Light and Water Information

In replying to the editorial of last week (June 23rd) entitled "Let's Be Fair; Why Change?" it is the writer's desire to be brief and state the true facts concerning this case, rather than let the public be mis-informed.
Louisburg's Utilities are in the limelight, now. For a number of years they have been enveloped in a cloak of mystery and seclusion and have enjoyed a period in which they have been unmolested by a rightfully interested group of patrons, and taxpayers.
Fire has been drawn by the editorial appearing in these columns on June 23rd alleging that the Town Commissioners were contemplating the release of Mr. Hill as Superintendent of the Light & Water Department.

Required to pump water: Raw water 490 kilowatt hours per week; Clear water 1480 kilowatt hours per week. Cost of pumping water \$2,647.68 per annum at basic cost of producing energy.
Street Lights: 2200 volt circuit consumes 55,440 kilowatt hours per year at a cost of \$1,523.32; 110 volt circuit consumes 52,704 kilowatt hours per year at a cost of \$1,475.64. Total cost of lighting streets per annum is therefore \$3,027.96.
On this same basis the plant is producing per annum 733,200 kilowatt hours. Since June is one of the lowest production months in the year, as figures reveal, it will be necessary to add approximately 10 per cent to compensate for the yearly production. This makes a total of 806,520 kilowatt hours produced per annum.

SUNDAY SCHOOL LESSON

JOSHUA
Lesson for July 2nd, Joshua 1:1-9.
Golden Text: Joshua 1:9
The third quarter of lessons introduces us to some early leaders of the Old Testament period. The first of these is Joshua. He is not, obviously, one of the supreme figures in the Bible gallery of portraits. Nevertheless he is a great soul who took a leading part in the stirring events of a critical period. He was one of the two older men who were permitted to enter the promised land. He was afraid neither of the giants in Canaan, nor of the fickle-hearted folk in the ranks of the children of God who yearned after the flesh pots of Egypt.

BRUCE BARTON

Writes of "THE MASTER EXECUTIVE"

WHEN Jesus was twelve years old his father and mother took him to the Feast at Jerusalem. It was the big national vacation; even peasant families saved their pennies and looked forward to it through the year. Towns like Nazareth were emptied of their inhabitants except for the few old folks who were left behind to look after the very young ones. Crowds of cheerful pilgrims filled the highways, laughing their way across the hills and under the stars at night.
In such a mass of folk it was not surprising that a boy of twelve should be lost. When Mary and Joseph missed him on the homeward trip, they took it calmly and began a search among the relatives.
The inquiry produced no result. Some remembered having seen him in the Temple, but no one had seen him since. Mary grew frightened; where could he be? Back there in the city, alone? Wandering hungry and tired through the friendless streets? Carried away by other travelers into a distant country? She pictured a hundred calamities. Nervously she and Joseph hurried back over the hot roads, through the suburbs, up through the narrow city streets, up to the courts of the Temple itself.

Messrs. Thomas Creekmore and R. Pearson Upchurch, of Raleigh, were in Louisburg Wednesday to appear before J. J. Young, C. S. C., representing the defendants, seeking the removal of a case of J. M. Privitt vs. Sanford, Brooks and Co., to Federal District Court.

BRIDE HONORED
On June 24, from 5 to 6 o'clock, Mrs. J. B. Litchfield and Mrs. P. R. Inscoc entertained at a charming informal tea and miscellaneous shower in honor of Mrs. Charlie Stallings, who was formerly Miss Ina Chappell, of Candor.

The guests were received at the door by Mrs. C. T. Dean and Mrs. J. T. Inscoc. In the dining room the guests were received by Mrs. F. E. Dean and Mrs. Litchfield. Heart-shaped sandwiches, pretzels and tea rings were served by Mrs. Dean and Mrs. Farmer.

A special delivery package was presented to the bride. On opening this package the bride found many beautiful and useful gifts.
For the occasion the home of Mrs. Inscoc was decorated with a profusion of Queen Anne's Lace and garden flowers. The color motif of green and white was effected throughout the home. In the dining room the table was centered with an attractive bride.
