## Farm Almanac

Timely suggestions for profitable spare time activities during June are contained in the Ford Almanac and Facts Book under the heading "Reminders". According to the Almanac this is a good time to clean and disinfect the granary; get haying equipment in order; transplant flowers; spray roses, can rhubarb; and do everything possible in preparation for harvesting.

The Almanac also contains historical data for the month, listing an historic event for each day. Among the events listed are the world's first balloon ascension on June 5, 1783; the organization of the Y.M.C.A. on June 6, 1844; the landing of the Dutch on Manhattan Island on June 10, 1610; the Battle of Bunker Hill on June 17, 1775; and the signing of the treaty of Versailles on June 28, 1919. The Ford Motor Company was incorporated on June 16, 1903, the Almanac states.

Full moon this month occurs on the 6th, the last quarter on the 12th, the new moon on the 18th and the first quarter on the 26th, according to the Almanac.

## MRS. FRANK HOUSE DEAD

On Sunday, May 17, about one o'clock, a cloud of sorrow passed through the home of Mr. Frank House, when death came and claimed the wife and mother, Mrs. House. She was 67 years old.

For about 25 years she has been a member of the White Level Baptist Church. Although she has been in bad health for the last few years, and not able to attend services regular, her light has not failed to shine, for she has won many friends during her visit here on earth, who did not fail to show their gratitude during her affliction.

We hated to give her up but we must all become obedient to God's Holy will, and we feel sure that He had a better place for her to fill in Heaven rather than here on earth.

Mrs. House leaves behind her husband and five children: Mr. Eddie and Herman House, Mrs. Charlie Leonard and Misses Tank and Nettie House.

The funeral service were conducted by her pastor, Rev. F. G. Walker and Rev. John Edwards. Her body was carried to the Saints Delight Church and buried.

The pallbearers consisted of her nephews, Tommie Griffin, Walter, Obie, Herman, George, Clifton and Roy Bartholomew.

The flower girls were her nieces Iline, Lila Bell, Mamie, Bettie Gray and Mildred Bartholomew, Eula Moore, Hattie Swanson, Geneva Murray, and Estelle Bottoms.

## WHAT OTHERS THINK OF W. L. LUMPKIN

FRANKLIN'S CANDIDATE FOR THE  
HOUSE OF REPRESENTATIVES

The following letter addressed to Hon. W. L. Lumpkin was received immediately after the adjournment of the last Legislature and is printed, by permission, for the information of his friends:

Raleigh, N. C., May 14, 1935.

Hon. W. L. Lumpkin,  
Louisburg, N. C.

Dear Mr. Lumpkin:

Now that the Legislature has adjourned and the smoke of battle is clearing away, I wish to write you in behalf of the retail merchants and the consuming public of North Carolina to express to you my sincere appreciation for the splendid fight you made against the General Sales Tax throughout the recent session of the General Assembly.

I have before me a complete record of every vote taken on the sales tax question at the 1935 session of the General Assembly and I am gratified to note that you voted against this oppressive species of taxation at every opportunity.

It is unfortunate for the people of North Carolina that they did not have more men like you in the Legislature to stand for the people's rights and against the imposition of this un-sound, unwise and unjust system of taxation.

Not only do the records show that you consistently voted against the sales tax, but I recall the splendid fight you made against the tax both on the floor of the House and before Committees and I wish to commend and again thank you for the position you took on this question throughout the session of the General Assembly.

With kindest regards and every good wish, I am

Cordially yours,

WILLARD L. DOWELL, Executive Secretary.  
N. C. MERCHANTS ASSOCIATION.

Please take time to read every word of the following letter from Dr. Ralph W. McDonald, candidate for the Democratic nomination for Governor, and member of the famous McDonald & Lumpkin team in the 1935 Legislature:

May 30th, 1936.

Dr. S. P. Burt,  
Louisburg, North Carolina,  
Dear Doctor:

I wish to thank the people of Franklin County for the cordial welcome which I received at your hands on Tuesday of last week.

I especially want to express my sincere appreciation to every merchant who closed his store during the time of my speaking engagement. It was such a demonstration of cooperation and interest that I feel impelled to write this letter.

It was also an inspiration to me to see personally the demonstration of high esteem in which the people of Franklin County hold their fellow-citizen and my close friend and Campaign Manager, W. L. Lumpkin. Never in my life have I known a man more completely unselfish and more thoroughly devoted to the cause of the people than is Mr. Lumpkin.

I will thank you if you will publish this letter in the next issue of the Franklin County paper.

Yours most sincerely,

RALPH McDONALD.
