JERE ZOLLICOFFER

J. T. WELDON

April 26th, 1934.

Mr. C. M. Cooper, Henderson, N. C. Dear Mr. Cooper:

(In answer to your inquiry of April 22nd.)

My reason for supporting Jere Zollicoffer for Congress can be summed up in a very few words. I have known Jere's people all my life and Jere all of his life. I have had many business dealings with them and have always found them to be honest and straightforward in their dealings. Jere Zollicoffer is a man of very high character and well fitted for the office he seeks. He understands the problems of the farmers and business men of this district far better than any of the other candidates.

I highly commend him to the voters of the fourth district and am sure they will never regret supporting him.

(Signed:) J. T. WELDON.

Mr. J. T. (Tom) Weldon was raised a dirt farmer and is still a dirt farmer and a very successful one. Mr. Weldon kindly volunteered his services to Jere Zollicoffer's campaign, and was named by Jere Zollicoffer to look after his interests in Franklin County. Mr. Weldon's appointment is in keeping with Jere Zollicoffer's policy of not lining up with any machine politicians.
