thus Far in Number of Subscription Payments Turned In

Realizing that the time has arrived when real effort is more vitally important than at any previous period in the campaign, members are surging onward in the race for votes with such force that consternation is being created in the ranks of those who had figured on resting on their laurels.

Surprises are occurring on every hand, with the result that leaders today are being replaced by the ambitious and energetic ones of tomorrow.

Next Saturday night is the end of the final big EXTRA VOTE OFFER on \$30 clubs of subscriptions. 255,000 extra votes will be credited on each \$30 worth of subscriptions turned in up to that time. These votes are in addition to the regular votes allowed according to the schedule on the back of the receipt books.

The candidates have been advised that the present EXTRA VOTE OFFER is the final one for \$30 subscription clubs. All have been advised of the vast difference in votes credited upon subscriptions turned in this week against those turned in later. The biggest drop in votes of the entire campaign comes after this week.

Votes are all one needs to win the big awards and there is only one way to get them—get subscriptions. Right now is the time when subscriptions will earn thousands of bonus or extra votes. Each and every award in the list is worth many times the effort that will be necessary to win it, and while they are not going to be won without effort, one's ability to hustle and secure results will determine just how large a slice of the prize money he will receive.

Many Changes Taking Place
Candidates who have been slightly down the list of standing are climbing steadily to the top—new members who have entered during the present week are right among the leaders in the list published today. This is apparently making the ones who had a few more votes to their credit realize that the margins of leadership are very narrow, and it is anybody's race for the biggest awards.

To come out victorious in this race is the aim of every "live wire" candidate and from the activity the friends of the contestants are showing it appears that there is intense rivalry on every hand. Each candidate has his or her friends who are boosting for their favorite.

Saturday night ends the last extra vote offer to be made on clubs of subscriptions and the biggest and best offer of the entire campaign really is narrowing down to a matter of only a few hours and almost before you know it the last big extra vote offer on thirty dollar clubs will be over. There is no time to be lost—every single moment is of vital importance and should be the means of pushing you that much further to success.

Funeral services were held for Mr. Frank Hunter, whose death occurred Tuesday afternoon, at the Louisburg Community Hospital, following a stroke of paralysis which he suffered Sunday, on Wednesday afternoon, March 22nd, from the home of Mrs. W. F. Edwards, where he lived, at three o'clock, being conducted by Rev. D. P. Harris, pastor of the Louisburg Baptist Church. Following this service the body of the deceased was taken to Warrenton where interment was made in the cemetery there. Rev. DeFoe Wagner, rector of the Episcopal Church at Warrenton, held the services at the grave.

It is urgent that our people bring their offering of old gold and silver on Sunday morning. As is well known, a crucible company in Philadelphia is taking these offerings and smelting and refining them. They will come back to Southern Baptists and will be used in paying off debts on our Mission Boards. Thousands of dollars in such things are lying idle about our homes. These broken pieces of gold and silver are valuable if put into the proposed crucible plan, and used for meeting our obligations to Christ. Any article, such as dental work, cuff buttons, spectacle frames, broken watch chains, etc., can be used. We beg our members to get these things from their hiding places, come to your church worship next Sunday, March 26th, and make an offering unto God, and help pay our mission debt. Many of our members have already brought such gifts, and we are arranging these on a cloth so that you can see on Sunday morning just how beautiful this offering is. Will you bring yours?
REV. D. P. HARRIS, Pastor.

Sledge returned from Henderson Tuesday evening where they had succeeded in getting \$40 from a crowd of Gypsies, who had passed through Louisburg that morning and had relieved Mr. J. O. Sledge of this amount in some slight-of-hand method. At Henderson they were assisted by Sheriff Hamlet and State Highway Patrolman Bailey and a Deputy Sheriff, and traced the Gypsies to a point near the Virginia State line. The Gypsies denied the charge but were taken back to Henderson where they were given the privilege of returning the \$40 to Mr. Sledge or going back to Louisburg to await trial, and they settled by returning the money.

JOINT LUNCHEON

Greatly Enjoyed by Large Number—Charlie Kirby and Harry Stevens Main Speakers—Many Others Talk—Kiwanis Program Excellent—Splendid Music—Announce Prize Awards

One of the most delightful occasions held in Louisburg this season was the joint luncheon of the Louisburg Kiwanis Club and the local Government Seed Loan Department held at Franklin Hotel Friday night. A large crowd was present representing all sections of the County and a most interesting and entertaining program was presented, evidencing the strongest possible cooperation with Mr. Harry P. Stevens, in charge of the local seed loan activities.

The meeting was opened with the usual Kiwanis program, Dr. H. G. Perry, President, presiding. Dr. S. P. Burt made a report for the hospital committees, and Gaither Beam announced the awarding of prizes to Mesdames Frank Rose and Clyde Burgess, winners in the Contract Bridge Tournament. With well placed bouquets Kiwanian Beam turned the program over to Mr. Stevens.

Assuring all that he was delighted to have so many come and enjoy a social hour together, Mr. Harry Stevens explained that his business was to help the farmer get money to finance his crop who actually needs the help. Mr. Stevens explained the object of this meeting was to assure each section of the County the active assistance of the Seed Loan Department to the end that every worthy farmer in Franklin County would get all the money he actually needed to make a crop. He explained that Franklin Farmers paid up about 80 per cent of their 1932 loan, and that he considered it his duty to give them such help and assistance that will restore them to a self sustaining basis. Following this he sought expressions from all sections and the following responded with assurance of full cooperation: Dr. C. H. Banks, C. C. Wynn, of Rocky Mount, Col. C. L. McGhee, J. Z. Terrell, J. O. Williams, John Morris, C. C. Hudson, Dr. A. H. Perry, L. H. Dickens, A. W. Person, Bob Johnson, Taylor Boone, Bob Rose, Rev. E. H. Davis, C. V. Beddingfield, Chas. P. Green, H. C. Taylor, J. O. Wilson, G. L. Winchester, H. E. Stallings, T. D. O'Quinn, George W. Ford, A. F. Johnson. Mr. Stevens introduced his office force and Paul Swanson and Chas. Ward, his assistants.

Arriving late Mr. Charlie Kirby, Chief Inspector of the Crop Production Department in the State, was introduced by Mr. Stevens, who assured his hearers that the department was 100 per cent behind all the farmers in Franklin County who actually needs funds with which to make crops.

This portion of the program was closed with the singing "The Gang's All Here," and the meeting turned back to Kiwanis. The club gave the County Commissioners a standing vote of thanks for their action in regard to the hospital question presented to them during the evening. The greatest felicitations and appreciations were presented Mr. Stevens and his corps of assistants, who are engaging in a much needed work in Franklin County. During the evening Dr. Johnson, in charge of the music presented several interesting numbers, among which was a splendidly rendered solo, "A Little Bit of Heaven" by Miss Margaret Turner, accompanied at the piano by Miss Helen Leigh Fleming. Also a song "The Old Gray Mare, She ain't What She use to be", dedicated to the present General Assembly of North Carolina, and "Old Black Joe."

The splendid menu was greatly enjoyed by the large number, but nothing to compare with the gracious hospitality of the Louisburg Kiwanis Club and Mr. Harry P. Stevens, who had already won a warm place in the hearts of Franklin County people.
