Farmers over the State are realizing more and more the value of silos. The trench silo is growing in popularity. Tobacco growers with an excess poundage to sell this fall may secure extra allotment cards from their county agents.

Refreshing Relief

When You Need a Laxative Because of the refreshing relief it has brought them, thousands of men and women, who could afford much more expensive laxatives, use Black-Draught when needed. It is very economical, purely vegetable, highly effective. Mr. J. Lester Roberson, well known hardware dealer at Martinsville, Va., writes: "I certainly can recommend Black-Draught as a splendid medicine. I have taken it for constipation and the dull feelings that follow, and have found it very satisfactory."

SYSTEMATIC SAVING WILL KEEP YOU OUT OF DEBT Most men work hard for their money and strange as it may seem, spend it foolishly. Many a man, without sufficient reason, goes deeply in debt and is forced to carry the burden indefinitely, for it is hard to get out once you get in. A carefully planned budget and systematic saving to help meet the budget will keep you out of debt and money ahead.
