

"THE PEPPER BOX"
Published by Pupils of Youngsville High School

The Youngsville chapter of Future Farmers of America met in a short business session Friday afternoon, Nov. 15th.

Due to the loss of James Cannon from our chapter, (who incidentally took unto himself a wife) it was necessary for the members of the chapter to appoint a vice-president to fill the office vacated by James Cannon. Woodrow Wiggins was unanimously elected to this office.

Our President, Davis Catlette, appointed a program committee to serve for the current term. This committee is as follows:

Jones Winston, Woodrow Wiggins, and Billy Freeman.

The chapter then adjourned to meet again Friday, Nov. 22, 1935.

Jones Winston, Reporter.

The Scholarship Society of Youngsville High School re-organized its society Friday, Nov. 15, 1935. The following officers were elected:

Pres., Clauzelle Carter; Vice-Pres. Robert Cheatham; Sec. and Treas., Dorothy Mitchell; Reporter, Mabel Wheeler.

The following new members have been chosen from the Freshman Class to work with us this year: Velma Mae Mitchell, Jean Harris, Ollie Mae Crooms, Hattie Mae Woodlief, and Howard Moore.

Due to the fact that we did not have the required number from the Senior Class, we choose Inez Pearce. The new members will be initiated in the near future.

We are hoping that our club will be even a greater success than ever before. Due to the eagerness shown in the faces of all our club members we know it will be.

Mabel Wheeler, Reporter.

Oddity Club

The Oddity Club of Youngsville High School was organized Friday November 15. We elected the following officers:

President, Lucille Timberlake; Vice President, Lucille Perry; Secretary and Treasurer, Josephine Hendricks; Reporter, Sarah Ann Baker; Chorister, Mary Charles Mitchell; Program committee, Estelle Talley and Inez Pearce; Social Committee, Julia Holden, Eva Belle Perry and Dorothy Beck.

We are working very hard for our club and hope it will be a success.

Sarah Ann Baker, Reporter.

Chapel

The following program was given in Chapel Friday, Nov. 8.

Devotional, Tom Radford; a play, Thanksgiving Feast. A school girl was trying to write a paper on "How the World Helps us to keep the Thanksgiving Feast" when the different vegetables were presented by boys and girls of the fourth grade. The theme was to show that all the world helps us to keep the Feast.

Personals

Reports from Home Demonstration clubs have been sent in. They show that everybody has taken great interest in rearranging their homes.

Mr. Ed Weldon was called by death on Tuesday morning, November 12, 1935.

Messrs. Ople Frazier, Durward Dickie, and N. H. Ayscue attended Federal court for the past week.

Miss Lillian Grissom has acquired a position at Rose Hill in the Beauty Parlor.

Miss Grace Ward from Halifax County has recently been the guest of Miss Lillian Grissom.

Mr. Ellis Thompson and Miss Louise Ayscue, graduates of Epsom in the year of 1934, were married November 2, 1935.

Mr. Perry Smith, of Richmond, Va., has been spending some time at home of late.

Mr. and Mrs. R. E. Lucas and their son, Raymond Jr., spent the week-end with her parents, Mr. and Mrs. S. H. Dickerson, near Ingleside.

This past week all of the parents were invited to attend school on Wednesday to visit the classes of their children. The grade having the largest parent present was to receive a dollar. American education week was from November 11-15, but as we had not received all of the playground equipment, the day was postponed one week later.

Miss Myrtle Rohuson spent some days of the past week with Miss Minnie Belle Short.

Dramatic Club

The Dramatic Club held a most interesting meeting Thursday, November 14. The main event was a debate between different members of the Club. The debate was "Resolved that impromptu programs are a help to members of societies or clubs. The line up was as follows:

Affirmative: Evelyn Ayscue, Louise Dickie, Robert Rowland; Negative: Mattie Leigh Dickerson, Edwin Fuller, and Mildred Wilson. The affirmative side won.

We are looking forward to having an amateur hour every Thursday for the following month.

Louise Dickie, Reporter.

Sidney Lanier Society

The Sidney Lanier Society met November 15, with an important topic being discussed. The program was centered around "Education". Sallie Lou Thompson presented to us new ideas of why we observe education week and Janie Ayscue fully explained the importance of education to one.

