PRECIOUS DOCUMENTS SAFE FROM ALL HARM

In One Of Our Safety Deposit Boxes

Don't take the chance of having them stolen, lost or destroyed by fire. If lost, they can never be replaced and you are the loser. Your insurance policies may be among those destroyed by fire and your loss will be permanent.

We have safety deposit vaults where all precious papers and other belongings, such as jewels may be kept where no harm can possibly come to them.

They are always accessible to you by calling at the bank.

The rental fee per year is very small.

ONCE IN A BLUE MOON

bargain hunters find a haven. Some people pass this haven by to go some place else and pay higher prices for the same goods, but the smart and thrifty ones stop at the place where it pays to trade, and where it costs the least. If you have not yet found this haven then let us put you wise, it is just across from the Franklin Hotel, next door to Dr. Johnson's office, and the name is

"THE DYNAMO"

Published by Pupils of Edward Best High School

The Glee Club of E. B. H. S. met last Wednesday. The club welcomes two new members. That makes a total of sixty members. After the business section of the meeting the period was given over to the girls. They copied and then practiced one of their new two part choruses entitled "Marcheta." That is a very beautiful Spanish love song that a boy sang to his sweetheart while he was away from her.

Each member is anxious to learn his new songs.

Interesting Chapel Programs
The students like to go to chapel especially when interesting programs are given. On Wednesday, Mr. and Mrs. Miller gave a musical program. Mrs. Miller and Evelyn Stallings played a piano duet entitled "Charge of the Uhlans", by Carl Bohn Op. 213. Mr. Miller told the life of Rudyard Kipling and then sang one of his poems which is set to music. He also sang a funny love song entitled "Nothing but Love". Last Monday Dr. Fitzgerald from Louisburg gave a very helpful talk. The students felt grateful to Mrs. Forest Sledge for inviting him to talk to the school.

Junior News
The tenth grade is working very hard for the highest attendance record this month. They are hoping to succeed in averaging the highest of the school. Recently they have been studying climate and its influence in Geography. It seems that each is striving to do his best, for each is working for a higher goal, that is to be a Senior.

The class welcomes Ruby Wilder back to school. She has been absent for a long time with malaria fever and other diseases. The class also sends its greatest sympathy to Danise Wheless who is absent from school because of sickness.

8th Grade News
The members of the eighth grade welcome Lou Ella Burnette to join them. She formerly attended Gold Sand High School. After receiving their report cards for the second time there was a great improvement, that inspired each member to work harder than before.

Literary Club
At the usual hour, the Literary Club met last Friday. A detective program was given. Members of the club gave interesting talks on "Requirements of a Good Detective Writer," and "Detective Stories." After the arranged program an impromptu program was given. The club adjourned to meet again next Friday, November 25, 1933.

Just News
All of the students are looking forward to the Thanksgiving holidays. This school will have Thursday and Friday as holidays. Last week Miss Virginia Perry, a former graduate of E. B. H. S., was married to Mr. Marvin Wood, of Hickory Rock.

Mr. and Mrs. Miller spent the past week-end in Henderson with Mrs. Miller's parents, Mr. and Mrs. Wilson.

The entire student body sympathizes with George Earp and Mrs. Earp in the loss of Mr. Earp, husband and father. Miss Leona Raynor, fifth grade teacher at Epsom, spent the past week-end with Mrs. Forest Sledge. Each class is fighting hard for the half holiday in attendance.

Senior News
The senior play books have arrived entitled "The Man in the Green Shirt." It consists of ten characters, five men and five women. They will begin practicing the play at an early time. It will be given on Friday night, December 22, 1933.

On last Tuesday, the Seniors were one hundred per cent. They hope they will win the half holiday at the end of the month. The seniors have had a letter that their rings are on the way. They will be overjoyed when each one receives his. They had twenty-two of the class to order rings. The class has a total of twenty-eight members.

P. T. A. Meeting
On Monday night, November 20, our P. T. A. met. A very enjoyable program was rendered. Plans were made for the distribution of Red Cross supplies in our district, and also a fund was provided for the purchasing of a number of chapel song books and some newspapers for the library.

Twelve Person County farmers report an average yield of 29.52 bushels of corn an acre following lespedeza last year while that grown on similar land without the lespedeza produced 18.02 bushels. Results with wheat were even greater.

The Pitt County Mutual Exchange sold \$100 worth of products at the curb market last Saturday and helped to organize a production credit association for the county.

DIZZINESS

relieved by Black-Draught

"I decided to take Theodor's Black-Draught, as I had been having bilious spells," writes Mr. Chas. E. Stevens, of Columbus, Ind. "When I get bilious I feel sleepy and tired and do not feel like doing my work. I get awfully dizzy. I know then that I had better take something. After I found how good Black-Draught is, that is what I have used. I guess it rids me of the bile, for I feel better—don't feel like I am dropping off to sleep every time I sit down. That, to me, is a very bad feeling. Now you can get Black-Draught in the form of a SYRUP, for CHILDREN."

A production credit association with a capital stock of \$30,000 has been organized by Carteret County farmers.
