For Governor

Franklin At Bottom Again

The average rate of the soil conserving payment in Franklin County under the 1936 farm program has been fixed at \$6.40 per acre, according to Dean I. O. Schaub, of State College.

This rate applies to general soil-depleting crops other than cotton, tobacco, and peanuts, the dean said, and will vary with individual farms.

The general rate for each county has been determined according to the average productivity of general soil-depleting crops on the farm is above or below the county average.

The general productivity of each farm will be based upon the average past yields of soil-depleting crops other than cotton, tobacco, and peanuts.

For tobacco and cotton the rate of payment has been fixed at five cents a pound on the average tobacco and cotton yields of the farm. The rate for peanuts is 1 1/4 cents a pound.

The soil-conserving payment will be made for shifting land from soil-depleting into soil-conserving crops this year.

A farmer who takes high productive land out of cash crops and puts it into soil-conserving crops is making a bigger sacrifice than the farmer whose land is low in productivity. For this reason, the dean explained, the rates of payment have been based on the productivity of the land.

Says State Needs New Auditor

Raleigh, N. C., June 1:—"The race for State Auditor," said Judge Phillip C. Cooke of Asheville, "is very onesided on our way."

"The western part of the State will return overwhelming majorities for Geo. Ross Pou. Aside from the fact Mr. Pou is the best qualified candidate, the people are sick and tired of coming to Raleigh and always finding the same old office holding faces. Durham has been connected with the Auditor's office for about a third of a century. It's time to make a change."

"The fact that Baxter Durham, present State Auditor, refused to accept a cut in his salary when the school teachers and other State employees had to accept a reduction in salary of as high as fifty per cent, has made Durham very unpopular with school teachers up our way," continued Judge Cooke. "They feel all State officers and employees should 'eat from the same spoon'."

"Geo. Ross Pou is a young man, a progressive man, a father and a life-long friend of the schools, a farm owner who knows the farmers needs, and an executive of proven ability—the ideal candidate. If he obtains anything like the support in the Eastern part of the State that he will receive in the West, he will be nominated on June 6."

W. N. THOMPSON DEAD

Mr. W. N. Thompson, one of Goldmine townships much beloved citizens died at his home at Centerville Friday morning, May 22, 1936, following an illness of three years due to cancer trouble. He was in the 51st year of his age.

Surviving are his widow who before her marriage was Miss Nonie Gupton, daughter of Ada and the late Davis Gupton. Two daughters Maud and Marion, three sons Reece, Horace, and Dwight Thompson, all of Centerville. Four sisters Mrs. J. P. Leonard of Wood, Mrs. R. L. House of Louisburg, Mrs. J. D. Gupton and Mrs. J. W. Dement of Centerville. Three brothers Sam, Henry and Jim Thompson of Franklin County.

The deceased professed faith in Jesus Christ and became a member of the Sandy Creek Baptist Church in 1908. Later moved his membership to the Centerville Church.

He was a kind and loving father. Devoted husband, and a good and true neighbor always willing to render service to those in need as far as he was able. With a cheerful word and a smile he was ready always to brighten some sad heart. Until the last he was patient with his suffering, trying to paint the cloud of sorrow that hovered so near with sunshine.

We believe that he was ready to meet his dear Saviour who promised to go and prepare a place for him. Where there shall be no more night neither death, neither sorrow nor crying neither shall there be any more pain for God the Heavenly Father shall

The funeral services were held from the Centerville Baptist Church of which he was a member, conducted by his pastor, Rev. John Edwards. The interments was made at the Swanson Family Cemetery near Sandy Creek on Saturday afternoon. The Floral tribute was borne by the nieces of the deceased.

Pallbearers were: J. P. Leonard, Maurice Murphy, G. P. and R. P. Dement, Wilber and Loyd Gupton.

The services were largely attended by a host of friend and acquaintance to pay their last tribute to the one they loved.

Our hearts goes out in sympathy to this bereaved family, for we know that everything was done for him that hand could do but to no avail.

"Well done thou good and

faithful Servant. Thou has been faithful over few things, I will make the ruler over many. Enter thou into the joys of the Lord."

A Friend.
