DOUBLE VOTE OFFER IN EFFECT THIS WEEK

Opportunity To Earn Double The Regular Schedule
Of Votes On All Subscriptions Turned In This
Week Brings Realization Of Im-
portance of Extra Effort

AMPLE TERRITORY FOR "LIVE WIRES"

Extension Subscriptions Will Play Big Part in Winning
Of Best Awards. Race Remarkably Even Among
Majority of Workers—Outcome More in Doubt Than
Ever Before—"Results" Will Tell

To further encourage the work-
ers in The Franklin Times "Cash
Offer" campaign to exert them-
selves to the utmost this week,
the following extra vote offer is
made: Beginning March 27, and
ending Saturday, April 1st, each
and every subscription turned in
will be credited with just twice
the number of regular votes as
printed on the front of the re-
ceipt books. This offer is less
than any offer that has been
made up to this time but it is
such that any member who is
actively at work to win one of
the biggest awards cannot afford
to lose a single moment during
the present week. **DOUBLE
VOTES ON ALL SUBSCRIP-
TIONS THIS WEEK!** Two hours
results for one hour's work.

Extension Subscriptions
"Second Payments" or exten-
sion subscriptions which mean a
further payment by someone who
has already subscribed for a
definite length of time during the
campaign, will be credited back
under the vote offer in which
the first payment was made.
These second payments allow a
big advantage in votes and each
member is advised to get as many
of them as possible.

Candidates are requested to
mark extensions when they turn
in subscriptions, otherwise the
campaign department will not be
responsible for the additional
votes which the extension sub-
scriptions carry.

Real Action
It may be truly said that the
"real campaign" for subscriptions
is just getting started. Judging
by the increased enthusiasm being
demonstrated by the cam-
paign members during the past
few days. One and all seem to
have taken fresh stock in their
prospects and are more fully de-
termined now to finish high in
the list than ever before. Then
too, the public is lending its sup-
port in a commendable way and
urging the workers on to greater
achievement. The wise members
will "bear down" as never before
on subscriptions this week.

Ample Territory Left
Candidates are cautioned
against making the serious mis-
take of thinking that all the ter-
ritory has been canvassed. There
are hundreds of people right here
in Louisburg, to say nothing of
the outside territory, every one a
potential subscriber, who have
not been approached for a sub-
scription. Don't assume that the
other fellow has beaten you to
it. Leave no stone unturned, and
you will be surprised at the in-
creasing number of folks you will
find who have not been seen by
other workers. Members are
urged to make an active survey of
the field so that every possible
source of votes will be looked
after. To let failure overtake
one at this stage of the game
would be to relinquish the op-
portunity to win one of the big-
gest awards. What are a few
days of diligent effort, compared
to the days, weeks and months of
pleasure and satisfaction one of
these awards will bring.

As the matter stands now, the
race is remarkably even among
many. That is why the last three
weeks of the campaign are so im-
portant, as they will enable the
members to win the highest hon-
ors if they will but strive enough.
It isn't a matter of chance or
luck.

Standing of Contestants will be
found on page eight.

Local Farmers Making Leather

Farmers in the vicinity of Ed-
ward Best High School are saving
money by making their own
leather. They have found that
their annual harness repair bill
can be cut down considerably in
this way.

Under the direction of J. B.
Litchfield, Agriculture Teacher,
several farmers have tanned
enough leather to last them sev-
eral years. The salt-cure method
of tanning recommended by
the Animal Industry Department
of State College is used. This
method is quick, simple and in-
expensive. Less than a week is
required for the entire process.
Hides can be successfully tanned
in this way by persons with no
previous experience.

Farmers who wish to know
more about this method of tan-
ning can secure directions from
the Vocational Agriculture De-
partment of Edward Best High
School.

Carteret County potato growers
have planted 1100 acres to the
early crop of Irish potatoes, in-
creasing the plantings by 200
acres over last season.

Mr. W. Atkin Jones Dead

One Of Franklin's Prominent
Planters Passes at Age 71

Mr. W. Atkin Jones, one of

1931-32 and was always strong
in his stand for what he thought
was right. He gave much of his
valuable time in the interest of
the schools for Franklin County's
country boys and girls. In his
home life he was a good provider,
a devoted husband, a kind and
indulgent father, a splendid
neighbor.

The funeral was held from
Piney Grove Methodist church,
of which he was a faithful mem-
ber, on Wednesday afternoon at
3 o'clock, conducted by his pastor,
Rev. A. J. Parker, assisted by Rev.

Person, G. W. Murphy.

The floral tribute was especial-
ly pretty and profuse speaking
the high esteem in which the de-
ceased was held.

Large numbers of friends from
all parts of the County and many
from out of the County attended
both services.

The family has the deepest
sympathy of the entire commu-
nity in their bereavement.

Daniels Opposed As Ambassador

Mexican Communists Making Pro-
test—Attitude Surprise To
Washington City

Mexico City, March 28.—Post-
ers attacking Josephus Daniels,
the new American ambassador to
Mexico, appeared on walls in
Mexico City today.

The posters were captioned
"Out With Daniels" and they
called him "the murderer of
Azuela and Uribe." These men
were Mexicans who were killed
in the fighting when United
States forces landed at Vera Cruz
in 1914. At the time Mr. Daniels
was secretary of the navy.

The posters were signed "The
Central Committee of the Com-
munist Party of Mexico Section
of the Communist International."
They called upon workers,
farmers, students, soldiers and
sailors and "all anti-imperialists
in general" to rise up and force
Mr. Daniels from Mexico.

The overthrow of the present
Mexican government for permit-
ting Mr. Daniels to serve as am-
bassador was urged in the post-
ers.

"The naming of Daniels is an
insult to the Mexican people and
excoriates on the memory of
Mexicans who died at Vera Cruz,"
the posters said. "What is the
consistency of decorating those
who died at Vera Cruz and then
welcoming the murderer of
Azuela and Uribe?"

Washington Officials Hear
Rumor But Refuse Comment

Washington, March 28.—At-
tacks in Mexico City against Am-
bassador Josephus Daniels' ap-
pointment today created surprise
among officials here. A noncom-
mittal silence was the only re-
action at the state department.

Official reports of the poster
campaign against Daniels had
not reached the department from
the Mexico City embassy late to-
day, but observers there regard-
ed the allegation that the new
ambassador intended to organize
the Mexican army and navy to
fight an imperialist war for the
United States as too absurd for
comment.

Secretary Hull could not be
reached to verify receipt of the
reported letter from the president
of the American chamber of com-
merce in Mexico protesting
against Ambassador Daniels' ap-
pointment. It could not be
learned whether or not he would
reply if the communication has
been received.
