Franklinton News

G. L. Winchester of Franklinton High School says that he will be glad to treat tobacco seed for the farmers of the county against leaf diseases that very often lessen the quality of our marketable tobacco.

W. C. Wilder who operates a lespedeza seed cleaner at Mitchi-ner's Cross roads in Franklinton township says he has already cleaned about 20,000 pounds of lespedeza seed and expects this figure to reach 30,000 pounds before the season is over. This is by far the greatest amount of seed that has been cleaned in this end of the county. The lespedeza crop was good this year, the seed are large and we are doing a good job of cleaning.