In her talk she brought out the idea of the happiness one can find in education. The program ended with ten years hence by

O'Henry Society

The O'Henry Literary Society met Friday, Nov. 15. After the society was called to order by the president and the calling of the roll and reading of the minutes of the last meeting by the secretary, the society sang America and Virginia Lassiter conducted the devotional. The following program was given which was very interesting, being an impromptu program:

Poem, Virginia Perkinson; Song Rilla Collins; Why I joined the O'Henry Society, Mattie Perry Fuller; Special music on the harp, Perry S. Ayscue; Wonder Why, Adelle Finch; Song, Society.

The society then adjourned until a further meeting.

Mattie L. Dickerson, Reporter.

IT WORKED FOR ME

Women should take only liquid laxatives

MORE people could feel fine, be fit and regular, if they would only follow the rule of doctors and hospitals in relieving constipation.

Never take any laxative that is harsh in action. Or one, the dose of which can't be exactly measured. Doctors know the danger if this rule is violated. They use a liquid laxative, and keep reducing the dose until the bowels need no help at all.

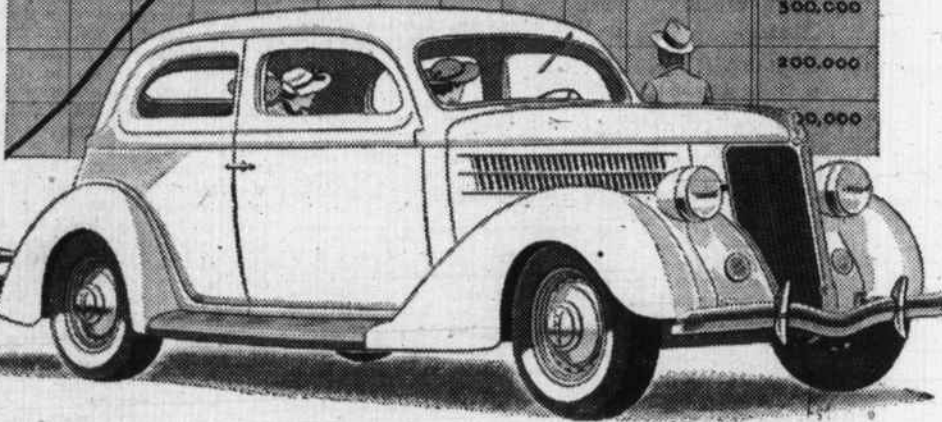

Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why it should be a liquid like Syrup Pepsin.

Ask your druggist for a bottle of Dr. Caldwell's Syrup Pepsin, and if it doesn't give you absolute relief, if it isn't a joy and comfort in the way it overcomes any sluggishness or biliousness, your money back.

ONE MILLION FORD V-8 CARS AND TRUCKS IN TEN MONTHS

ON OCTOBER 31 of last year, Henry Ford announced his intention to build a million Ford V-8s in 1935. We are pleased to report that this goal was reached in exactly ten months instead of a full year.

One million cars and trucks is an impressive total. But figures by themselves mean nothing. It is what they represent that counts. Selling a V-8 at a low price has brought a new kind of automobile within reach of the people. Producing it has provided steady work for hundreds of thousands of men in the Ford plants, in associated industries and on the farm.

These million Ford V-8 cars and trucks have helped to make things better all around. In the first ten months of 1935 the Ford Motor Company paid out in the United States alone, \$140,119,326.00 in wages and \$523,111,389.00 for materials.

Here Is True FARMALL POWER

reduced in size, weight, and capacity to take over the power problems on tens of thousands of small farms, and to serve as an auxiliary tractor on larger farms.

FARMALLS Now in 3 Sizes— a Size for Every Farm.

All-Steel Hoppers on McCORMICK-DEERING Grain Drills Make Them Better Than Ever

The New Farmall 20 Tractor Is Ready Now

McCormick-Deering

HERE we are with the New McCormick-Deering Farmall 20 Tractor. This model has practically the same physical dimensions as the regular Farmall—but it has a good 10 per cent more power, 4 forward speeds, enclosed steering gears, and enclosed steering brakes.

The advantages of the additional power and extra speeds which make the Farmall 20 more flexible are appreciated when it comes to pulling 2 plow bottoms and the heavier tillage tools in tough going, operating 4-row cultivators, 2-row Farmall corn pickers, 2-row potato diggers, and all drawbar, belt, and power take-off jobs. Farmall 20 speeds are 2 1/2, 2 3/4, 3 1/2, and 3 3/4 miles per hour.

You will admire the Farmall 20 when you see it at work. It has all the features that have made the regular Farmall famous. Ask us about it now.
